ANIMAL HEALTH, WELFARE AND MALPRACTICE

18. The Animal Welfare Act (2006) requires all responsible persons to provide a duty of care to the animals regardless to location. Instances of compromised animal welfare or evidence of unnecessary animal suffering should be reported immediately to show officials. The HAS and associated Show Veterinary Officers reserve the right to summon animal health officials if deemed necessary.

All animals ridden anywhere on the Showground, rings or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern.

Every Exhibitor of Horses shall be liable to pay the HAS a sum not exceeding £100 and for liquidated damages, if any animal sent for exhibition is, in the opinion of any of the Show Veterinary Officers, affected with any contagious or infectious disease including ringworm, or with any form of disease likely to prove dangerous or detrimental to other animals and for each and every such case, if more than one. The aforesaid animal(s) will be disqualified and subject to movement restrictions must be removed immediately from the Showground.

The Society will not tolerate the administration to show exhibits (entered either for competition or sale/demonstration) of tranquillisers or other drugs which may in any way affect the performance of the animal in question to have the effect of making it behave in the show ring in a manner which is not natural. The Society reserves the right to take any necessary samples. Any Person or Exhibitor (or his representative) who is found to have administered or permitted the administration of any such tranquilliser or drugs to any Show exhibit will be reported to the Organising Committee, and dealt with at their discretion. In addition the matter will be referred to the appropriate Breed Society or Organisation.

Any artificial contrivance or device of any description found on or proved to have been used on an animal at any time whilst that animal is in the Showground, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a prize, and any prize awarded prior to discovery will be forfeited. The Instigator or the Owner of the said animal may be prohibited from again entering stock for any of the Society's Shows, for such period as the Committee may see fit. For the purpose of this Regulation, the term 'improper practice' shall be held to include setting of teats, and generally any other practice including tampering or of their own or any other animal by the exhibitor or any other person which results in the animals being shown other than in a natural state, and the Society reserves the right to have all animals inspected by the Society's Veterinary Officers, either prior to, during, or after judging.

VETERINARY CHARGES

19. Exhibitors are liable for any costs incurred should treatment be required from the Show Veterinary Officers. It is also a condition of entry that the Show Veterinary Officers may on their own authority give any emergency treatment as they consider appropriate in the event that the owner or their representative cannot be located.

SUBSTITUTION OF JUDGES

20. The HAS reserves the right to substitute other Judges for those printed in the Schedule or to make additional appointments, both without notice.

JUDGES' AWARDS

21. No person but the Stewards and authorised Officials shall enter any of the rings or have any communication with the Judges during the time judging is taking place. All Exhibitors or their staff acting in opposition to this rule shall forfeit such prizes as may be awarded to their exhibits. The Judges are instructed to withhold any prizes where the entry is not of sufficient merit. In all cases where the prizes are offered conditionally, they may be withheld until the Exhibitor has proved to the satisfaction of the HAS that the

conditions have been complied with.

SHOW RADIUS

22.
