TICKETS AND PASSES

37. A reasonable allocation of admission tickets and vehicle passes, relating to the type and number of animals entered, will be sent to all Exhibitors. This allocation is only intended to relate to those preparing, handling or riding animals. Admission tickets for additional guests may be purchased prior to the Show at the reduced rate of £23.50 for adults and £5.00 for children.

Any additional passengers will be charged on arrival at the Showground. Exhibitors are asked to take advantage of the reduced rate ticket facility to avoid delay on arrival. ALL additional passengers/guests MUST purchase admission tickets, irrespective of the time of arrival at the Showground, i.e. from 14.00hrs on the Monday prior to the Show.

SUITABLY MOUNTED

38. All animals ridden anywhere on the Showground, rings, collecting rings or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating

under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern. Stewards of the New Forest & Hampshire County Show will be monitoring the Equine Areas and have the power to ask riders deemed too large to dismount. If riders re-mount after being approached by the Steward, they will be disqualified. Only riders competing in the relevant class may be in the Collecting Ring.

SENSORY WHISKERS

39. Are the hard hairs located on the horse's muzzle and around the eyes, also known as 'whiskers' that are used for sensation. It is recommended that horses should not have whiskers trimmed or removed (other than for veterinary purposes or with a vet's certificate). Brood Mares, foals and youngstock must present with not evidence of whiskers or sensory hairs having been removed.

EQUINE OBESITY

40. Must be avoided and all horses/ponies exhibited should be fit for purpose for the event or class they are competing in. Having a horse/pony which is obese is extremely detrimental to its welfare and animals carrying too much fat are at a significantly increased risk of developing serious health and welfare issues.

EQUINE INFLUENZA

41. Equine Influenza and Tetanus vaccinations are a compulsory requirement for all horses attending the New Forest & Hampshire County Show. The requirement for the first 3 vaccinations is as follows: the first 2 vaccinations 21 – 60 days apart, a third booster between 120 - 180 days, and an annual booster vaccination within 365 days thereafter. No horse should enter competitions within 7 days of an EI vaccinations. Foals should commence vaccinations at 6 months old and must have received two primary vaccinations before attending the Show. Foals 6 months old and under are exempt. This Rule may be subject to change from guidance from the FEI/BEF and changes will be notified via the Showing Council and ASAO websites. Spot checks will take place over the Show.

A valid record of vaccination must be available on request either at entry to the Showground or at any time during the Show. Failure to produce evidence of vaccination may result in refusal of entry or immediate removal from the Showground.

Please note that neither vaccination certificates nor passports should be sent to the Show Office prior to the event. However, random checks will be carried out on the Showground.
