Livestock Exhibitors Disease Control Obligations

The health of all animals and people present during the Nottinghamshire County Show is of paramount importance to the organisers. As such, we would like to remind livestock exhibitors of their responsibilities with respect to the health of their animals. Only fit and healthy animals should be transported to the Show. Any clinical signs of disease, however mild, detected on farm must result in the affected animal(s) remaining at home and not travelling to the Show. This is the foundation on which high levels of Biosecurity can be built on at Newark Showground.

Once on the Showground, if any animals develop any signs of illness, one of the Show Veterinarians should be alerted immediately.

If we all ensure only healthy animals arrive at the Nottinghamshire County Show and if any animal becomes sick at the Show, prompt veterinary care must be sought to minimise the risk of:

- A Notifiable Disease Outbreak
- Zoonotic Infections passing from livestock to people.
- Endemic Veterinary Diseases spreading between pens/stalls.

Thank you for your cooperation and understanding.

Exhibitors must be members of the BPA.

Judge: Mr G Kiddy, Sandy, Bedfordshire..

The following classes are the qualifying heats of the "B.P.A. Pig of the Year Competition". The following rules apply to these classes:

1. Qualifying rounds will be arranged at Agricultural Shows, leading to a Final.
2. A condition of entering the competition is that prize winners at preliminary rounds must intend to exhibit at the Final.
3. The award is open to all breeds of pedigree pigs entered in your show. The object is to determine the best modern and traditional breed pigs as an example of their respective breeds.
4. All animals entered in this Competition must be the property of a member of the British Pig Association or the British Lop Society and must be registered in a herd book of The British Pig Association or the British Lop Pig Society.
5. Judges must be chosen from the BPA "Interbreeds" Judges List. They may only act for one qualifying round. The judge of the Final will not have acted for a qualifying round.
6. Classes from which pigs are chosen, and therefore eligible for qualifying rounds, must be judged by a BPA approved judge.
7. To be eligible for a qualifying round a pig (male or female) must be born on or after 1 July of the year previous to the Show (see 9 below).
A pig judged Best Male (Modern or Traditional) or Best Female (Modern or Traditional) in a qualifying round cannot compete in any subsequent round. If a pig having qualified at an earlier show again qualifies at a later show the judge for that breed shall select an alternative pig of the same breed and sex from any class covering the required age group.
8. Where a single breed has more than one class covering the required age group for either sex, so permitting more than one 1st prize animal, the judge must nominate one of these for the qualifying round.
9. Where there are multi-breed classes, i.e. any other modern/any other traditional breed or a similar classification, the judge must nominate the best male and best female of the qualifying age of each breed represented (regardless of class prizes). These pigs will compete in the qualifying round with eligible entries from individual breed classes
10. At each qualifying round the judge will select the Best Male from a Modern Breed, Best Male from a Traditional Breed, Best Female from a Modern Breed, Best Female from a Traditional Breed and Best Pig.
11. Prize money for preliminary rounds will be £10 for the best Modern Breed pig of each sex and £10 for the best Traditional Breed pig of each sex, with £10 and a glass trophy for the overall winner. Note: Rosettes only will be presented at each preliminary round. Prize monies and glass trophies for preliminary rounds will be presented at the Final.
12. The Best Males Modern and Traditional and Best Females Modern and Traditional from each of the qualifying rounds will qualify for the Final to be held at the Great Yorkshire Show.
13. The Final will be to judge the Best Modern Male and Female with Reserves and the Best Traditional Male and Female with Reserves; the Best Pig (i.e. Pig of the Year) and Reserve.

The Society's Veterinary Officers are authorised to refuse permission for any animal to be admitted to, or have removed from, the Showground any animals affected with contagious or infectious disease. All protests must be delivered at the Society Office on the Showground before 3pm on the day on which the protest shall have been made, or in the case of an award judged later than that time, then within one hour of the completion of the judging of that section, and no protest will be accepted subsequently unless a satisfactory reason be assigned for the delay. Protests will be considered by the Chief Steward of the Section concerned in consultation with the section stewards. If the Chief Steward is unable to resolve the protest, then he/she will refer the matter to the Society's Appeals Committee. The decision of the Appeals Committee shall be final and if the protest is not substantiated then the deposit will be forfeited. The animal, to which the protest refers, must remain on the Showground until permission to leave has been obtained from the Show Office in writing. The Society does not tolerate any unfair practices. Any exhibitor, or his representative, who is found to have administered or permitted the administration of tranquilizers or drugs to any Show exhibit will be reported to the Council of the Newark & Nottinghamshire Agricultural Society to be dealt with at its discretion and the matter will be reported to the appropriate Breed Society or organization which will render the exhibitor liable for disqualification.
