24. Animals suspected of, or suffering from disease

Every exhibitor shall indemnify the Society against all actions, claims, proceedings and demands by any person, company or other representative body of whatsoever nature in respect of any matter, directly or indirectly connected with the bringing onto the Society's Showground of any animal which may have been suffering from any contagious or infectious disease or which develops such a disease whilst on the Showground and, in addition, the exhibitor shall pay all costs and expenses incurred by the Society in connection with any such claim. The Society's Veterinary Officers are authorised to refuse permission for any animal to be admitted to, or have removed from, the Showground any animals affected with contagious or infectious disease. The exhibitor of such animal may obtain a certificate from the Veterinary Officer, stating the nature of such disease or infection. The onus of proving the freedom of any such animal from contagious or infectious disease shall rest on the exhibitor of the animal concerned.

Awards

25. Prizes

Prizes will be awarded on the scales shown at the beginning of each entry section.

26. Rosettes

No animal will be allowed to wear a rosette or ribbon other than those issued by the Society. No rosette or ribbon may be displayed during judging which has been awarded in a previous class.

27. Conditional awards

In all cases where prizes are offered or awarded conditionally, they will be withheld until the exhibitor shall have proved to the satisfaction of the Council that the conditions have been complied with.

28. Protests

Any Exhibitor wishing to lodge a protest having reference to livestock or horses exhibited at the Show must make the same in writing to the Society Office and must deposit a sum of £50. All protests must be delivered at the Society Office on the Showground before 3pm on the day on which the protest shall have been made, or in the case of an award judged later than that time, then within one hour of the completion of the judging of that section, and no protest will be accepted subsequently unless a satisfactory reason be assigned for the delay. Protests will be considered by the Chief Steward of the Section concerned in consultation with the section stewards. If the Chief Steward is unable to resolve the protest, then he/she will refer the matter to the Society's Appeals Committee. The decision of the Appeals Committee shall be final and if the protest is not substantiated then the deposit will be forfeited. The animal, to which the protest refers, must remain on the Showground until permission to leave has been obtained from the Show Office in writing. The Society reserves the right to refer any objection to any authority or organization to adjudicate, wholly or in part, in respect of an objection, on behalf of the Society.

29. Alteration of awards

In case of any protest made in accordance with Regulation 28 whereby any prize animal becomes disqualified, the winner of the next succeeding prize in that class shall take the prize that had been awarded to the disqualified animal. This applies to all prizes awarded.

30. Payment of prize money

Prize money can only be paid by bank transfer following the Show. Bank details are required (on entry forms) for any monies to be paid out.

31. Challenge trophies

Cups and Trophies awarded at the Show may be collected from the Judges and Stewards Office on the day of the Show and will be given out on production of a 'Trophy Collection Card'. Winners of trophies must give the Society a written guarantee to return the cup in good condition, at their own expense by recorded delivery, to the Showground not less than six weeks prior to the next Show and that, in the event of loss, the amount of its value be made good to the Society by the holder. Exhibitors are forbidden to have any cup or trophy engraved. Any exhibitor who ignores this ruling will be charged a substantial sum to cover the cost of restitution. The Society will not be held responsible for any failure on the part of donors, or others, to produce Cups or Special Prizes offered for competition in the Schedule or Catalogue, nor will the Society accept any liability in respect of the description of Trophies and Special Prizes as printed in the Schedule and Catalogue. The Society reserves the right to prevent any cup or trophy from leaving the Society's premises.

Prize winners must insure their cup or trophy whilst in their possession.

Judging

32. Judges

The Judges are instructed to withhold prizes where the entry is not of sufficient merit and, in awarding prizes, the Judges are instructed to make their awards according to the relative merits of the exhibits for breeding purposes in breed classes. If, in the opinion of the Judges, any animal appears to be unfit for breeding purposes, the Judges shall be at liberty to have the animal examined by one of the Society's Veterinary Surgeons, whose opinion shall be considered to be final and conclusive and, if he/she so directs, the animal will be disqualified from taking a prize which might otherwise be awarded to it. No person other than a Steward or authorised Official of the Society shall enter a ring when judging is in progress, nor shall have any communication with the Judges during the time of judging. All exhibitors and their agents acting in opposition to this regulation shall forfeit such prize as may be awarded to their exhibit.

33. Substitution of judges

The Society reserves the right to substitute other Judges for those announced in the Prize Schedule or to make other appointments.

