### **Unloading & Parking**

On arrival, all livestock vehicles will be met by a designated steward and advised where to unload and park. Transporters of pigs are respectfully reminded that vehicles must be disinfected within 24 hours of movement of pigs and during transportation to and from the Shows; pigs must bear an identification mark.

### **Classes**

The Newark and Nottinghamshire Agricultural Society reserves the right to split or amalgamate classes once entries have closed and based on the numbers entered. Exhibitors will be notified before the show.

### **Identification**

Pigs moving to shows must comply with the identification requirements in Articles 7 & 9 of the Pigs (Records, Identification and Movement) Order 2011 ('PRIMO 2011').

### **Welfare**

No person shall cause or permit the transportation of an animal that is unfit by reason of it being in a state of being new born, diseased, infirm, ill, injured or fatigued or having given birth within the preceding 7 days, or likely to farrow during transit, or for any other reason, in compliance with the Welfare of Animals Transport Order 1997, or any other legislation which is in force at the time of this event.

### **Livestock Exhibitors Disease Control Obligations**

The health of all animals and people present during the Nottinghamshire County Show is of paramount importance to the organisers. As such, we would like to remind livestock exhibitors of their responsibilities with respect to the health of their animals.

Only fit and healthy animals should be transported to the Show. Any clinical signs of disease, however mild, detected on farm must result in the affected animal(s) remaining at home and not travelling to the Show. This is the foundation on which high levels of Biosecurity can be built on at Newark Showground. Once on the Showground, if any animals develop any signs of illness, one of the Show Veterinarians should be alerted immediately.

If we all ensure only healthy animals arrive at the Nottinghamshire County Show and if any animal becomes sick at the Show, prompt veterinary care must be sought to minimise the risk of:

- A Notifiable Disease Outbreak
- Zoonotic Infections passing from livestock to people.
- Endemic Veterinary Diseases spreading between pens/stalls.

Thank you for your cooperation and understanding.

### **31. Challenge trophies**

Cups and Trophies awarded at the Show may be collected from the Awards Office on the day of the Show and will be given out on production of a 'Trophy Collection Card'. Winners of trophies must give

the Society a written guarantee to return the cup in good condition, at their own expense by recorded delivery, to the Showground not less than six weeks prior to the next Show and that, in the event of loss, the amount of its value be made good to the Society by the holder. Exhibitors are forbidden to have any cup or trophy engraved. Any exhibitor who ignores this ruling will be charged a substantial sum to cover the cost of restitution. The Society will not be held responsible for any failure on the part of donors, or others, to produce Cups or Special Prizes offered for competition in the Schedule or Catalogue, nor will the Society accept any liability in respect of the description of Trophies and Special Prizes as printed in the Schedule and Catalogue. The Society reserves the right to prevent any cup or trophy from leaving the Society's premises.

Prize winners must insure their cup or trophy whilst in their possession.

## Judging

### 32. Judges

The Judges are instructed to withhold prizes where the entry is not of sufficient merit and, in awarding prizes, the Judges are instructed to make their awards according to the relative merits of the exhibits for breeding purposes in breed classes. If, in the opinion of the Judges, any animal appears to be unfit for breeding purposes, the Judges shall be at liberty to have the animal examined by one of the Society's Veterinary Surgeons, whose opinion shall be considered to be final and conclusive and, if he/she so directs, the animal will be disqualified from taking a prize which might otherwise be awarded to it. No person other than a Steward or authorised Official of the Society shall enter a ring when judging is in progress, nor shall have any communication with the Judges during the time of judging. All exhibitors and their agents acting in opposition to this regulation shall forfeit such prize as may be awarded to their exhibit.

### 33. Substitution of judges

The Society reserves the right to substitute other Judges for those announced in the Prize Schedule or to make other appointments.

### 34. Change of judge

Should an exhibit be forward for competition which was either bred, or previously owned by the officiating Judge, then a referee may be introduced at the request of the Chief Steward of the Section. The onus of declaring an animal being exhibited in a class judged by a person who has had a financial interest in the animal or which has stood in his stable etc, must be on the exhibitor. The exhibitor will know who is judging from the schedule whereas the Judge will not know which animals are coming before him until he arrives in the ring. If there is an unforeseen change of judge, then the exhibitor should stand down from the class and entry fees will be refunded. Every effort will be made to inform exhibitors of a change of judge.

### 35. Parades and judging

Any exhibitor or employee refusing to bring their exhibits on parade at a specified time when requested by the Stewards to do so, shall be liable to forfeit to the Society any prize money previously awarded to the exhibits in question. All employees in charge of stock which is to be paraded must have their exhibits ready for such parade thirty minutes prior to the times of parades as laid down in the official timetable. White coats or Breed Society uniform must be worn in the Breed Judging ring and the Grand Parade. Cattle exhibitors should note that bulls should always have two handlers.

