

BOOK NOW
FOR 2024!

Where farming & technology combine

SHOW SPECIAL

BOOK NOW FOR 20 & 21
NOVEMBER 2024

THANK YOU!

We would like to thank you for exhibiting and supporting the show this year.

As our thank you to you, we would like to offer you the Show Special.

- The 2023 early bird rates are temporarily frozen, allowing you the opportunity to book your stand for next year whilst saving money too!
- Save on overall cost and align yourself with the 2024 show so you can let customers know you'll be here again next year!
- Early bookers are offered the opportunity to book more space on this rate (where possible, t's and c's apply).
- The Show Special is only available if you have completed the online application form and paid for stand in full by 31st December 2023. If not paid by this date you will automatically move onto the next increased rate.

To book, contact Francesca Hayes on:
francesca.hayes@newarkshowground.com or 01636 705 796 and we will send over the relevant link for your online application.

Don't wait, sign up for the Show Special today and save money on your 2024 exhibition space!
