Dear Vintage Tractor Owner,

We are delighted to invite entries for the **Vintage Feature** at this year's **Mid Devon Show**, taking place on **Saturday 25th July 2026** at **Knightshayes / Chettiscombe, Tiverton**.

This year, it's the **turn of the tractors** to take centre stage with a special **Main Ring Parade**, and we ask you to indicate on your entry form whether you would like to take part. Weather permitting, we also hope to include some **working demonstrations** in the grass field adjoining the feature area.

Please ensure that all exhibits are in place by **8:00am on Show Day**. Where possible, we encourage you to arrive on **Thursday or Friday afternoon**. To help with safety and traffic flow, we kindly ask that you avoid the main set-up and breakdown periods — **7:30–8:30am** and **5:45–6:45pm** on Show Day — especially if you are driving your tractor to or from the showground.

Please note that **no vehicle movement** is permitted on the showground until instructed by the **Chief Steward**, and **exit gates will not open before 6:00pm**.

Entries will only be accepted once all relevant information has been received. Drivers must hold a **full, current driving licence**, and a **Risk Assessment** must be completed for any machinery being demonstrated. Usual safety rules apply — **no passengers** are permitted while vehicles are moving.

Each exhibit entry includes **one free admission ticket**. Additional tickets may be purchased when submitting your application.

If you have any queries, please contact the **Show Office** on **01884 820859** by the **end of April**. Tickets will be sent approximately **two weeks before the Show**.

As an additional **Health & Safety precaution**, all tractors must be secured when parked using a **suitable wheel chock**. Please confirm on your application that you will provide this.

Entries close on 31st May 2026, or earlier if capacity is reached.

We look forward to welcoming you and your vintage tractor to the 2026 Mid Devon Show.

With kind regards,

Colin Nation
