

Three Counties Agricultural Society's

# Sustainability Charter

Three Counties Agricultural Society commits to

Integrate  
sustainable  
practices

to reduce waste, save  
energy & lower emissions

Maintain & build  
on all sustainable  
activities currently  
established at The  
Showground

Work with partners  
to implement  
sustainable  
practices correctly  
at all times

Educate &  
engage visitors in  
sustainable  
practices & their  
importance

Champion  
sustainable  
practices

through establishing a  
sustainability working group

Report annually  
on activity  
measuring  
emissions & setting  
targets

Seek out &  
promote ways to  
further reduce  
emissions

Ensure the  
sustainability charter  
is understood at all  
levels & its  
importance
