

Terms & Conditions:

- I declare that during the Event my exhibit will be covered by the minimum insurance requirements as required by the Road Traffic Act if my exhibit is not excluded from use on the Public Highway, irrespective of whether or not it is licensed for use on a Public Road. If my exhibit is not self-propelled it will be covered by a public liability policy having a limited indemnity of not less than £5,000,000 in any one accident and I enclose a copy of the relevant insurance certificate.
- I further declare that the driver/rider of any exhibit, not excluded from use on the public highway, holds a driving licence of the appropriate class for that exhibit, and that no person will drive any other vehicle on the showground unless that person holds a valid licence for that vehicle.
- I agree to produce insurance & licence documents to the Event Organiser or Safety Officer if requested
- I agree to produce, on request, an Inspection Certificate in accordance with the IEE Regulations for any electrical equipment (i.e., generators, wiring, appliances).
- I agree to operate my exhibit during the event and to comply with the instructions of stewards. In the event of a dispute the Event Organisers decision is final. Exhibitors may be asked not to run their machines engines at certain periods during the day to respect other Show sections.
- Exhibitors may be asked to take part in the main arena parade.
- Dogs are welcome; however they must be kept under control and on a short lead at all times. All dog waste must be picked up and placed in bins provided.
- Cancellations: In the event of an exhibitor notifying the Secretary that he/she is unable to attend before June 18th 2024, the Society will refund the charges paid, less an administration fee of £1.50. If the cancellation is made on or after June 18th 2024 there will be no refund.
- If the Show is cancelled due to poor weather (where the field is considered unusable by the organising committee) or any other reason outside the Society's control, the Society will refund the booking fee minus £1.50 to cover administration costs.
- **I AGREE NOT TO REMOVE MY VEHICLE FROM THE DISPLAY BEFORE BEING INSTRUCTED TO DO SO BY A SOCIETY STEWARD. The Decision to release vehicles will be based on the number of public on the showground. The latest time vehicles will be released is 6pm, however if deemed safe by the Society's appointed Health & Safety Officer, an earlier time may be possible (not before 5pm)**
- Any persons contravening the above rules are liable to expulsion from the showground without any refund of fees paid.

If the exhibitor is under 18 years of age, the age must be stated here:

Signed: **Date:**

There will be a limit on the number of vehicles that can be accepted due to space restrictions; therefore, space will be allocated on a first come first served basis. The Organisers reserve the right to refuse entry of any vehicles.

With each vehicle we will issue **2 admission wristbands and 1 vehicle pass** which will provide access to the showground. All vehicles and machines should be on the showground by **8.45am**; those arriving after this time should park in the public car park and the wrist bands will be **invalid**. If possible, it would be preferable for exhibits to arrive the day before; overnight security will be provided.
