CHAMPION BLACKSMITHS OF THE YEAR

www.championblacksmiths.co.uk

Conditions Governing the Blacksmiths of the Year Competitions

1. The awards will be given annually.
 2. Only Shows authorised by the Committee are permitted to hold qualifying heats. At present the following shows are authorised:

Hereford NBCC Judging Seminar	North Somerset
Devon County Show	Royal Cornwall Show
Royal Three Counties	Royal Welsh Show
New Forest & Hampshire Show	Edenbridge & Oxsted
Dorset County Show	
 3. Shows taking part in the qualifying heats must select at least one Judge from the current official list of accredited Judges issued by the Worshipful Company of Blacksmiths. That Judge will act as the final arbiter of the winners of the qualifying heats for both awards.
 4. The marking system and cards issued by the NBCC in conjunction with the Worshipful Company of Blacksmiths must be used by all Judges when assessing competition entries.
 5. Points will be awarded at each of the authorised shows as follows:

Winner of Championship	10 points
Runner up (Reserve Champion)	4 points
- Competitors may enter more than one piece at a show, but all the entries must be judged and marked individually. Marks for several entries cannot be averaged or aggregated.
6. The Blacksmith resident in the UK gaining most points in the Static competitions will be declared "National Static Champion Blacksmith". The blacksmith gaining the most points throughout the year in the live forging competitions will be declared "National Live Champion Blacksmith".
 7. Competitors may enter pieces for more than one show, and it is not necessary for the same piece to be entered for each show, but entries must not have won an NBCC award in previous years.
 8. In the event of a tie, after all the qualifying shows have taken place, the Blacksmith gaining the highest number of first prizes at the approved Shows will be declared the winner.
 9. The Champion Live Blacksmith of the Year (Static and Live) will be awarded a challenge trophy, which they hold for one year and a plaque. The WCB will make equal payments to both Static and Live competition champions and equal payments to Static and Live Reserve champions.
- The National Static Champion Blacksmith and the National Live Champion Blacksmith of the Year will be presented at the Awards Lunch of the Worshipful Company of Blacksmiths.
- The Trophy for the Blacksmith of the Year must be returned to the Clerk of the Worshipful Company of Blacksmiths by 1 October of the year following the one in which the awards are made.
10. Organisers of the authorised Shows must return the official form provided by the NBCC giving the names and addresses of the Winner and Reserves of the competitions as soon as possible after the Shows to:

The Secretary of the NBCC, Mr Keith Mahoney, 43 The Pound, Chippenham, Wiltshire, SN12 2HF

Photographs of the winning piece in these competitions and of the piece made by the runner up should be sent to the secretary of the NBCC with the forms or as soon as possible after the event.

The Worshipful Company of Blacksmiths wishes to encourage the work of Smiths. They are prepared - as a separate activity from the Competition - to judge work submitted by Smiths at the Show for assessment for one of the Worshipful Company of Blacksmith's Awards.

Thus the Smiths can, not only enter for a prize, but could gain an award which is a professional qualification regardless of the outcome of the Competition. The work must be judged by a Member of the Worshipful Company of Blacksmiths' official panel. The judge at the Devon County Show is always chosen from the list.

Further details of this scheme can be obtained from:

Mr Martin Heath, Clerk to the Worshipful Company of Blacksmiths, 9 Little Trinity Lane, London EX4V 2AD
