## Hello

We're delighted to announce that applications for the Lincolnshire Food & Gift Fair are now open! We hope to welcome you to the county's flagship Christmas event, where your presence as an exhibitor plays a vital role in making the event a success. Together, we celebrate the finest flavours, heartfelt gifts and the rich traditions of food, farming, and countryside life, which are all proudly rooted within Lincolnshire.

Following each event, we carefully review all feedback and make improvements to the event layout and processes. We kindly ask that you read this document thoroughly to familiarise yourself with any updates. It is also the responsibility of each exhibitor to brief all contractors, particularly regarding setup and breakdown, so please ensure all relevant information is communicated clearly.

Below are some key points to consider when applying, but please ensure you read through all details of the trade regulations further in this document:

## **Application Process:**

All applications must be submitted via our online booking system, Showing Scene. You will be asked to provide the following completed documents when submitting the form, failure to provide the forms may result in your application being rejected.

- Completed Alcohol Sales/Hospitality Form (if applicable)
- · Caterers: Additional documentation is required—please refer to the application form for details.

**Commercial Apprentice** 

just wanted to say thank you very much for allowing me to trade at this weekends show. I had a fabulous time. It was a really enjoyable weekend, I had lots of returning customers and their general feedback from the event was very positive.

There were also many new visitors who were also very complimentary.

Please thank every one of the team who were involved with the organisation of the show, I know how much work goes into organising events.
