Maedi Visna Accredited Sheep Section

Sheep will only be allowed into the Maedi Visna accredited section on the production of a valid certificate of accreditation (SAC Form) at the time of entry to the Showground. Please include a photocopy of this certificate with your entry. Appropriate measures must be taken to prevent MVA sheep from close contact with lower category sheep. At least two metres separation must be maintained at all times. Where there has been no close contact with lower category sheep, MVA sheep returning home from the Show may re-join the flock or herd immediately. However, in the event that close contact with lower category sheep has taken place, the animals must be isolated immediately on return and classified according to the status of the contact animals. The Health Scheme Manager must be informed immediately. The animals must be tested at the owner's expense at appropriate intervals until equal status with the flock/herd of destination is reached. In order to remain in the MVA Sheep Health Scheme, an animal which has been in contact with lower category animals cannot be removed from the premises

until all the respective testing has been completed and negative results obtained, unless prior permission of the Scheme Manager has been obtained.

This is a DEFRA approved show for Scrapie monitored sheep. Ewes in-lamb are not eligible for entry and nursing ewes must have lambed at least 30 days prior to the Show. Sheep scab

Exhibitors must comply with sheep scab regulations in force at the time of the Show.

Docking

The Mutilation (Permitted Procedures) (England) Regulations 2007 Schedule 5.5. In all cases sheep must have enough of the tail retained to cover the vulva of the female sheep and the anus of the male sheep. Any sheep which do not comply with the aforementioned legislation will not be eligible to be shown in the judging ring.

Livestock Exhibitors Disease Control Obligations

The health of all animals and people present during the Nottinghamshire County Show is of paramount importance to the organisers. As such, we would like to remind livestock exhibitors of their responsibilities with respect to the health of their animals.

Only fit and healthy animals should be transported to the Show. Any clinical signs of disease, however mild, detected on farm must result in the affected animal(s) remaining at home and not travelling to the Show. This is the foundation on which high levels of Biosecurity can be built on at Newark Showground. Once on the Showground, if any animals develop any signs of illness, one of the Show Veterinarians should be alerted immediately.

If we all ensure only healthy animals arrive at the Nottinghamshire County Show and if any animal becomes sick at the Show, prompt veterinary care must be sought to minimise the risk of:

- A Notifiable Disease Outbreak
- Zoonotic Infections passing from livestock to people.
- Endemic Veterinary Diseases spreading between pens/stalls.

Thank you for your cooperation and understanding.

Diseased Animals

24. Animals suspected of, or suffering from disease

Every exhibitor shall indemnify the Society against all actions, claims, proceedings and demands by any person, company or other representative body of whatsoever nature in respect of any matter, directly or indirectly connected with the bringing onto the Society's Showground of any animal which may have been suffering from any contagious or infectious disease or which develops such a disease whilst on the Showground and, in addition, the exhibitor shall pay all costs and expenses incurred by the Society in connection with any such claim. The Society's Veterinary Officers are authorised to refuse permission for any animal to be admitted to, or have removed from, the Showground any animals affected with contagious or infectious disease. The exhibitor of such animal may obtain a certificate from the Veterinary Officer, stating the nature of such disease or infection. The onus of proving the freedom of any such animal from contagious or infectious disease shall rest on the exhibitor of the animal concerned.

Awards

25. Prizes

Prizes will be awarded on the scales shown at the beginning of each entry section.

26. Rosettes

No animal will be allowed to wear a rosette or ribbon other than those issued by the Society. No rosette or ribbon may be displayed during judging which has been awarded in a previous class.

27. Conditional awards

In all cases where prizes are offered or awarded conditionally, they will be withheld until the exhibitor shall have proved to the satisfaction of the Council that the conditions have been complied with.

28. Protests

Any Exhibitor wishing to lodge a protest having reference to livestock or horses exhibited at the Show must make the same in writing to the Society Office and must deposit a sum of £50. All protests must be delivered at the Society Office on the Showground before 3pm on the day on which the protest shall have been made, or in the case of an award judged later than that time, then within one hour of the completion of the judging of that section, and no protest will be accepted subsequently unless a satisfactory reason be assigned for the delay. Protests will be considered by the Chief Steward of the Section concerned in consultation with the section stewards. If the Chief Steward is unable to resolve the protest, then he/she will refer the matter to the Society's Appeals Committee. The decision of the Appeals Committee shall be final and if the protest is not substantiated then the deposit will be forfeited. The animal, to which the protest refers, must remain on the Showground until permission to leave has been obtained from the Show Office in writing. The Society reserves the right to refer any objection to any authority or organization to adjudicate, wholly or in part, in respect of an objection, on behalf of the Society.

29. Alteration of awards

In case of any protest made in accordance with Regulation 29 whereby any prize animal becomes disqualified, the winner of the next succeeding prize in that class shall take the prize that had been awarded to the disqualified animal. This applies to all prizes awarded.

