1. General

- 1.1. The Search for a Star competition (the “Competition”) consists of a round of qualifying events held at various venues, with the Search for a Star Show Championship taking place at the Horse of the Year Show (“HOYS”).
- 1.2. These terms and conditions (the “Rules”) apply to the Competition. By submitting an Entry (as defined below) the owner (“Owner”) and rider (“Rider”) (the Owner and Rider each an “Entrant”) named as such on the Entry Form (as defined below) agree to be bound by these Rules.
- 1.1. The Competition is Organised by The Absolutely Genuine Company Limited (except where the Competition is run by a 3rd party when the Company will act as the “Administrator” and Organiser to ensure those who qualify for the Championships are eligible, whose registered address is The Stables, Moneys Farm, Bottle Lane, Mattingley, Hook, Hampshire, RG27 8LJ.
- 1.3. The Organiser reserves the right at any time and from time to time to modify or discontinue, temporarily or permanently, the Competition with or without prior notice due to reasons outside its reasonable control.
- 1.4. The Entrant warrants that all information provided by the Entrant to the Organiser in the Entry Form (as defined below) and such other information that the Entrant may provide to the Organiser during or before the Competition is up-to-date, true and accurate. The Entrant must not provide any information which he or she knows or reasonably believes to be false, inaccurate or out of date. The Entrant accepts that the Organiser may conduct checks to verify the information that the Entrant has provided to the Organiser. Including through a competitors social media profiles.
- 1.5. These Rules have been developed to ensure that competitors in the Competition may compete against one another under fair and equal conditions. They cannot, however, cover every eventuality; matters that cannot be resolved by interpreting the Rules to the letter will be resolved by following the spirit of the text to obtain a solution that is fairest to all competitors in the Competition.
- 1.6. Paragraph headings shall not affect the interpretation of these Rules.

2. Submission of Entry Forms

- 2.1. All entries are online and the competitor must agree to the systems already in place. Entries for Riders under 18 must be made by their parents or legal guardians. Except for Entries submitted by parents or legal guardians of children under 18 years of age, Entries on behalf of another person will not be accepted.
- 2.2. By submitting an Entry, the Entrant agrees to abide by the systems, rules and regulations of the Competition and these Rules. An Entry for a Rider under the age of 18 must be made by one of the Rider’s parents or legal guardians. Except for such an Entry, an Entry on behalf of another person will not be accepted. The Entry Form must be fully and correctly completed. Incomplete or inaccurate Entry Forms or Entry Forms that are received without the Entry Fee will not be accepted.
- 2.3. The closing date for Entry (the “Closing Date”) is as specified on the schedule to these Rules for the venue of the competition. Subject to paragraph 2.5, payment of the Entry Fee for each Entry must be received by the Organiser in cleared funds by no later than the Closing Date.
- 2.4. An Entry must be made in the appropriate class or classes for which the horses or ponies (“Horses”) are eligible. Except for an Entry made in accordance with paragraph 2.5 (which may be accepted at the discretion of the Organiser of the show) no entries will be accepted after the Closing Date. No amendments or substitutions may be made to any Entry submitted by an Entrant without the Organiser’s prior written consent (which may be given or withheld at the Organiser’s absolute discretion).
- 2.5. Any Entry made after the Closing Date may be accepted by the Organiser of the show but at its absolute discretion if:
 - 2.5.1 the late Entry if submitted to the organisers by the Secondary closing date;

If requested, immediately following qualification at the competition, a qualified rider must bring their horse’s original Equine identification document (passport) to the secretary of the Organiser to be checked. The passport must be correct and in the name of the horse and owner on the Search for a Star entry form. Failure to comply with this ruling will mean disqualification.

- 2.5.2 the class that the Entrant wishes to enter is not full;
 - 2.5.3 the Entrant agrees to pay the Organiser a late entry fee of £20 (or what the show demands) plus the entry; and
 - 2.5.4 no entries will be accepted on the day that have not been pre-agreed with the organisers.
 - 2.5.5 The Show takes late entries. Late entries are the decision of the show that is entered.
- 2.6. The Organiser does not accept any liability for any Entry which is lost, delayed, misdirected or incomplete or which cannot be delivered or entered for any reason
- 2.7. Unless the Organiser agrees otherwise, an Entry will not be deemed to have been accepted until the Entry Fee has been received and the Entrant has received an acceptance email from (or on behalf of) the Organiser confirming that the Entry has been accepted.

