VETERINARY

18. VETERINARY TREATMENT

It is a condition of entry that the Society's veterinary officers may treat any animal in an emergency and agree the best course of action (including dispatch if necessary) whether or not the owner/exhibitor is present. If emergency veterinary treatment is required at the Show, exhibitors will be responsible for the cost of any medication or drugs used in the treatment of their animals and payment must be made direct to the veterinary officer at the time of treatment.

Any animal that is receiving veterinary treatment at the time of the Show should not be entered unless the owner has had the animal examined by their own Vet and it is safe for them to enter the Show. However, animals still showing evidence of disease will not be permitted to be shown; the ultimate decision will rest with the Kent County Show Veterinary Officers.

19. CONTAGION

Every exhibitor of any animal which to their knowledge is suffering from any contagious or infectious disease, or which has been in contact with any animal suffering as such, shall pay the Society £80 as compensation and for liquidated damages for each and every animal so sent. In addition, in the event of the Society's Veterinary Inspector certifying that any animal sent for exhibition is in his opinion a possible source of danger, such animal shall be removed with due speed by the Participant, from the Showground, or be otherwise managed as per the Veterinarian's direction with a view to averting the spread of contagion.

20. EQUINE PASSPORTS AND INFLUENZA

It is obligatory for all equines to be accompanied by a valid equine passport whenever they are transported to and from Showgrounds.

There will be spot checks carried out by an Inspector.

The declaration on the application form about the proper vaccination of horses and ponies against equine influenza must be signed by the Exhibitor or his/her agent. A passport showing a single vaccination only will not be acceptable unless it is clearly shown as a booster administered within **12 MONTHS**. Foals under six months of age are exempt from vaccination.

21. HANDLERS AND RIDERS

All handlers, riders and drivers must be competent and experienced to compete at the level of competition in which entered.

Riders should be the appropriate weight for the horse or pony they are riding. Any riders not deemed the appropriate weight may be asked to leave the class at the discretion of the Kent County Show veterinary officer. There will be 2 welfare stewards on site across the duration of the show, who will be assessing suitably mounted riders and the welfare of the horses and ponies competing, and spot checking throughout the Showground on each day.

22. WHISKERS

Horses will not be permitted to compete if their sensory hairs have been clipped and/or shaven or in any other way removed unless individual sensory hairs have been removed by a veterinarian to prevent pain or discomfort for the horse.

23. MISUSE OF DRUGS

The Society reserves the right to take blood and urine samples from any animal at the Show to test for the presence of illegal or banned substances.

HEALTH & SAFETY

24. HEALTH & SAFETY

The Organisers of this Show have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the Organisers and all the Officials and Stewards.

Strictly no smoking in any buildings or marquees on the Showground.

28. EVICTION

The Stewards shall have power to remove from the Showground the animal belonging to (and cancel the tickets of) any participant who does not comply with the instructions given by the Stewards, without any responsibility attaching to the Stewards or the Society in consequence of such removal.

29. DOGS

Exhibitors must ensure that their dogs are kept quiet, under strict control and on leads at all times whilst on the Showground itself, the Stable Area or the car parks.

JUDGING

30. JUDGING

Only the Stewards and authorised officials (including the official photographer) shall enter any of the rings or have any communication with the Judges during the time the judging is taking place. All participants acting in opposition to this rule shall forfeit such premiums as may be awarded to their exhibits.

The Judges may withhold any prize where there is evident want of merit. Where there is only one entry shown in a class, the judges may award the first, second, third or fourth prize according to the merit of that entry.

Once a class has started, late competitors will only be allowed entry into the ring if the Judge(s) is/are prepared to accept them.

It is the responsibility of the exhibitor to ascertain the class is running on time and the schedule has not been changed since the time of entry.

It is the responsibility of the exhibitor to note the name of the Judge(s) appointed for the classes they wish to enter and are advised, in the interests of all concerned, not knowingly to enter an animal bred by, previously owned by or has any connections with the Judge appointed.

The decision of the Judge(s) is final.

31. PROGENY

All foals must be the offspring of the mares with which they are exhibited and accompany them into the judging ring.

32. TEMPORARY ACCIDENT

Any animal suffering from an accident, having temporary consequences only, will not be disqualified on that account.

33. PROTESTS

Any exhibitor wishing to make a protest, having reference to any exhibit at the Show, must make it in writing to the Show Office and deposit the sum of £20.00, which may, at the discretion of the Council, be forfeited to the funds of the Society if the protest should appear to them to be frivolous or unreasonable. All protests must be delivered to the Show Manager before 5.00pm on the day of judging. After that hour no protest will be received unless a special and satisfactory reason can be given for the delay. A Council meeting will be called to consider any such protests at 10.30am on the following day at which time any person making a protest, or their authorised agent must be available to answer questions if required. Protests lodged against awards made on the third day of the Show will be considered at a time and place which will be fixed by the Council. The decision of the Council shall be final.

34. DRESS CODE

All those entering the rings with horses or ponies, or to attend to horses or ponies must be properly

dressed wearing hats, jackets, and the appropriate exhibit number where applicable. Anyone riding a horse or pony on the Showground, practice areas or car parks must wear a hat of a standard approved by the governing body of the competitors respective horse/pony society, association, or discipline and under whose rules the competitor is exhibiting.

RESULTS AND PRIZES

All prize money will be paid to the exhibitor by BACS as listed on the entry form within four weeks of the Show date. Details for payments must be entered on the entry form, at time of entry.

