Attention may well be paid to the Driver and passenger's costumes, but fancy dress or period costume is definitely barred. The whole object of this Class is to establish which turnout presents the most pleasing picture and normal judging criteria do not apply. It is judged from a distance and vehicles are not closely inspected. A Private Driving Vehicle is a carriage that is designed and manufactured to resemble as faithfully as possible a vehicle built to the design of a carriage builder before the 20th Century, in the style and methods of those times. It's construction may include modern materials, but it's overall appearance must reflect the original styling and profile including leaf springs. Metal wheels, Pneumatic tyres, Show Wagons and Trade Vehicles are barred. Class 31 offers a £25 appearance prize for each eligible exhibitor and is free to enter. There will be only one £20 prize winner for best entry. Only entries in Class 29 are eligible.
