Vehicle Pass Allocation

Equine exhibitors will be issued with one Green Gate vehicle pass. Please display passes visibly in windscreen before arriving at the Showground. Exhibitors requiring more than one vehicle pass should **email their request** to the Show Office with an explanation why an extra pass is needed before the close of entries. Email show@newarkshowground.com and we will respond within 5 days.

Classes

The Newark and Nottinghamshire Agricultural Society reserves the right to split or amalgamate classes once entries have closed and based on the numbers entered. Exhibitors will be notified before the show.

Protective Headgear

Any person riding a horse or pony, whether as a **competitor** or **judge**, anywhere on the showground must wear a hard hat of a standard approved by their appropriate governing body. Those failing to abide by this rule will face disqualification.

Head gear must be worn with the chin strap correctly and securely fastened at all times, this includes Side Saddle classes.

Dress code

All exhibitors, grooms and handlers appearing with animals in the judging rings must be of smart appearance and in proper dress code (not jeans), with appropriate headgear.

Conduct

Once an exhibitor or handler has entered the judging ring with their exhibit, they may not leave the ring with the exhibit before the completion of judging of the class except with the permission of the judge or steward. Any exhibitor or handler contravening this rule will be disqualified from competing.

Fall of horse, pony or rider

Fall of a horse, pony or rider during any class will result in elimination. The rider must not remount in the ring and must be seen by a medically qualified attendant before remounting.

Concussion

Concussion is a condition that is not always obvious. It can have very serious aftereffects. Following the fall of a rider or head injury to a handler inside or outside of the ring, the advice of a Show appointed paramedic or doctor must be sought and followed. Medical advice must be obtained before a rider may ride again or handler compete. If concussion is suspected, a rider must not ride, or handler compete again that day and they should be taken immediately to A&E or a doctor.

This advice must be relayed to the competitor and/or a parent/guardian/friend/supporter and care must be taken to make sure they understand the seriousness of the injury.

Later, medical assistance must be sought immediately if there are any of the warning signs which can occur, such as are deterioration of consciousness, restlessness/irritability, vomiting, a persistent or worsening headache.

Suitably Mounted

All animals ridden anywhere on the Showground, rings, or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern.

Hire/lease

A horse or pony leased for the season will be considered to be the property of the person to whom it is leased only if the lease has been registered with the appropriate authority.

Stud book

Every horse entered for competition in the breeding classes shall be entered for, or eligible for entry in the Stud Book of its breed in the United Kingdom.

Age

It is only necessary to state the year of birth in respect of horses except that of foals where details are listed below.

Foals

The exact date of birth of foals must be stated on the entry form. No foal under the age of THREE WEEKS will be allowed on the Showground. **Foals must be shown with their Dam.**

Horse Walks

Horse walks are in operation and shown on the access map that will be enclosed in your pack. All horses and ponies, ridden and in-hand MUST keep within these designated routes, and exhibitors and grooms must comply with instructions from Officials, Stewards and signage around the Showground.

Working in Areas

Working in areas are provided for exercise and shown on the access map that will be enclosed in your pack. No lunging is allowed on the Showground. The use of any of the Judging Rings, Collecting Rings or any other prohibited area of the Showground for exercising animals is strictly forbidden and all instructions from Stewards or other Society representatives must be observed. Failure to comply may result in automatic disqualification.

Use of Whips

At all times, the whip must only be used:

- For a good reason, as an aid to encourage the horse forward.
- At an appropriate time, namely when the horse is reluctant to go forward under normal aids of seat and legs.
- In the right place, namely down the shoulder or behind the leg but never overarm.
- With appropriate severity.
- No more than twice for any one incident.

Excessive use of the whip anywhere on the showground will result in disqualification:

- Use of the whip to vent a competitor's anger is always excessive.
- Use of a whip which causes injury e.g. Broken skin or a weal, is always excessive.
- Use after elimination or retirement is always excessive.
- Use on a horse's head, neck etc. is always excessive.
- Using the whip from the ground after a rider fall or dismount is always excessive.
- If the rider's arm comes above the shoulder when using the whip, this is always excessive

Equine Passports

All exhibitors are expected to comply with Horse Passport legislation and bring the appropriate documentation with them to the Show and to always be responsible for the documentation.

Equine Influenza 2026 (Updated 27/01/2026)

- An initial primary course of two vaccinations must be given: the second vaccination must be administered within 21- 60 days of the first initial vaccination.
- Horses may attend events 7 full days after receiving the second vaccination of the primary course. (for clarity: no horse or pony may compete on the same day as a relevant injection is given or on any of the 6 days following such an injection)
- A third booster must be administered within 150 – 180 days of the administration of the second vaccination of the primary course.
- Following booster vaccinations must be administered at a maximum of 12 months intervals.

Random checks will be carried out on the showground during the show by the Society's official Vet.

Health of Horses & Ponies

We urge all owners and their representatives to adhere to strict biosecurity both at the show and once they return home.

In all classes animals must be practically sound. No veterinary inspection will be required except where it may be considered necessary by the Judges. The owner of an animal rejected for unsoundness may be given a copy of the Veterinary Inspector's Certificate, and if desired may remove the animal from the Showground. The Society will not be liable for any cost ensuing from rejection on any such grounds.

Vet Boxes

Vet boxes will be located close to each section and should be used for animals that are injured or showing signs of illness and disease.

