#### JUDGING

Only the Stewards and authorised officials including the official photographer shall enter any of the rings or have any communication with the Judges during the time the judging is taking place. All participants acting in opposition to this rule shall forfeit such prizes as may be awarded to their exhibits.

The Judges may withhold any prize where there is evident want of merit. Where there is only one entry shown in a class, the judges may award the first, second, third or fourth prize according to the merit of that entry.

Once a class has started, late competitors will only be allowed entry into the ring if the Judge is prepared to accept them.

Exhibitors are particularly requested to note the name of the Judge appointed for the classes they wish to enter and are advised, in the interests of all concerned, not knowingly to enter an animal bred by or that has been owned by the Judge appointed.

Should there be an unforeseen change of judge then the exhibitor should stand down from that class and entry fees will be refunded or advise the Chief Steward before judging commences so

that a referee may be appointed. The Society will have made every effort to inform exhibitors of a change in judge.

In the event of a judge knowingly encountering an animal in which he/she has had a past or present financial or breeder interest, the Society will arrange for the placement of that animal by another judge.

The decision of the Judge is final.

Exhibitors must ensure that they are wearing the correct number for each animal whilst in the ring. Cattle exhibitors must wear both sets of numbers for each animal.

Livestock will be paraded at the discretion of the Stewards and exhibitors are requested to see that sufficient stockmen are in attendance for this purpose. All exhibitors must ensure that at least one animal is taken out on parade by attendants in white coats when requested or appearance money will be forfeited. If a trophy is not being presented any animal can be taken out on parade.

All Champion winning animals must be taken on parade, failure to do so may result in a forfeit of that Championship place and the prize awarded to the Reserve Champion animal. For this reason, all Reserve Champions should also be ready to take part in the Grand Parade.

Any prize winner who fails to parade without authority loses any appearance money unless a certificate is produced signed by a Veterinary Surgeon or a substantial reason is forwarded in writing and handed to the Chief Steward responsible for the

Parade giving such reasons. The Chief Steward will report to the Show Manager, whose decision shall be final as to the forfeiting of any appearance money.

All handlers under the age of 18 must be supervised if they wish to take part in the Grand Parade

All protests must be delivered to the Show Manager before 5.00pm on the day of judging. After that hour no protest will be received unless a special and satisfactory reason can be given for the delay. A Council meeting will be called to consider any such protests at 10.30am on the following day at which time any person making a protest, or their authorised agent must be available to answer questions if required. Protests lodged against awards made on the third day of the Show will be considered at a time and place which will be fixed by the Council. The decision of the Council shall be final.
