## STAND HEALTH & SAFETY RISK ASSESSMENT FORM

### HEALTH AND SAFETY RISK ASSESSMENT GUIDELINES FOR TRADE STANDS

All exhibitors **MUST** complete the Health and Safety Risk Assessment Form when they book their Trade Stand.

Using the guidelines shown below, please consider what risks there are to those building up trade stands and to visitors during the Show. Outline the steps you propose to take to minimise that risk in the table on the Risk Assessment Form. If, in your opinion, there is no risk, then please print 'No Risk'
