

Newbury & District Agricultural Society Ploughing Match 2025

A celebration of competition & agriculture

Visitors can enjoy the tradition of ploughing, featuring the latest state-of-the-art machinery, vintage tractors, working steam engines and the horse-drawn ploughs.

Ploughmen from across the UK, as well as young home-grown local talent, welcome with a chance to win top spot in each of their classes.

Top machinery firms will be demonstrating their latest, most up-to-date and powerful multi-furrow ploughing units used by today's farmers.

As well as the Ploughing Match, the hotly contested domestic competitions will take place with an array of homemade cakes and hedgerow liqueurs. Anyone can enter and all exhibits are auctioned off at the end of the day and proceeds go to charity.
