LIVESTOCK RULES AND CONDITIONS

1. Entries close strictly on Tuesday 4th April 2026. Telephone entries cannot be accepted. Entries will not be accepted unless remitted with full entry fees. The organisers reserve the right to refuse any entry without assigning a reason.
2. All classes are open except where otherwise stated.
3. All exhibits must be the bona fide property of the exhibitor. The ages of all animals must be reckoned to 4th May 2026 unless otherwise stated. The date of birth of all livestock must be stated on the entry form.
4. If any statement in any entry may be found to be incorrect, such entry will be cancelled. A false statement in any entry may be dealt with by the Council, although there may not have been an objection lodged against such an entry.
5. All livestock brought to the Show must be in perfect health and should not have been in contact with any animal suffering from an infection or disease. No ewe shall be exhibited which is pregnant or has lambed within 30 days of the date of the Show. Stewards are authorised to remove any animal which, in the opinion of the Honorary Veterinary Officer, should not be on the showground.
6. The Show will be run in accordance with DEFRA rules and regulations. In particular, pregnant female animals will not be considered fit for transport if they have reached the latest stage of gestation (within 10% of the estimated time of the gestation before birth) and for a period of one week after giving birth. If you have any queries, please contact your local Animal Health Office
7. Movement Licences, Passports, MV Certificates and other documentation, which DEFRA or other regulatory body may require must be available on arrival of the animals at the Show. Any exhibitor not having these to hand will be asked to leave the showground immediately. The Agricultural Holding Number for the North Somerset showground is 34/715/8001.
8. Exhibitors are to be on site by 8.00 am on Show Day and are asked to bring sufficient stockpersons for the number of animals they are bringing to the Show.
9. All exhibits must remain in their places on the showground until 4.00 pm on Show Day. Exhibitors must provide halters or chains for securing the same. The showground will be open to receive stock from 6.30 am on Show Day. Exhibitors may bring stock on 3rd May **AFTER 5pm** if they wish (please indicate on the entry form). Stock on the Showground overnight must be supervised.
10. Exhibitors are to bring their own frame and tarpaulin/cover.
11. **Straw will not be available on site. Please bring your own should you wish to.**
12. All stock will be considered and treated as being in the sole Charge and custody of the exhibitor during the whole of the Show and every exhibitor or his assistant must oversee the same. The organisers will not be responsible for, or in respect of, any loss, damage or injury, arising from accident or any other cause to any persons, stock, vehicles or equipment.
13. The organisers of this Show have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the organisers, officials and stewards.
14. Exhibitors showing cattle should familiarise themselves with the guidance set out in HSE Agriculture Information Sheet No 35, available from www.hse.gov.uk
15. All competitors take part at their own risk. The landowners, organisers, sponsors or officials will not hold themselves responsible for any loss, damage, accident or injury to owners, handlers, spectators, livestock or any property or vehicle, however caused.
16. Objections must be made in writing within one hour of the incident accompanied by a deposit of £20.00 which is returnable if the objection is sustained.
17. Times of classes may vary on the day. Please keep an eye on your ring and check with your ring steward, not the Secretary, as entry fees will not be refunded.
18. Classes will be judged under the relevant Breed Society's rules and regulations. The judges' decision is final.
19. The organisers reserve the right to vary the order or composition of the schedule according to circumstances and to substitute other judges from those named or to make additional appointments as required. The organisers reserve the right to amalgamate or sub-divide any class should numbers entered justify it.

20. The decision of the organisers on any point not covered by the rules is final.
21. All trophies, unless stated, are perpetual and are to be held for the period between Shows. Trophies are to be collected on Show Day from the Secretary's Tent and must be returned clean, in good condition and in time for presentation at the 2027 North Somerset Show. Free engraving is available on Show Day from Steve's Engraving, found outside the Food Hall.
22. NB: 6-Day Standstill Rule – individually identified cattle and sheep are exempt from the 6-day standstill rule provided that they are isolated for 6 days (in a DEFRA-approved isolation unit) from all non-show animals on their resident holding before they attend their first Show. They can then move from show to show without triggering a standstill, return home between shows, and move to a further show Within 6 days provided they are kept isolated. When they return to their resident holding for the last time they will trigger a 6-day standstill on the premises unless they are isolated for 6 days. Alternatively, exhibitors may wish to isolate their whole herd, provided there are no movements on the farm within 6 days of the first show or last show. A 20-day standstill rule applies to pigs. If you have any queries on the above, please contact your local Animal Health Office.
23. The North Somerset Show is exempt from a pre-movement TB Test.
24. All entry fees stated in the Schedule are inclusive of VAT.
