

Vintage Tractor & Machinery Display

Vintage Tractor & Machinery Display

The Nantwich Show is delighted to once again feature a superb display of vintage tractors and agricultural machinery, celebrating the engineering heritage that helped shape farming across Cheshire and beyond.

Lovingly restored and carefully preserved by dedicated enthusiasts, these wonderful machines are always a highlight for visitors. The section provides a fantastic opportunity to showcase your classic machinery and share it with the thousands of people who attend the Show each year.

Exhibitors are invited to bring along their vintage tractors and machinery and take part in this popular display.

As space is limited, entries are accepted on a first-come, first-served basis.

Entries close on 15 July or earlier if capacity is reached.

→Schedule
