No open fires/flammable containers are permitted and no oil, cooking stove or barbecue of any description may be lit in the marquees or stock lines. 19. All electrical equipment used by Exhibitors must be in good condition and safe working order, it is highly recommended that such equipment has been PAT tested within the past 12 months. Multipoint adapters are prohibited and no electrical equipment to be left on or unattended. (We understand the use of hairdryers is imperative to enhance the appearance of your animals but these do create a fire risk. Under no circumstances are these to be left on straw, hay or any other combustible material switched on or off as these remain hot for some time after use).

ANIMAL HEALTH, WELFARE AND MALPRACTICE

20. The Animal Welfare Act (2006) requires all responsible persons to provide a duty of care to the animals regardless to location. Instances of compromised animal welfare or evidence of unnecessary animal suffering should be reported immediately to show officials. The HAS and associated Show Veterinary Officers reserve the right to summon animal health officials if deemed necessary.

Every Exhibitor of Livestock or Horses shall be liable to pay the HAS a sum not exceeding £100 and for liquidated damages, if any animal sent for exhibition is, in the opinion of any of the Show Veterinary Officers, affected with any contagious or infectious disease including ringworm, or with any form of disease likely to prove dangerous or detrimental to other animals and for each and every such case, if more than one. The aforesaid animal(s) will be disqualified and subject to movement restrictions must be removed immediately from the Showground.

The Society will not tolerate the administration to show exhibits (entered either for competition or sale/demonstration) of tranquillisers or other drugs which may in any way affect the performance of the animal in question to have the effect of making it behave in the show ring in a manner which is not natural. The Society reserves the right to take any necessary samples. Any Person or Exhibitor (or his representative) who is found to have administered or permitted the administration of any such tranquilliser or drugs to any Show exhibit will be reported to the Organising Committee, and dealt with at their discretion. In addition the matter will be referred to the appropriate Breed Society or Organisation.

Any artificial contrivance or device of any description found on or proved to have been used on an animal at any time whilst that animal is in the Showground, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a prize, and any prize awarded prior to discovery will be forfeited. The Instigator or the Owner of the said animal may be prohibited from again entering stock for any of the Society's Shows, for such period as the Committee may see fit. For the purpose of this Regulation, the term 'improper practice' shall be held to include setting of teats, and generally any other practice including tampering or of their own or any other animal by the exhibitor or any other

person which results in the animals being shown other than in a natural state, and the Society reserves the right to have all animals inspected by the Society's Veterinary Officers, either prior to, during, or after judging.

VETERINARY CHARGES

22. Exhibitors are liable for any costs incurred should treatment be required from the Show Veterinary Officers. It is also a condition of entry that the Show Veterinary Officers may on their own authority give any emergency treatment as they consider appropriate in the event that the owner or their representative cannot be located.

In the event of a class being divided, prize money will be awarded according to the number of entries forward in each sub-section.

Joint protests will only be accepted if accompanied by a deposit from each individual who is lodging a complaint. The protest will be considered and investigated by a panel appointed by the HAS, whose decision shall be final and from which there shall be no appeal. If the protest is not substantiated, the deposit will be forfeited.

ALTERATION OF AWARDS

28. In case of any protest or otherwise, whereby any prize animal becomes disqualified, the winner of the next succeeding prize in that class shall take the prize that has been awarded to such disqualified animal. All other prize winners will then move up the order.

PENALTIES

29. An infringement of any of these or any other prescribed Regulations or Conditions will subject the Exhibitor to the forfeiture of any prize to which they may be entitled (in addition to all other consequences attaching to such infringement). The HAS reserves to itself the right to inform other organisations of any decision it may come to concerning an Exhibitor.

LIABILITY AND INSURANCE

30. Save for the death or personal injury caused by the proven negligence of the HAS, its Officers, Staff or Agents, the HAS will not be responsible for death, injury, disease, damage, theft or loss caused to any Exhibitor or to his or her staff or agent or to any animal, article, plant, vehicle, machinery or thing of whatever nature brought onto the HAS's premises by the said Exhibitor from whatever cause the death, injury, disease, damage, theft or loss arises. Save as aforesaid the Exhibitor shall indemnify the HAS against all claims, damages and expenses whatsoever in any way arising out of the presence of the Exhibitor, his staff, agents, exhibits, vehicles or equipment on the HAS's premises and shall assume full responsibility therefore.
