If emergency veterinary treatment is required at the Show, exhibitors will be responsible for the cost of any medication or drugs used in the treatment of their animals and payment must be made direct to the veterinary officer at the time of treatment.

Any animal that is receiving veterinary treatment at the time of the Show should not be entered unless the owner has had the animal examined by their own Vet and it is safe for them to enter the Show. However, animals still showing evidence of disease will not be permitted to be shown; the ultimate decision will rest with the Kent County Show Veterinary Officers.

19. CONTAGION

Every exhibitor of any animal which to their knowledge is suffering from any contagious or infectious disease, or which has been in contact with any animal suffering as such, shall pay the Society £100 as compensation and for liquidated damages for each and every animal so sent. Riders should be the appropriate weight for the horse or pony they are riding. Any riders not deemed the appropriate weight may be asked to leave the class at the discretion of the Kent County Show veterinary officer. There will be 2 welfare stewards on site across the duration of the show, who will be assessing suitably mounted riders and the welfare of the horses and ponies competing, and spot checking throughout the Showground on each day.

All participants acting in opposition to this rule shall forfeit such premiums as may be awarded to their exhibits.

The Judges may withhold any prize where there is evident want of merit. Where there is only one entry shown in a class, the judges may award the first, second, third or fourth prize according to the merit of that entry.

Once a class has started, late competitors will only be allowed entry into the ring if the Judge(s) is/are prepared to accept them.

It is the responsibility of the exhibitor to ascertain the class is running on time and the schedule has not been changed since the time of entry.

It is the responsibility of the exhibitor to note the name of the Judge(s) appointed for the classes they wish to enter and are advised, in the interests of all concerned, not knowingly to enter an animal bred by, previously owned by or has any connections with the Judge appointed.

All protests must be delivered to the Show Manager before 5.00pm on the day of judging. After that hour no protest will be received unless a special and satisfactory reason can be given for the delay. A Council meeting will be called to consider any such protests at 10.30am on the following day at which time any person making a protest, or their authorised agent must be available to answer questions if required. Protests lodged against awards made on the third day of the Show will be considered at a time and place which will be fixed by the Council. The decision of the Council shall be final.

34. DRESS CODE

All those entering the rings with horses or ponies, or to attend to horses or ponies must be properly dressed wearing hats, jackets, and the appropriate exhibit number where applicable. The Society would like to thank Mr Nicholas Allan for Kindly supporting the Interhunt relay class.

CONDITIONS FOR ENTRY

Teams will compete in a knockout format competition, with a run-off between the runners up of the semi-final round to determine third and fourth places.

Matches in the first round will be determined by draw, with the exception that no two teams from the same hunt may be matched against each other.

Each competing hunt may be asked provide at least one steward. The show will provide at least two stewards and a judge. The judge's decision is final in all matters.

Two matching mirror-image courses will be built by the Show course builder. Each will be a short loop with obstacles, with the start and finish line in the same place. A short opportunity to view the course will be made available immediately before the competition. The course builder and arena party will be responsible for rebuilding any jumps knocked down during the competition.

For each round, the judge will toss a coin to determine which team has the choice of left or right course. Teams will make their way to the start on the appropriate side of the course. The starter will start each race by drop of flag.

Each rider will make their way around the complete course. On return to the start they will hand the baton (whip) on the next rider. The race is completed when all members of each team have crossed the finish line.

The race will be timed. 5 seconds penalties will be added for each jump knock-down. The winner of each round will be the team with the shortest time as adjusted by the time penalties.

If the whip is dropped on handover, the rider passing the whip on may dismount and hand it to the next rider who remains mounted.

If the handover fails, and the next rider passes the first obstacle (eg first jump) without the baton, the team will be eliminated from that round.

The competition is normally between teams of four riders. However, if for veterinary or other legitimate reasons one team member has to drop out at the last minute the competition may continue with only three members in the team. In such cases the team order must be such that there is a baton handover between each rider – it is not permitted for one rider to complete two consecutive rounds with no handover.

No additional time penalties will be added for refusals, but only three refusals are permitted

If a horse refuses a third time, that team member must be "rescued" by the next rider in the team. The rescue rider must collect the whip from the refusing rider, complete their course, and then continue on to complete their own course.

Similarly if a rider is dismounted, they must be rescued.

The race will be stopped if a dismounted rider is unable to hand on the whip, or if for any reason, in the opinion of the stewards, a health or safety issue would arise were the race to continue. If the race is stopped then the clock will be stopped. The race, and clock, will be restarted at the discretion of the stewards, with riders in their approximate positions at the time the race was stopped.

The race may include a 'mug and pole' obstacle. If the rider drops the mug it may be picked up by a steward but must be replaced on the first pole, and the rider must repeat the obstacle.

The race may include a 'bridge' or 'walk'. The rider must walk at least one full stride (four foot steps) through the obstacle. If they fail to do so a steward will immediately indicate to the judge, and a 5 second time penalty will be added.

A briefing meeting will be held on the morning of the competition, to include representatives of each competing hunt and stewards from the show.

TROPHIES AND SPECIAL PRIZES

KS122 The Stanley Luckhurst Memorial Trophy for the winning team in the Inter Hunt Team Relay.
