MONDAY AFTERNOON, 21ST DECEMBER - 1140 hrs approx

CLASS 19 - THE PONY CLUB MINI-MAJOR

A relay for teams of two members each, by invitation only.

The competition is judged under Table C and the starting order must be drawn.

Start height: 0.90m

2 seconds will be added for each obstacle knocked down by either horse and pony and added to the pony's time. The horse's round is not timed.

The course will consist of 12 obstacles, the first six to be jumped by the horse, the second six by the pony.

All members of the team enter the arena together.

The horse jumps obstacles 1 – 6 which is not against the clock. The pony may cross the start line for it's part of the course (obstacles 7 – 12) once the horse lands with its forefeet over obstacle no.6.

Three refusals by the horse or three refusals by the pony (but not cumulative by both) and/or fall of horse/pony and/or rider incurs elimination.

The first competitor of each team (the horse) is only required to cross the starting line for his/her section of the course. However, the last competitor (the pony) of each team is required to cross both the starting line and the finishing line for his/her section of the course.

The team time is the time from the pony competitor crossing the starting line for it's part of the course to the pony competitor crossing the finishing line, minus interrupted time plus time penalties.

Please do not arrive on site if you are at all concerned about the health of your horse or pony before leaving home. If, upon arrival, you are concerned about anything, please speak to an official who will raise one of the Veterinary Team to assist you and make a decision about whether access to the site will be permitted. Please take great care with all your tack and anything associated with your horse/pony and ensure that there is no contact or possibility of cross contamination with other entrants and their belongings.

We are requesting for all horses' competing in national competitions at the show to complete and bring with them the BEF Equine Health Status Declaration for Competition form, which we will provide competitor's with their notes on the run-up to the Show.

6. EXERCISING AND WORKING IN

The welfare of all equine competitors participating at the Show is of paramount importance to the London International Horse Show Committee. The Show will be strictly enforcing that all Riders should be of an appropriate size and weight for the horse/pony being ridden in the International Arena and collecting ring. Riders deemed oversized for their mount will be asked to dismount by a Show Official or Steward; and may be ineligible to compete as a combination.

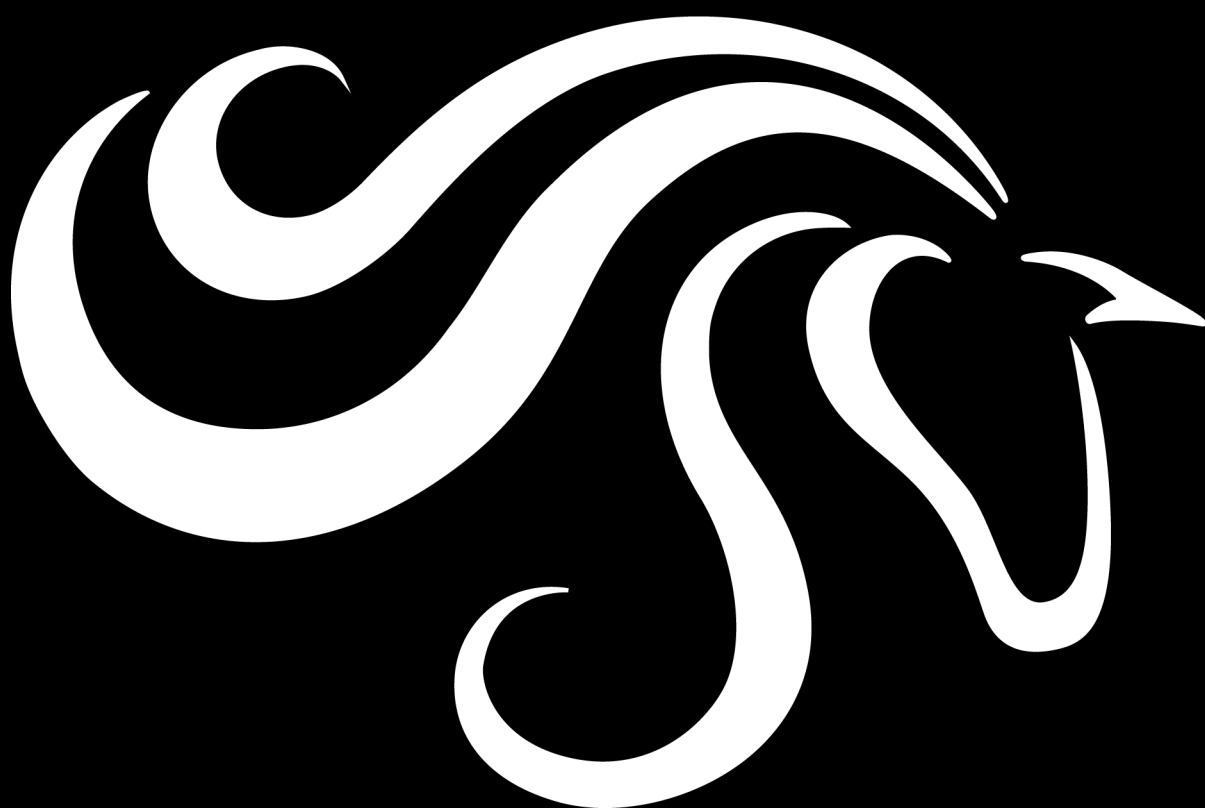

An overweight or underweight animal would be of concern under veterinary grounds. Following veterinary advice from the Show's onsite Veterinary Team the Rider may be asked to dismount the animal, and under these circumstances the animal may not be eligible to compete at the Show.

7. ABUSIVE BEHAVIOUR

No competitor shall behave in an offensive or abusive manner to any Judge/Show Official. The Show Committee reserves the right to disqualify offenders from taking part in the Show.

8. COMPETITION

No competitor will be allowed to compete the same horse/pony in the International Arena and the The Thomas Family London Arena on the same day. If an entry is submitted via the relevant Showing Society for an International Arena class, the entry in the London Showing Series class will automatically be withdrawn and refunded.
