## **SAFETY POLICY STATEMENT**

The Society's General Policy is as follows:

To conduct the Society's undertaking in such a way as to ensure so far as reasonably practicable, that persons who may be affected by its activities are not exposed to risks to their Health and Safety.

To bring to the notice of all Exhibitors, Retailers, Caterers and their Agents and Employees their duty to co-operate with the Society to ensure that this Policy is effective and to offer all necessary assistance to ensure the Health and Safety at the Show of all Exhibitors and others on the Society's Showground.

It is incumbent upon those participating or attending the Show before, during and after the Show to prevent accidents and to assist the Society in their aims by preventing accidents and abiding by the instructions given by the Officials and Stewards of the Show.

To achieve these aims, appropriate risk assessments will be carried out for the individual exhibitors and the Society's activities.

### **Emergency Procedure**

These instructions should be adhered to in the event of a major incident occurring on the Showground during Show period.

- i. The Safety Officer should be contacted immediately by public address or radio.
- ii. The Major Incident Control point will be the Secretary's Marquee.
- iii. First Aid sites are located on the Show Field. If required contact should be made with the nearest Paramedic personnel.
- iv. Gate Stewards will assist Emergency vehicles to the scene of the incident.
- v. Casualty Centre has been identified as the Sponsors Area
- vi. Should total evacuation of the Showground be required the Safety Officer will enlist the help of all Stewards to ensure that this is done in an orderly fashion via the Main Entrances.

### **Reporting of Injuries and Dangerous Occurrences (Riddor)**

Any accident or incident must be reported to the Show Safety Officer immediately. The Safety Officer will investigate all incidents and liaise with the appropriate enforcing authority and show organisers. All accidents will be recorded in the Society's accident book.

### **Responsibilities for Health and Safety**

The Society has overall responsibility for all aspects of Health and Safety and shall require everybody under its control to be familiar with regulations, codes of practice and the society's procedure for ensuring the safe working conditions on the Society's premises.

## **Safety Advisory Committee**

The Safety Advisory Committee shall be responsible for:

- i. Providing guidance and advice on health and safety matters
- ii. Liaising with all statutory and external authorities and other appropriate organisations
- iii. Investigating and recording all accidents
- iv. Briefing and training all officials and stewards on the emergency procedure prior to show day

The Safety Officer shall co-ordinate health and safety and take charge of emergency and major incidents in the Showground.

## **Organisers, Trade Stand Personnel, Contractors**

Organisers, Trade Stand Personnel, Contractors, and their respective employees as well as Estate Owners and their Agents are responsible for ensuring that:

- i. Everything reasonably practicable is done to ensure the Health, Safety and Welfare of those attending the Show.
- ii. They conduct themselves, so that they do not put themselves or anyone else at risk.
- iii. The access to and egress from the site is safe and unobstructed.
- iv. Members of the Public and Competitors are equally responsible for ensuring that they do not put other persons at risk and that they co-operate with the organisers in compliance with Health and Safety legislation.

## **Health and Safety Arrangements**

- a. Electricity. The position and routes of overhead, underground and temporary electrical cables and distribution systems will be agreed, evidence of recent examination and test certificates for electrical installations and apparatus will be obtained for show ground installations and from individual exhibitors; earthing and earth leakage protection will be provided as necessary.
- b. Generators must be positioned well clear of tentage and any other flammable materials.
- c. Liquid Petroleum Gas. Trade Stand personnel and Caterers with LPG appliances should have these examined and tested by a competent person.
- d. Machinery should only be used by competent people; loaned equipment should be fully serviceable. Plant and machinery should only be operated after adequate safety precautions have been taken. Chainsaw operators should be correctly clothed and equipped. Chains should be of adequate strength and attached to the towing tractor below the axle.
- e. Animals. Routes used by Horses, Public and Vehicles will, as far as possible, be kept separate. Horses are not allowed into the Trade Stand and Catering areas. Dogs should be always kept on a lead and children must be supervised by an adult.
- f. Safety Information. Warning notices and signs are prominently displayed.
- g. Toilet and Washing Facilities. Adequate provision has been made for the expected number of visitors.
- h. Food Hygiene. Caterers are responsible for complying with Local Authority Environmental Health Department Legislation/Food safety act.
- i. Licensing for Alcoholic Refreshment. Licences are held for alcohol sale.

If any person attending a Show fails to comply with the reasonable requirements relating to Health and Safety at the Show, then the Society will have the right to eject that person from the Show.

If Society officials fail to take adequate action where a breach comes to their notice, then they could perhaps find themselves, albeit unwillingly, in the position of condoning a breach of the regulations.

All persons attending the Show whether they be Officials, Competitors or Members of the Public must comply with the Health and Safety Regulations.

### **SPECIAL REGULATIONS APPLYING TO ALL HORSE ENTRIES**

1. Any person riding a horse anywhere on the showground is required to wear a hard hat of a standard approved by their appropriate governing body and ensure that the chin strap is fastened.
2. Horses must remain in the horse section, horse walks and judging areas only.
3. Stallions/colts may not be led nor ridden by any Junior who has not attained their 14th birthday by 1st January in the current year in any class.
4. The onus is on every rider who suffers a fall, or anybody who suffers an injury whilst on the showground, to report the fall/injury to the Secretary.

See back of schedule for show rules and regulations.