34. Change of judge

Should an exhibit be forward for competition which was either bred, or previously owned by the officiating Judge, then a referee may be introduced at the request of the Chief Steward of the Section. The onus of declaring an animal being exhibited in a class judged by a person who has had a financial interest in the animal or which has stood in his/her stable etc, must be on the exhibitor. The exhibitor will know who is judging from the schedule whereas the Judge will not know which animals are coming before him/her until he arrives in the ring. If there is an unforeseen change of judge, then the exhibitor should stand down from the class and entry fees will be refunded.

Every effort will be made to inform exhibitors of a change of judge.

35. Parades and judging

Any exhibitor or employee refusing to bring their exhibits on parade at a specified time when requested by the Stewards to do so, shall be liable to forfeit to the Society any prize money previously awarded to the exhibits in question. All employees in charge of stock which is to be paraded must have their exhibits ready for such parade thirty minutes prior to the times of parades as laid down in the official timetable. White coats or Breed Society uniform must be worn in the Breed Judging ring and the Grand Parade. Cattle exhibitors should note that bulls should always have two handlers.

36. Mobile phones

The use of mobile phones is not permitted to be used within the judging rings by Competitors or their assistants, Stewards or Judges.

Health and Safety regulations

37. Smoking

Smoking is strictly forbidden in the livestock lines, judging rings, the stable area and all buildings. This includes E-Cigarettes.

38. Control of horses and livestock

Horses and livestock must be under the control of a competent handler at all times, and they must use approved restraints which are safe and fit for purpose. Movements on the Showground include areas used by the public and from the cattle lines, livestock pens, stables or horse box parking into the judging rings and handlers must ensure adequate safeguards are in place to prevent an animal from escaping.

39. Health and safety at work regulations

All exhibitors and their handlers must comply with the Health & Safety at Work Act 1974. Exhibitors are reminded that they are responsible for the observance, by themselves, their employees and their contractors, of all Health and Safety at Work Regulations. Any item of risk or hazard should be reported to the Chief Steward or Society Office immediately.

Insurance

40. Public liability insurance

Exhibitors should ensure that they have adequate public liability insurance cover (suggested minimum of £5 million).

General

41. Veterinary Surgeon

It is a condition of entry that the Society's Veterinary Surgeons may, on their own authority, give such emergency treatment as they may consider appropriate in the event that the owner or his representative cannot be found and that the owner will be responsible for the cost of such treatment.

42. DEFRA Regulations

Exhibitors must be aware of, and conform to, the regulations in place by DEFRA at all times.

43. Fitness to Travel / Transport of Pregnant Animals

Animals must be fit for the intended journey prior to beginning the journey and must remain sufficiently fit throughout the travel period. This means the animal should be healthy enough to tolerate the entire journey it is about to make (including loading, unloading and any journey breaks) with no or very little adverse effect on it and the journey should not cause the animal any suffering or injury. The means of transport must be designed, constructed, maintained and operated so as to avoid injury and suffering and ensure the safety of the animals. A journey includes the period from the loading of the first animal to the unloading of the last animal. Any animal entered in the Show that is not fit to travel should be left at the holding premises. The transport of pregnant animals for whom 90% or more of the expected gestation period has already passed, or who have given birth in the previous week is prohibited. Any animal entered to which these criteria apply should not be brought to the Show under any circumstances. [Council Regulation (EC) 1/2005, implemented by The Welfare of Animals (Transport)(England) Order 2006]

44. Banned substances

The Society does not tolerate the administration of tranquilizers or any other form of drug to Show exhibits, whether entered for competition or demonstration, which may in any way affect the performance of the animal or have the effect of making it behave in the Show Ring or elsewhere on the Showground in a manner which is not natural. The Society does not tolerate any unfair practices. Any exhibitor, or his representative, who is found to have administered or permitted the administration of tranquilizers or drugs to any Show exhibit will be reported to the Council of the Newark & Nottinghamshire Agricultural Society to be dealt with at its discretion and the matter will be reported to the appropriate Breed Society or organization which will render the exhibitor liable for disqualification. The Society reserves the right to insist on a drugs test to be carried out by the Society's appointed Veterinary Officer.

45. Stalling of exhibits

Exhibitors and their employees must see that their exhibits are stalled or penned in the allotted place for them in accordance with their exhibit numbers, and no person shall remove or otherwise deface any notice or exhibit number placed by the Society of its Officers on the stalls or pens, nor shall any exhibit be stalled or penned in the place allotted to another exhibit and no person shall utilise a vacant stall or pen without the consent of the Steward or Chief Steward.

Any exhibitor, whose exhibit is incorrectly stalled or penned, shall forfeit any prizes awarded and shall incur a fine of £50. Exhibitors must ensure that their exhibits are securely penned.

