35. No exhibitor will be permitted access to the Showground or the horse lines prior to 14.00hrs on Monday, 27th July 2026. The Showground must be vacated by 12.00hrs on Friday, 31st July 2026.

Stewards will issue winning exhibitors a prize money card which can be redeemed on the day (or sent in after the show for payment by Cheque/BACS). Please see conditions on the reverse of the prize money card.

TICKETS AND PASSES

37. A reasonable allocation of admission tickets and vehicle passes, relating to the type and number of animals entered, will be sent to all Exhibitors. This allocation is only intended to relate to those preparing, handling or riding animals. Admission tickets for additional guests may be purchased prior to the Show at the reduced rate of £25.00 for adults and £6.00 for children.

Any additional passengers will be charged on arrival at the Showground. Exhibitors are asked to take advantage of the reduced rate ticket facility to avoid delay on arrival. ALL additional passengers/guests MUST purchase admission tickets, irrespective of the time of arrival at the Showground, i.e. from 14.00hrs on the Monday prior to the Show.

SUITABLY MOUNTED

38. All animals ridden anywhere on the Showground, rings, collecting rings or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern. Stewards of the New Forest & Hampshire County Show will be monitoring the Equine Areas and have the power to ask riders deemed too large to dismount. If riders re-mount after being approached by the Steward, they will be disqualified. Only riders competing in the relevant class may be in the Collecting Ring.

SENSORY WHISKERS

39. Sensory hairs are the hard hairs located on the horse's muzzle and around the eyes, also known as 'whiskers' that are used for sensation. It is recommended that horses should not have whiskers trimmed or removed (other than for veterinary purposes or with a vet's certificate). Brood Mares, foals and youngstock must present with no evidence of whiskers or sensory hairs having been removed.

EQUINE WELFARE

40. Welfare is of paramount importance and all riders should be of an appropriate size and weight for the horse/pony being ridden (anywhere on the showground, exercise areas or vehicle parks, day or night). The Show reserves the right to take further action against any competitor or exhibitor whose animal is being ridden (anywhere on the showground, exercise areas or vehicle parks, day or night) by anyone whose size or weight compromises the welfare of the horse/pony being ridden; this would be based on the recommendations of the onsite veterinary team, who will use the 20% ratio as a guideline (this means the combined weight of rider plus their saddle should be less than 20% of the animal's weight). This would be based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern.

Equine Obesity - Must be avoided and all horses/ponies exhibited should be fit for purpose for the event or class they are competing in. Having a horse/pony which is obese is extremely detrimental to its welfare and animals carrying too much fat are at a significantly increased risk of developing serious health and welfare issues.

DISPLAYING OF CATALOGUE NUMBERS

41. All riders/handlers MUST display their animal's official catalogue number at all times when riding or working their animal anywhere on the showground, exercise areas or vehicle parks, day or night. Anyone without an officially issued number may not enter the class and may be asked to leave the showground. Spoiled or damaged numbers can be replaced at the Show Office. **HAND-WRITTEN NUMBERS ARE NOT PERMITTED.**

EQUINE INFLUENZA (Updated as of 19th June 2026)

42. Following recent veterinary advice and the continued monitoring of Equine Influenza cases, we would like to remind all exhibitors, competitors, and attendees of the Show's Equine Influenza vaccination requirements.

The health and welfare of all equines attending the Show remains our priority, and these measures are intended to help minimise the risk of disease transmission and protect the wider equine community.

All owners, handlers, and competitors are asked to carefully review the information below and ensure that their equines fully comply with the requirements prior to arrival at the Showground.

Equine Influenza

All equines (horses, ponies, and donkeys) attending the Show must be vaccinated against Equine Influenza.

The primary vaccination course consists of three vaccinations:

- First vaccination.
- Second vaccination administered 21-60 days after the first vaccination.
- Third vaccination administered 120-180 days after the second vaccination.

Equines may compete after receiving the second vaccination of the primary course, provided that at least 7 days have elapsed since the vaccination.

Following completion of the primary course, equines must receive booster vaccinations in accordance with current veterinary guidance. Equines attending the Show must have received a vaccination within the 6 months prior to the Show. No equine may attend or compete within 7 days of receiving any Equine Influenza vaccination.

Foals

Foals under the age of six months being shown at foot with mares can enter the showground without being vaccinated themselves, subject to the mare complying with the above rules prior to foaling, so sufficient influenza antibodies will have passed to the foal in the colostrum.

In-foal mares that have already completed their primary Equine Influenza vaccination course, a booster vaccination 4-6 weeks prior to foaling is recommended. However, mares that have not received this booster remain eligible to compete, provided they completed the primary vaccination course before foaling.

Foals should commence their primary Equine Influenza vaccination course at 6 months of age.

Additional Information

The vaccination requirements may be subject to change in line with guidance issued by the relevant governing bodies. We will continue to monitor the situation closely in the lead-up to the Show and will communicate any updates as necessary.

All equines will have their microchips checked to ensure they correspond with both the animal and its passport. Vaccination records for horses, ponies and donkeys will also be verified to ensure they are present, up to date, and match the relevant animal.

We ask that your equines temperature is checked before leaving your premises. If your equine has an elevated temperature or is displaying any signs of illness, you must not bring it to the Show.

Please note that additional checks will be carried out upon arrival at the Showground. These will include verification of passports, submission of a signed health declaration form which will need to be completed prior to arrival and inspection of equines entering the Show. These checks will be conducted prior to the unloading of any horses, ponies, or donkeys so please allow additional time for this process.

If any entry found without a valid in-date vaccination record or a passport that can identify the equine will be refused entry into the showground and this refusal will then also apply to any other equines in the same vehicle or trailer, even if they are compliant.

A valid record of vaccination must be available on request either at entry to the Showground or at any time during the Show. Failure to produce evidence of vaccination will result in refusal of entry or immediate removal from the Showground.

Please note that neither vaccination certificates nor passports should be sent to the Show Office prior to the event.

We would also like to make you aware that competitor numbers will be available for collection once passport verification has been completed, the health declaration form has been submitted, and all equines entering the Show have undergone inspection.