30. Payment of prize money

Prize money can only be paid by bank transfer following the Show. Bank details are required (on entry forms) for any monies to be paid out.

31. Challenge trophies

Cups and Trophies awarded at the Show may be collected from the Awards Office on the day of the Show and will be given out on production of a 'Trophy Collection Card'. Winners of trophies must give the Society a written guarantee to return the cup in good condition, at their own expense by recorded delivery, to the Showground not less than six weeks prior to the next Show and that, in the event of loss, the amount of its value be made good to the Society by the holder. Exhibitors are forbidden to have any cup or trophy engraved. Any exhibitor who ignores this ruling will be charged a substantial sum to cover the cost of restitution. The Society will not be held

responsible for any failure on the part of donors, or others, to produce Cups or Special Prizes offered for competition in the Schedule or Catalogue, nor will the Society accept any liability in respect of the description of Trophies and Special Prizes as printed in the Schedule and Catalogue. The Society reserves the right to prevent any cup or trophy from leaving the Society's premises.

Prize winners must insure their cup or trophy whilst in their possession.

Judging

32. Judges

The Judges are instructed to withhold prizes where the entry is not of sufficient merit and, in awarding prizes, the Judges are instructed to make their awards according to the relative merits of the exhibits for breeding purposes in breed classes. If, in the opinion of the Judges, any animal appears to be unfit for breeding purposes, the Judges shall be at liberty to have the animal examined by one of the Society's Veterinary Surgeons, whose opinion shall be considered to be final and conclusive and, if he/ she so directs, the animal will be disqualified from taking a prize which might otherwise be awarded to it. No person other than a Steward or authorised Official of the Society shall enter a ring when judging is in progress, nor shall have any communication with the Judges during the time of judging. All exhibitors and their agents acting in opposition to this regulation shall forfeit such prize as may be awarded to their exhibit.

33. Substitution of judges

The Society reserves the right to substitute other Judges for those announced in the Prize Schedule or to make other appointments.

34. Change of judge

Should an exhibit be forward for competition which was either bred, or previously owned by the officiating Judge, then a referee may be introduced at the request of the Chief Steward of the Section.

The onus of declaring an animal being exhibited in a class judged by a person who has had a financial interest in the animal or which has stood in his stable etc, must be on the exhibitor. The exhibitor will know who is judging from the schedule whereas the Judge will not know which animals are coming before him until he arrives in the ring. If there is an unforeseen change of judge, then the exhibitor should stand down from the class and entry fees will be refunded.

Every effort will be made to inform exhibitors of a change of judge.

35. Parades and judging

Any exhibitor or employee refusing to bring their exhibits on parade at a specified time when requested by the Stewards to do so, shall be liable to forfeit to the Society any prize money previously awarded to the exhibits in question. The means of transport must be designed, constructed, maintained and operated so as to avoid injury and suffering and ensure the safety of the animals. 44. Banned substances

The Society does not tolerate the administration of tranquilizers or any other form of drug to Show exhibits, whether entered for competition or demonstration, which may in any way affect the performance of the animal or have the effect of making it behave in the Show Ring or elsewhere on the Showground in a manner which is not natural. The Society does not tolerate any unfair practices. Any exhibitor, or his representative, who is found to have administered or permitted the administration of tranquilizers or drugs to any Show exhibit will be reported to the Council of the Newark & Nottinghamshire Agricultural Society to be dealt with at its discretion and the matter will be reported to the appropriate Breed Society or organization which will render the exhibitor liable for disqualification. The Society reserves the right to insist on a drugs test to be carried out by the Society's appointed Veterinary Officer.

Exhibitors and their employees must see that their exhibits are stalled or penned in the allotted place for them in accordance with their exhibit numbers, and no person shall remove or otherwise deface any notice or exhibit number placed by the Society or its Officers on the stalls or pens, nor shall any exhibit be stalled or penned in the place allotted to another exhibit and no person shall utilise a vacant stall or pen without the consent of the Steward or Chief Steward.

48. Rugs and sheets

Except by special permission of the Steward of the section, no rug or sheet shall be hung up so as to conceal any animal in a horsebox, stall or pen. All sheets used for this purpose must be removed before the opening of the Show to the general public and must not be replaced until after the closing of the Show.

49. Publicity

Exhibitors are allowed to promote their herd/flock with the use of signs which may not exceed 3' wide by 2' high per stall or pen. No promotional material may be placed in the gangways. 55. Penalties

Any infringement of any of the Regulations or Conditions printed in this Schedule will result in the exhibitor forfeiting any prize to which he/she may be entitled in addition to the consequences attaching to the infringement and the Society reserves the right to inform other Agricultural Societies and bodies of any decision it may come to regarding an exhibitor.

56. Interpretation of Regulations

The Newark & Nottinghamshire Agricultural Society reserves the sole and absolute right to interpret these or any other prescribed regulations, conditions and prize lists, and to settle arbitrarily and determine all matters, questions or difference in regard hereto, or otherwise arising out of, connected with incident to the Show.