### 39. Health and safety at work regulations

All exhibitors and their handlers must comply with the Health & Safety at Work Act 1974. Exhibitors must be aware of, and conform to, the regulations in place by DEFRA at all times.

### 43. Fitness to Travel / Transport of Pregnant Animals

Animals must be fit for the intended journey prior to beginning the journey and must remain sufficiently fit throughout the travel period. This means the animal should be healthy enough to tolerate the entire journey it is about to make (including loading, unloading and any journey breaks) with no or very little adverse effect on it and the journey should not cause the animal any suffering or injury. The means of transport must be designed, constructed, maintained and operated so as to avoid injury and suffering and ensure the safety of the animals. A journey includes the period from the loading of the first animal to the unloading of the last animal. Any animal entered in the Show that is not fit to travel should be left at the holding premises. The transport of pregnant animals for whom 90% or more of the expected gestation period has already passed, or who have given birth in the previous week is prohibited. Any animal entered to which these criteria apply should not be brought to the Show under any circumstances. [Council Regulation (EC) 1/2005, implemented by The Welfare of Animals (Transport)(England) Order 2006]

### 44. Banned substances

The Society does not tolerate the administration of tranquilizers or any other form of drug to Show exhibits, whether entered for competition or demonstration, which may in any way affect the performance of the animal or have the effect of making it behave in the Show Ring or elsewhere on the Showground in a manner which is not natural. The Society does not tolerate any unfair practices. Any exhibitor, or his representative, who is found to have administered or permitted the administration of

tranquilizers or drugs to any Show exhibit will be reported to the Council of the Newark & Nottinghamshire Agricultural Society to be dealt with at its discretion and the matter will be reported to the appropriate Breed Society or organization which will render the exhibitor liable for disqualification. The Society reserves the right to insist on a drugs test to be carried out by the Society's appointed Veterinary Officer.

#### 45. Stalling of exhibits

Exhibitors and their employees must see that their exhibits are stalled or penned in the allotted place for them in accordance with their exhibit numbers, and no person shall remove or otherwise deface any notice or exhibit number placed by the Society of its Officers on the stalls or pens, nor shall any exhibit be stalled or penned in the place allotted to another exhibit and no person shall utilise a vacant stall or pen without the consent of the Steward or Chief Steward.

Any exhibitor, whose exhibit is incorrectly stalled or penned, shall forfeit any prizes awarded and shall incur a fine of £50. Exhibitors must ensure that their exhibits are securely penned.

A limited amount of straw is provided in the livestock lines. Extra bales are available to purchase at £4 each.

#### 48. Rugs and sheets

Except by special permission of the Steward of the section, no rug or sheet shall be hung up so as to conceal any animal in a horsebox, stall or pen. All sheets used for this purpose must be removed before the opening of the Show to the general public and must not be replaced until after the closing of the Show.

#### 49. Publicity

Exhibitors are allowed to promote their herd/flock with the use of signs which may not exceed 3' wide by 2' high per stall or pen. No promotional material may be placed in the gangways. Only rosettes and prize cards from the Newark & Nottinghamshire Agricultural Society may be displayed and these must be for the current year. Exhibit cards provided by the Society must be clearly displayed for each animal forward.

In the event of cancellation or termination pursuant to clause above, this Agreement shall determine automatically, and the Society shall repay to the Exhibitor all, charges and fees already paid under this Agreement (if the Show is cancelled before its commencement) or a rateable proportion of such charges and fees (if the Show is terminated after its commencement) but otherwise shall be under no liability to the Exhibitor or its sub-licensees for any loss which they may sustain in consequence of any such determination and the Exhibitor shall in the event of determination be under no liability to the Society in respect of its future obligations under this agreement (but without prejudice to any rights of either party against the other in respect of any claim accrued under this Agreement down to the date of such determination).

55. Penalties

Any infringement of any of the Regulations or Conditions printed in this Schedule will result in the exhibitor forfeiting any prize to which he/she may be entitled in addition to the consequences attaching to the infringement and the Society reserves the right to inform other Agricultural Societies and bodies of any decision it may come to regarding an exhibitor.

56. Interpretation of Regulations

The Newark & Nottinghamshire Agricultural Society reserves the sole and absolute right to interpret these or any other prescribed regulations, conditions and prize lists, and to settle arbitrarily and determine all matters, questions or difference in regard hereto, or otherwise arising out of, connected with incident to the Show.