Photos

Only NNAS stewards, officials and official photographers are permitted to take photos from within the judging rings. This includes the use of mobile phones (please see rule 36 at the back of this schedule regarding the use of mobile phones within judging rings).

PRIVATE DRIVING - Main Ring, Class starts at 10am.

Judge: Mrs D Holt-Atkinson, Essex

Conditions:

Horse or pony, 4 years old or over, driven to a traditional or traditional type vehicle. A traditional vehicle means a vehicle of traditional profile and identifiable type to resemble the design of a carriage built prior to the First World War. The vehicle may be made from modern materials but must have traditional style springing and carriage lamps. Pneumatic tyred vehicles, trade turnouts and show wagons are not eligible.

The driver must be aged 8 years or over on the first day of the show at which they are to compete. A driver under the age of 18 must be accompanied in the vehicle by a competent and responsible person aged 18 years or over, a "responsible adult". Proof of age will be required if necessary. It is the responsibility of the owner/driver (if over 18) or (if the owner/driver is under 18) the responsible adult to ensure that his/her groom/s is/are competent for the purpose of attending to the turnout and aged 8 or over on the day of the show. When in the vehicle grooms, passenger/s and driver must have their feet firmly on the floor of the vehicle or use a suitable fixed footrest. This regulation applies at all times and in all areas on the showground.

All drivers/grooms/passengers under the age of 14 years must wear a correctly fitted hard hat when in a carriage or in attendance to a turnout. We recommend a correctly secured skull cap/riding hat that meets one of the current BSI standards should be worn when in a carriage or in attendance to the turnout.

Qualifiers:

This is a Victoria Extravaganza Carriage Driving Championship qualifier. The Champion will qualify for the grand final to be held on Sunday 13th September 2026 at Bury Farm Equestrian Club, New Bury Farm, Mill Road, Slapton, Buckinghamshire. LU7 9BT. In the event that the champion has already qualified then the reserve champion is to qualify. If the reserve champion has also qualified, the rosette is to be awarded back to the Champion. Once qualified, the horse, whip and vehicle may not be changed.

Class: 201 Private Driving Horse or Pony - Single pair or tandem over 13.2hh

Class: 202 Private Driving Pony - Single pair or tandem 13.2hh and under

Class: s203 Championship - To be competed for by the 1st & 2nd prize winners.

The British Driving Society will offer Champion, Reserve and Best Young Driver Rosettes

Champion & Reserve will be awarded an NNAS Rosette.

PRIVATE DRIVING - CONCOURS D'ELEGANCE

Judge: The Presidents Guest

Conditions:

All turnouts which have been separately entered in the Private Driving classes are eligible to compete. The Private Driving Concours d'Elegance will run concurrently with Classes 201 and 202. Open to singles, pairs, multiples, 4 years old or over, to a traditional type of vehicle. The essence of the class is the word 'elegance' and the winner will be the turnout, which, in the opinion of the Judge, presents the most elegant effect. To include vehicle, horse, driver, passenger etc. but above all the general impression. Attention may be paid to drivers/passengers' personal costume, but fancy dress or period costume is definitely barred. The whole object of the class is to establish which turnout presents the most pleasing picture and normal judging criteria does not apply. It is judged from a distance and vehicles are NOT closely inspected. To be driven at park pace.

Class: s204 From Class 201

Class: s205 From Class 202

NNAS NOVICE HORSE CLASS - Ring 1. Not before 1pm.

Judge: Mrs J Bushell, Liverpool

Conditions:

These classes are not affiliated and open to anyone. Turnout is to be appropriate for the horse's relevant classification. Horses will not be ridden by the judge but will be required to give a short individual show at walk, trot, and canter or a set show lasting approximately 2 minutes. Change of rein, trot and canter must be shown.

Class: 206 The Newark & Nottinghamshire Agricultural Society Novice Horse - Mare or gelding 4 years old and over exceeding 148cm. Rider to be 17 years old and over on the day of the show. A novice is a horse or that has not won a first prize before the 1st January in the current year. The spirit of this class is for genuine novice ridden horses and ponies, not those who have campaigned previously.

RIDDEN HUNTER - Ring 3. Not before 12:30pm

Ride Judge: Mrs R King, Oxfordshire

Conformation Judge: Mrs J Stephens, Worcestershire

Conditions:

This Show is affiliated to Sport Horse Breeding of Great Britain and classes in this section will be judged in accordance with the current SHB (GB) rules. A copy of the SHB (GB) rules can be obtained from them on request.

Qualifiers:

- ROYAL INTERNATIONAL HORSE SHOW CLASSES – Classes 207 - 210
- These classes are qualifiers for The Agria Royal International Horse Show. The two highest placed horses will qualify, no horse lower than 2nd will qualify. In working hunter classes the two highest placed horses from each class will go through to the Working Hunter Championship and all these four horses will qualify for RIHS if they have not already done so. RIHS Qualification will not pass down the line beyond the aforementioned placings. In the Working Hunter Championship judges must place all horses to determine qualification.
- Only horses registered with SHB (GB) and who are also registered on the current year's Show Hunter Register are eligible to enter in Qualifying Classes for RIHS Ridden and Working Hunter Championships and the Show Hunter Registration Number must be quoted on entries. Any horse that is entered for a Qualifying Class without first being on the Show Hunter Register cannot subsequently be registered and therefore will not be eligible for entry in that class on the day and will be disqualified if forward.
