Livestock Exhibitors Disease Control Obligations

The health of all animals and people present during the Nottinghamshire County Show is of paramount importance to the organisers. As such, we would like to remind livestock exhibitors of their responsibilities with respect to the health of their animals.

Only fit and healthy animals should be transported to the Show. Any clinical signs of disease, however mild, detected on farm must result in the affected animal(s) remaining at home and not travelling to the Show. This is the foundation on which high levels of Biosecurity can be built on at Newark Showground. Once on the Showground, if any animals develop any signs of illness, one of the Show Veterinarians should be alerted immediately.

If we all ensure only healthy animals arrive at the Nottinghamshire County Show and if any animal becomes sick at the Show, prompt veterinary care must be sought to minimise the risk of:

- A Notifiable Disease Outbreak
- Zoonotic Infections passing from livestock to people.
- Endemic Veterinary Diseases spreading between pens/stalls.

Thank you for your cooperation and understanding.

Judging

32. Judges

The Judges are instructed to withhold prizes where the entry is not of sufficient merit and, in awarding prizes, the Judges are instructed to make their awards according to the relative merits of the exhibits for breeding purposes in breed classes. If, in the opinion of the Judges, any animal appears to be unfit for breeding purposes, the Judges shall be at liberty to have the animal examined by one of the Society's Veterinary Surgeons, whose opinion shall be considered to be final and conclusive and, if he/she so directs, the animal will be disqualified from taking a prize which might otherwise be awarded to it. No person other than a Steward or authorised Official of the Society shall enter a ring when judging is in progress, nor shall have any communication with the Judges during the time of judging. All exhibitors and their agents acting in opposition to this regulation shall forfeit such prize as may be awarded to their exhibit.

33. Substitution of judges

The Society reserves the right to substitute other Judges for those announced in the Prize Schedule or to make other appointments.

34. Change of judge

The onus of declaring an animal being exhibited in a class judged by a person who has had a financial interest in the animal or which has stood in his/her stable etc, must be on the exhibitor. The exhibitor will know who is judging from the schedule whereas the Judge will not know which animals are coming before him/her until he arrives in the ring. If there is an unforeseen change of judge, then the exhibitor should stand down from the class and entry fees will be refunded. Every effort will be made to inform exhibitors of a change of judge.

35. Parades and judging

Any exhibitor or employee refusing to bring their exhibits on parade at a specified time when requested by the Stewards to do so, shall be liable to forfeit to the Society any prize money previously awarded to the exhibits in question. The means of transport must be designed, constructed, maintained and operated so as to avoid injury and suffering and ensure the safety of the animals. 44. Banned substances

The Society does not tolerate the administration of tranquilizers or any other form of drug to Show exhibits, whether entered for competition or demonstration, which may in any way affect the performance of the animal or have the effect of making it behave in the Show Ring or elsewhere on the Showground in a manner which is not natural. The Society does not tolerate any unfair practices. Any exhibitor, or his representative, who is found to have administered or permitted the administration of tranquilizers or drugs to any Show exhibit will be reported to the Council of the Newark & Nottinghamshire Agricultural Society to be dealt with at its discretion and the matter will be reported to the appropriate Breed Society or organization which will render the exhibitor liable for disqualification. The Society reserves the right to insist on a drugs test to be carried out by the Society's appointed Veterinary Officer.

Exhibitors and their employees must see that their exhibits are stalled or penned in the allotted place for them in accordance with their exhibit numbers, and no person shall remove or otherwise deface any notice or exhibit number placed by the Society of its Officers on the stalls or pens, nor shall any exhibit be stalled or penned in the place allotted to another exhibit and no person shall utilise a vacant stall or pen without the consent of the Steward or Chief Steward.

A limited amount of straw is provided in the livestock lines. Extra bales are available to purchase at £4 each.

48. Rugs and sheets

Except by special permission of the Steward of the section, no rug or sheet shall be hung up so as to conceal any animal in a horsebox, stall or pen. 49. Publicity

Exhibitors are allowed to promote their herd/flock with the use of signs which may not exceed 3' wide by 2' high per stall or pen. No promotional material may be placed in the gangways. No dogs are to be left unaccompanied in vehicles, if found attempts will be made to rescue the dog. Please be a responsible dog owner and clean up after your dog.

54. Cancellation or Termination of the Show

If by reason of force majeure, severe adverse weather conditions, water-logged ground, failure or neglect on the part of any utility supplying electricity or water, labour strife, civil commotion, war (or threat thereof), act or threatened act of terrorism, fire or explosion or any other event beyond the control of the Society (other than a shortage of money or shortage of materials) the Society deems it necessary for it to cancel or terminate the holding of the Show or any part of it, then the Society shall use its reasonable endeavours to ensure that the Exhibitor is made aware as soon as practicable of such cancellation or termination either in writing, by email, verbally by telephone or mobile, or by publication on the Society's website(s).

In the event of cancellation or termination pursuant to clause above, this Agreement shall determine automatically, and the Society shall repay to the Exhibitor all, charges and fees already paid under this Agreement (if the Show is cancelled before its commencement) or a rateable proportion of such charges and fees (if the Show is terminated after its commencement) but otherwise shall be under no liability to the Exhibitor or its sub-licensees for any loss which they may sustain in consequence of any such determination and the Exhibitor shall in the event of determination be under no liability to the Society in respect of its future obligations under this agreement (but without prejudice to any rights of either party against the other in respect of any claim accrued under this Agreement down to the date of such determination).

55. Penalties

Any infringement of any of the Regulations or Conditions printed in this Schedule will result in the exhibitor forfeiting any prize to which he/she may be entitled in addition to the consequences attaching to the infringement and the Society reserves the right to inform other Agricultural Societies and bodies of any decision it may come to regarding an exhibitor.

56. Interpretation of Regulations