3. Disqualification and refusal of entry

- 3.1. The Organiser/administrator has the right to refuse an Entry for any reason and at its sole discretion, including (but not limited to) if the class to which the Entry relates is full.

- 3.2.1 the Entrant breaches any of these Rules;
 - 3.2.2 the Organiser/Administrator and/or the judges of the Competition (the "Judges") have reasonable grounds to believe that the Entrant has breached any of these Rules; or
 - 3.2.3 any person who assists, represents or acts on behalf of an Entrant or who is in the employment of any Entrant during the Competition conducts himself or herself in such a manner that were he or she an Entrant he or she would himself or herself be in breach of any of the provisions of these Rules.
 - 3.2.4 Any person or animal that the Organisers believe to be a risk to the judges, themselves or other competitors.

4. Refund of entry fee

If an Entrant withdraws its Entry it shall not be entitled to a refund of any Entry Fee paid by it unless the Horse or Rider that is the subject of the Entry is unable to attend the Competition due to ill health, and, no more than 7 days after the Competition, a written application to withdraw the Entry is received by the Organiser and is accompanied with a valid certificate from a veterinary surgeon or doctor. The Organiser reserves the right to charge a fixed fee of £12 per class for administration costs associated with the withdrawal of the Entry and may deduct this fee from any Entry Fee it refunds to the Entrant. Only refunds paid directly to The Absolutely Genuine Company will follow this refund process. Refunds are subject to the ruling within the schedule of the show entered.

- 4.1. Refunds (less any administration charges) will only be paid to the person who submitted the Entry via the same method they paid. No refund of any Entry Fee will be given for any disqualified Horse, Rider or other Entrant.
- 4.2. Any Entry Fee which has been paid by the Entrant shall be refunded in full if an Entry is refused by the Organiser because the class to which the Entry relates is full.
- 4.3. In the event that a Competition is permanently discontinued in accordance with paragraph 1.4, the Entrant may be refunded (less any administration charges), but any such refund shall be at the Organiser's sole discretion (acting reasonably). The Organiser shall not, under any circumstances, be responsible for travelling or associated expenses.

94. Qualifying Riders and Horses who are invited to attend HOYS must comply with the rules applicable to HOYS.
95. An Entrant (Owner and Rider) may enter more than one qualifying class at more than one Competition venue but can only take up qualification in one class with one Horse at HOYS.

If a Qualifying Horse and Rider are invited to attend HOYS but are unable to complete the class in the first round at HOYS they may at the discretion of the Organisers, and if the Organisers organise a "Search For A Star" competition on a subsequent year, be permitted to enter a "Search for a Star" competition organised by the Organiser on a subsequent year.
97. A Qualifying Horse and Rider may be invited to compete at HOYS. Qualifying in a class in the Competition does not automatically entitle a Horse and Rider to an invitation to compete at HOYS. An invitation to compete at HOYS will be issued only if the judges consider the Qualifying Horse and Rider are suitable to appear at HOYS. For the avoidance of doubt, no Horse or Rider who might have been placed first, second or third but for the presence of the Qualified Horse or Rider, will be entitled to compete at HOYS unless invited to do so.

If details of passport are uploaded before the event if the horse qualifies it will be checked and the owner in the passport must match that on the entry form. Non disclosure or a previously uploaded incorrect passport and entry form will lead to disqualification.
913. The Checking of Passports is a service supported by SEIB to ensure that all the information re: name of horse, owner and residence given by the competitor is correct as per DEFRA criteria, on the day of the qualifier. The checking of Veterinary records including vaccinations details and height certificates must be the responsibility of the Owner and Rider and is not the responsibility of SEIB.

