Please see conditions on the reverse of the prize money card.

#### TICKETS AND PASSES

37. A reasonable allocation of admission tickets and vehicle passes, relating to the type and number of animals entered, will be sent to all Exhibitors. This allocation is only intended to relate to those preparing, handling or riding animals. Admission tickets for additional guests may be purchased prior to the Show at the reduced rate of £23.50 for adults and £5.00 for children.

Any additional passengers will be charged on arrival at the Showground. Exhibitors are asked to take advantage of the reduced rate ticket facility to avoid delay on arrival. ALL additional passengers/guests MUST purchase admission tickets, irrespective of the time of arrival at the Showground, i.e. from 14.00hrs on the Monday prior to the Show.

## SUITABLY MOUNTED

38. All animals ridden anywhere on the Showground, rings, collecting rings or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern. Stewards of the New Forest & Hampshire County Show will be monitoring the Equine Areas and have the power to ask riders deemed too large to dismount. If riders re-mount after being approached by the Steward, they will be disqualified. Only riders competing in the relevant class may be in the Collecting Ring.

## SENSORY WHISKERS

39. Sensory hairs are the hard hairs located on the horse's muzzle and around the eyes, also known as 'whiskers' that are used for sensation. It is recommended that horses should not have whiskers trimmed or removed (other than for veterinary purposes or with a vet's certificate). Brood Mares, foals and youngstock must present with no evidence of whiskers or sensory hairs having been removed.

## EQUINE WELFARE

40. Welfare is of paramount importance and all riders should be of an appropriate size and weight for the horse/pony being ridden (anywhere on the showground, exercise areas or vehicle parks, day or night). The Show reserves the right to take further action against any competitor or exhibitor whose animal is being ridden (anywhere on the showground, exercise areas or vehicle parks, day or night) by anyone whose size or weight compromises the welfare of the horse/pony being ridden; this would be based on the recommendations of the onsite veterinary team, who will use the 20% ratio as a guideline (this means the combined weight of rider plus their saddle should be less than 20% of the animal's weight). This would be based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern.

Equine Obesity - Must be avoided and all horses/ponies exhibited should be fit for purpose for the event or class they are competing in. Having a horse/pony which is obese is extremely detrimental to its welfare and animals carrying too much fat are at a significantly increased risk of developing serious health and welfare issues.

## DISPLAYING OF CATALOGUE NUMBERS

41. All riders/handlers MUST display their animal's official catalogue number at all times when riding or working their animal anywhere on the showground, exercise areas or vehicle parks, day or night. Anyone without an officially issued number may not enter the class and may be asked to leave the showground. Spoiled or damaged numbers can be replaced at the Show Office. **HAND-WRITTEN NUMBERS ARE NOT PERMITTED.**

## EQUINE INFLUENZA

42. Equine Influenza - All equines (horses, ponies, donkeys) attending the Show must have been vaccinated for Equine Influenza. Equines may attend having received the primary course, and prior to the first booster, but not within 7 days of receiving a vaccine dose. The primary course is 1st vaccination and then 2nd vaccination 21 - 92 days later. This should be followed by the first booster (150 - 215 days) and all subsequent boosters. Equines must have been vaccinated within the 6 months prior to the Show. Foals - In-foal mares that have already had vaccinations of primary Equine Influenza course should be vaccinated 4-6 weeks before the foal is due to be born. Foals should be vaccinated for Equine Influenza at 6 months to commence their primary course.

This Rule may be subject to change from guidance from the FEI/BEF and changes will be notified via the Showing Council and ASAO websites. Spot checks will take place over the Show.

A valid record of vaccination must be available on request either at entry to the Showground or at any time during the Show. Failure to produce evidence of vaccination may result in refusal of entry or immediate removal from the Showground.

Please note that neither vaccination certificates nor passports should be sent to the Show Office prior to the event. However, random checks will be carried out on the Showground.
