DEFRA: Please keep up to date via the DEFRA website.

To comply : we require a record of all people who bring birds to their gathering, or take such birds from the gathering, and keep such record for at least 3 months following the event. Where possible this should be in an electronically available format. The licensee must present these records when requested by an APHA inspector or Local Authority inspector. The record must be provided to an inspector if requested. The record must include at least the following information:

- (a) full name; and
- (b) home address including postcode and details of premises of origin of the birds if different from the home address, including the CPH number; and
- (c) telephone numbers (landline and/or mobile); and
- (d) email address (if available);

STRICT BIO SECURITY

) ensure that cleansing and disinfection facilities (for example hand-washing facilities, disinfectant mats and foot-dips) are available to participants and visitors on site, and that participants adhere to good biosecurity practises