If requested, immediately following qualification at the Competition, a Qualified Rider must take their Horse's original passport to the secretary of the Organiser to be checked. The passport must be correct and in the name of the horse and owner on the Search for a Star entry form. Failure to comply with this ruling will mean disqualification.

914. At the absolute discretion of the Judges a Horse and Rider who have been placed second, third, fourth, fifth and sixth in the Competition may qualify to compete at HOYS if the Qualifying Horse and Rider have already qualified to compete at HOYS independently of this Competition. No horse or pony may compete in Search for a Star at HOYS after they have competed in an open class except for the Racehorse to Riding Horse Class
915. At the absolute discretion of the Judges, if a place becomes available at a SFAS class at HOYS, the place may be filled by any horse or rider (meeting the criteria of the competition) from any venue. Qualification does not automatically go down the line.

The Entrant acknowledges that the Organiser has the full right to sell and/or profit from the commercial use of such photographs, motion pictures, recordings and/or likenesses of the Entrant.
132. Any audio, visual or audio-visual recordings that are made by (or on behalf of) the Entrant of the Competition or any part of it are for personal use and cannot be published or used for any commercial purpose without the prior written consent of the Organiser.

133. The Entrant accepts and agrees that, if they win, the Organiser may announce their names, age and town of residence on the Organiser's website(s) and may use the same for publicity purposes which may include sharing and/or using the Entrant's details with the press and the Organiser's PR advisers.

171. These Rules and the Competition will be governed by English law.
172. The Organiser and Entrant irrevocably submit to the exclusive jurisdiction of the English courts.

18. Tests for prohibited substances

In common with other similar bodies, the Organiser of the Competition takes a very serious view of the use of Prohibited Substances (as defined below), whether intentional or unintentional, having particular regard to the safety of children and vulnerable adults.

Entrants should be aware that many proprietary feeds and preparations contain Prohibited Substances as do many foods such as chocolate. Prohibited Substances can be absorbed through the skin and they are also

contained in some homeopathic and herbal remedies including calmers. It is the responsibility of the Entrant having custody of a Horse, particularly in the twenty four hours before the Competition, to ensure that nothing is fed, administered or applied to a Horse that contains a Prohibited Substance. Ignorance is not an adequate defence.

The Organiser is not authorised to give guidance to Entrants but the Organiser follows the Equine Prohibited Substances List (“EPSL”) as published from time to time by the Federation Equestre Internationale (“FEI”).

Where appropriate, the Organiser will adopt threshold levels published in the EPSL. Please note that the EPSL includes any other substance with a similar chemical structure or similar biological effect(s) as substances specifically mentioned on the list. All substances on the list, whether indicated as “Banned” or “Controlled”, are prohibited substances under the Rules. Also prohibited are “metabolites” of the substances and “markers”, both terms being defined below; save and except that Altronogest/synthetic progesterone is NOT a prohibited substance (e.g.Regumate) so long as it is not in Stallions or Geldings and that FEI Rules are adhered to:

(A) Use of Prohibited Substances

Any changes to these rules for testing for prohibited substances will be published on the website

- (i) Any Horse taking part in classes judged under the Competition Rules will be liable to Prohibited Substances Testing (as defined below) in accordance with the Prohibited Substances Testing procedure laid down by this Rule. A refusal to submit an animal for Prohibited Substances Testing shall constitute a breach of this Rule.
- (ii) The presence in the tissues, body fluids, excreta, hair or skin of a Horse of a Prohibited Substance (as defined below) shall constitute a breach of this Rule by the Owner and/or Rider and/or any other person within involved with the animal.
- (iii) **“Prohibited Substances Testing”** means the examination of a Horse by a duly qualified person appointed by the Organiser and includes the taking of samples for subsequent analysis of all or any body fluids, excreta, hair or skin scrapings at the discretion of the person conducting the examination.
- (iv) **“Prohibited Substance”** means any quantity of any substance listed as a “Banned” or “Controlled” substance on the EPSL as published by the FEI and in force from time to time excluding any quantity of any substance under any threshold level specified in the EPSL but including any other substance with a chemical structure or similar biological effect(s) as any substance on the EPSL and also including any metabolites of such substances and any markers.
