

MALVERN AUTUMN SHOW

in association with

PLANT PAVILION

FACT SHEET

The Plant Pavilions will be assembled in blocks, sectioned off into individual units each supplied with its own covered sales area and measuring 3m x 6m or 3m x 9m. Each covered unit is constructed of a tubular framework with a PVC covering and will have a name banner at the front. Name banners are pre-printed with a standard typeface, and will carry the exhibitor's name (as listed in the Show Catalogue) and the stand number.

DISPLAY

Immediately in front of the covered sales unit is an open display area, sectioned off from neighbouring exhibits with white picket fencing measuring 6m x 6m or 9m x 6m. The display area must contain a quality horticultural display and must be maintained to a high standard throughout the Show. The display must be in the front section of the unit.

Confirmed exhibitors who find that they are unable to exhibit should notify the Shows Executive in writing as soon as possible.

Any cancellation received 2 to 3 months prior to the show will receive a refund of 50% of the stand cost; if cancellation occurs 1 month (or less) before the show no refund will be given. Any exhibitor who has not paid invoices due by the dates specified will be deemed to have cancelled and will be liable for the payment of cancellation fees.