All mucking out must be completed by 7.00 a.m. on show day and before exhibitors leave the showground. All stock attendants are requested to co-operate in ensuring that the lines are kept clean, and that water is not thrown into the lines.

46. Washing of stock

Animals may only be cleaned at the wash down area provided for this purpose. Exhibitors may use their own pressure washer, but care should be taken. Taps must not be left running and fire hoses must not be used for washing down.

47. Straw

A limited amount of straw is provided in the livestock lines. Extra bales are available to purchase at £4 each.

48. Rugs and sheets

Except by special permission of the Steward of the section, no rug or sheet shall be hung up so as to conceal any animal in a horsebox, stall or pen. All sheets used for this purpose must be removed before the opening of the Show to the general public and must not be replaced until after the closing of the Show.

49. Publicity

Exhibitors are allowed to promote their herd/flock with the use of signs which may not exceed 3' wide by 2' high per stall or pen. No promotional material may be placed in the gangways. Only rosettes and prize cards from the Newark & Nottinghamshire Agricultural Society may be displayed and these must be for the current year. Exhibit cards provided by the Society must be clearly displayed for each animal forward.

50. Stoves

Exhibitors are not permitted to cook on an "open fire". Heating or cooking appliances are not permitted to be installed or used inside a tented structure which is not specifically set out for this purpose. All heating and cooking appliances are strictly forbidden in the livestock lines, stable area and horse box areas.

51. Stewards

No person shall officiate in the judging ring as Steward at the time of judging of a class in which he or she has an exhibit. In the event of a Steward making entries after his or her appointment as Steward, the Chief Steward shall appoint a deputy Steward to carry out stewarding duties for the class in question.

52. First Aid

There is a designated Medical Centre on the Showground where First Aid will be available.

53. Dogs/Pets

Dogs/pets are not allowed in the livestock stalls and pens. In other areas of the Showground well behaved dogs/pets are permitted on fixed short leads only and must be friendly. Dogs are not to be left tied on leads in any areas on the Showground including trade stands. Any dogs showing aggressive behaviour will be asked to leave the Showground. No dogs are to be left unaccompanied in vehicles, if found attempts will be made to rescue the dog. Please be a responsible dog owner and clean up after our dog.

54. Cancellation or Termination of the Show

If by reason of force majeure, severe adverse weather conditions, water-logged ground, failure or neglect on the part of any utility supplying electricity or water, labour strife, civil commotion, war (or threat thereof), act or threatened act of terrorism, fire or explosion or any other event beyond the control of the Society (other than a shortage of money or shortage of materials) the Society deems it necessary for it to cancel or terminate the holding of the Show or any part of it, then the Society shall use its reasonable endeavours to ensure that the Exhibitor is made aware as soon as practicable of such cancellation or termination either in writing, by email, verbally by telephone or mobile, or by publication on the Society's website(s).

In the event of cancellation or termination pursuant to clause above, this Agreement shall determine automatically, and the Society shall repay to the Exhibitor all, charges and fees already paid under this Agreement (if the Show is cancelled before its commencement) or a rateable proportion of such charges and fees (if the Show is terminated after its commencement) but otherwise shall be under no liability to the Exhibitor or its sub-licensees for any loss which they may sustain in consequence of any such determination and the Exhibitor shall in the event of determination be under no liability to the Society in respect of its future obligations under this agreement (but without prejudice to any rights of either party against the other in respect of any claim accrued under this Agreement down to the date of such determination).

55. Penalties

Any infringement of any of the Regulations or Conditions printed in this Schedule will result in the exhibitor forfeiting any prize to which he/she may be entitled in addition to the consequences attaching to the infringement and the Society reserves the right to inform other Agricultural Societies and bodies of any decision it may come to regarding an exhibitor.

56. Interpretation of Regulations

The Newark & Nottinghamshire Agricultural Society reserves the sole and absolute right to interpret these or any other prescribed regulations, conditions and prize lists, and to settle arbitrarily and determine all matters, questions or difference in regard hereto, or otherwise arising out of, connected with incident to the Show. Also to substitute Judges, refuse and to cancel entries, disqualify exhibitors, prohibit exhibition of entries, vary or cancel awards of prizes or reserve numbers and relax conditions as the Society may deem necessary.

57. Statement

All exhibitors and other persons admitted to the Showground shall be subject to the rules, orders and regulations of the Council of the Newark & Nottinghamshire Agricultural Society. The Organisers of this Show have taken reasonable precautions to ensure the health and safety of everyone present. In order for these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the Organisers, and of all Officials and Stewards.
