Please read directions on second page

Manor Farm is the SECOND farmhouse down the long drive.

Park in the paddock on the left as signed. YOU MUST MAKE A WIDE TURN and approach the gateway with your lorry/trailer straight to avoid the ditch!!! Please park in a straight line facing the hedge or as directed by parking stewards. Horse boxes over 7.5 ton should park in front of the grain store at the far end of the farm yard (two metal roller doors). There is a WC in the livery yard.

Please do not touch anything or any horse in the yard for biosecurity reasons. If you must bring dogs, please keep them in close proximity of your vehicle. Do not muck out your lorry/trailer onto the field. Please take all rubbish home with you.

Warm up is in the parking field.

Please show respect to Stewards, Helpers and fellow competitors. Rudeness will not be tolerated, and you will be expected to leave immediately.