In all cases where the prizes are offered conditionally, they shall be withheld until the exhibitor shall have proved to the satisfaction of the Council that the conditions have been fulfilled.

36. TROPHIES

Trophies will be presented in the ring at time of presentation, where there will be a photo opportunity. Trophies will be engraved; however trophies will be kept in the possession of the Kent County Agricultural Society, and will no longer be sent to exhibitors after the show.

37. RESERVE AWARDS

In awarding prizes, the Judges are instructed to add a reserve number in each instance (provided there is sufficient merit), stating the next best animal, in case any animal to which a prize has been awarded should be disqualified.

In the case of any prize animal being disqualified, the winner of the next succeeding prize in that class shall take the prize that has been awarded to the disqualified animal. The lowest prize in the class shall go to the reserve number provided a reserve card has been awarded.

38. ROSETTES

No animal will be allowed to wear rosettes or ribbons and no prize cards may be displayed other than those issued by the Society.

In awarding prizes, the judges have been requested to award six rosettes in each class, provided there is sufficient merit.

39. RESULTS AND MARK SHEETS

Results and mark sheets will be displayed the day after the last show day. Any queries regarding results should be sent in writing to the Show office within four weeks of the date of the Show. No amendments to results and prize money will be made after this time.

Judging day: Sunday
Ring: Astor Ring

JUDGE

Mrs Jennifer McElhinney
Mrs Ann Gooane

ENTRY FEES

£25 per team

PRIZES

1st, £100; 2nd, £80; 3rd, £60 each for the two losing semi-finalists.

CONDITIONS FOR ENTRY

Teams will compete in a knockout format competition, with a run-off between the runners up of the semi-final round to determine third and fourth places.

Matches in the first round will be determined by draw, with the exception that no two teams from the same hunt may be matched against each other.

Each competing hunt will provide at least one steward. The show will provide at least two stewards and a judge. The judge's decision is final in all matters.

Two matching mirror-image courses will be built by the Show course builder. Each will be a short loop with obstacles, with the start and finish line in the same place. A short opportunity to view the course will be made available immediately before the competition. The course builder and arena party will be responsible for rebuilding any jumps knocked down during the competition.

For each round, the judge will toss a coin to determine which team has the choice of left or right course. Teams will make their way to the start on the appropriate side of the course. The starter will start each race by drop of flag.

Each rider will make their way around the complete course. On return to the start they will hand the baton (whip) on the next rider. The race is completed when all members of each team have crossed the finish line.

The race will be timed. 5 seconds penalties will be added for each jump knock-down. The winner of each round will be the team with the shortest time as adjusted by the time penalties.

If the whip is dropped on handover, the rider passing the whip on may dismount and hand it to the next rider who remains mounted.

If the handover fails, and the next rider passes the first obstacle (eg first jump) without the baton, the team will be eliminated from that round.

The competition is normally between teams of four riders. However, if for veterinary or other legitimate reasons one team member has to drop out at the last minute the competition may continue with only three members in the team. In such cases the team order must be such that there is a baton handover between each rider - it is not permitted for one rider to complete two consecutive rounds with no handover.

No additional time penalties will be added for refusals, but only three refusals are permitted. If a horse

refuses a third time, that team member must be "rescued" by the next rider in the team. The rescue rider must collect the whip from the refusing rider, complete their course, and then continue on to complete their own course.

Similarly if a rider is dismounted, they must be rescued.

The race will be stopped if a dismounted rider is unable to hand on the whip, or if for any reason, in the opinion of the stewards, a health or safety issue would arise were the race to continue. If the race is stopped then the clock will be stopped. The race, and clock, will be restarted at the discretion of the stewards, with riders in their approximate positions at the time the race was stopped.

The race may include a 'mug and pole' obstacle. If the rider drops the mug it may be picked up by a steward but must be replaced on the first pole, and the rider must repeat the obstacle.

The race may include a 'bridge' or 'walk'. The rider must walk at least one full stride (four foot steps) through the obstacle. If they fail to do so a steward will immediately indicate to the judge, and a 5 second time penalty will be added.

A briefing meeting will be held on the morning of the competition, to include representatives of each competing hunt and stewards from the show.

TROPHIES AND SPECIAL PRIZES

T122 The Stanley Luckhurst Memorial Trophy for the winning team in the Inter Hunt Team Relay.

Class 257

BSJA Rule 274. Table A. Speed 375mpm. Height of fences approximately 1.30m, plus the joker at a maximum height of 1.45m. Drawn order.

This competition takes place over 6, 8 or 10 obstacles which are progressively more difficult. No combination obstacles are allowed. The progressive difficulty is not solely due to height and spread of the obstacles, but also to the difficulty of the track.

This class will be strictly restricted to 40 entries. Entries will be accepted in order received. No rider may enter more than TWO horses in this class.

Points are awarded as follows:

One point for obstacle No. 1 cleared, two points for No. 2, three points for No. 3 etc. with total of 21, 36 or 55 points.

No point is awarded for an obstacle knocked down. Faults other than knock-downs are penalised as for Table A and any

of these faults, including time faults, are converted into points, and deducted from any jumping points scored.

In the event of equality of points for first place, there will be a jump-off against the clock over a shortened course, over obstacles that may be increased in height and/or spread. The obstacles in the jump-off must be jumped in the same order as in the first round and retain their respective points allotted in the first round.

This competition may also take place directly against the clock.

For the last obstacle of the course, an alternative obstacle may be provided, of which one part may be designated the Joker. The Joker must be more difficult than the alternative obstacle and carry double points. If the Joker is knocked down, the points must be deducted from the total.
