- 2 The display is judged out of a total of 35 points, split into 25 points for the colour, form, condition, quality and freshness of the flowers on display, and 10 points for the overall presentation and effects of the flowers in the vase. The vase will be viewed from all directions. Judging of flowers should be to the normal rules used for other classes.

NOTES FOR EXHIBITORS AND JUDGES

- Flowering stems can be taken from ANY flowering plant. • The different kinds of plants need to be taken from different genera. For instance, pinks, carnations and sweet william - which are all dianthus - would not be classed as different kinds.
- Use only fresh, home-grown flowers. No dried or silk flowers allowed.
- A vase, by definition, is any vessel that can be used to hold cut flowers and which is taller than it is wide at its widest point.
- The Best Vase class is open for anyone to enter and is not intended purely for growers who regularly display in single species classes at shows. • Judges should use their discretion when judging the Top Vase class bearing in mind that the entries may come from inexperienced exhibitors. • Please note that the display has to be viewed all round. • The points awarded should be clearly marked by the judges on the exhibitors' cards. • Any queries that may arise, regarding anything other than the above rules, should be referred to, and decided by, the show officials. The way he loves his wife
Every minute of the day
He guards her with his life

She, like him is dressed to kill
In stiff and steely prickles
And when they kiss, there bubbles up
The laughter of the tickles
