HEALTH & SAFETY ACT 1974 SAFETY POLICY STATEMENT

By its nature an Agricultural Show presents a potentially hazardous environment. All persons concerned in the presentation of the Show need to be vigilant and ensure that any perceived hazard is, if possible, dealt with immediately and reported to the Society Officer in order that the necessary action can be taken.

Any incidents or near misses must be reported. In this manner it is aimed to provide a safe and healthy environment for all persons attending the Show in whatever capacity, whether as officials, contractors, exhibitors, traders, performers or members of the public.

This must be seen as an on-going commitment in which all are involved. In particular, Section Organisers and Chief Stewards must be satisfied that their Stewards have the training and experience to carry out any task allotted to them.

The Society Officer will be responsible for issuing copies of the Safety Policy Statement to all show stewards and officials. The Society Officer will ensure adequate provision of medical and first aid services through a nominated contract who will be responsible for maintaining accident records and where appropriate report to the Health & Safety Executive. Plans of the Showground will be held in the Show Office.

Potentially many hazards will arise from the activities of contractors. Only professional and appropriately qualified and/or experienced contractors shall be engaged for general showground work, electrical supply and maintenance, tentage, catering and course building. All contractors must undertake to have sufficient experienced staff on site to deal with emergencies on Show Days and to have sufficient insurance cover.

- (a) The Society Officer will advise all contractors that they must observe the Health and Safety at work standards appropriate to their trades, both in terms of equipment and in handling and storage.
- (b) The Society Officer will advise all individuals and organisations attending the show similarly and where any of their activities on the Showground give rise to potential hazards, e.g. demonstrations of machinery, they must provide any necessary barriers and or attendants to ensure public safety.
- (c) Any operator of fairground or similar equipment that needs safety certification must certify to the Society Officer that a valid certificate exists.
- (d) The Society Officer will advise all exhibitors of horses that only designated parking and exercise areas and walkways may be used.
- (e) The Society Officer will advise all exhibitors of cattle, sheep or pigs as appropriate that the designated unloading areas and pens must be used and that competent adult handlers must be present.
- (f) The Dog Section Chief Steward will advise all exhibitors that all dogs must be kept on leads unless secured away from the public or under direction of a Show Steward.

The Society Officer will plan the site layout paying particular attention to the designation of parking, unloading and penning arrangements for livestock to comply with current animal health legislation.

In addition to the medical service, the Police and veterinary surgeons will be on site during build up and on Show Days.

In the event of a major incident the Chief Executive must be informed without delay. The appropriate emergency service will be contacted, and the Show Emergency Plan initiated.

CHIEF STEWARD: Miss Bethan Clarke

ASSISTANT CHIEF STEWARD: A J Davies

VETERINARY SURGEON: Mr Lee Farrar

STEWARDS

Messrs D Howells, A Baker, P Tadman, J Clarke, K Gregory, S Lewis,

Biosecurity Information for Poultry Gatherings Participants

Participants must familiarise themselves with the [symptoms](#) of Avian Influenza and other notifiable diseases and should take all reasonable steps to minimise the risk of spread of such diseases through [adopting pro-active biosecurity](#) measures including, but not limited to:

- Minimise the movement of birds between enclosures, and between sites
- Ensure clean footwear before and after visits, and between sites
- Take steps to deter wild birds, particularly waterfowl
- Feed and water birds under cover and remove any spillages
- Execute an effective programme of vermin control
- Maintain good cleanliness and hygiene, regularly disinfect hard areas
- Secure poultry enclosures with appropriate fencing to deter wild birds
- Use of disinfectant mats or foot dips between buildings

Before entering a poultry gathering, participants must:

- Not enter if the place of origin of the birds is within an area of the UK which is under restrictions relating to notifiable avian disease (including Prevention, Protection and Surveillance zones)
- Not enter birds that have attended a poultry gathering in the previous 13 days, or if purchased birds have been brought onto the premises of origin in the past 13 days
- Inspect the health of all birds at the place of origin before departure
- Not move birds if there are any signs or suspicion of any disease
- Transport birds in clean solid-bottom and sided carriers and not allow these to be contaminated with bird droppings, bedding or other material of bird origin other than that from, or provided for, the birds brought to the gathering
- Use clean bedding material at the start of the journey, on the date of departure, which must be contained within the carrier at all times
- Ensure the exhibitor's name or initials are printed on each carrier for ease of identification while passing through the initial health inspection

On arrival to the gathering, participants must:

- Present themselves visibly clean, free from faecal, contamination, feathers, or other bedding matter with unsoiled footwear, or over-boots
- Present a signed declaration on the understanding that failure to provide a completed Declaration Form will result in access to the gathering being denied. The Declaration Form will be sent out with penning numbers and **MUST BE HANDED TO THE WELFARE OFFICER** immediately prior to the exhibits being inspected and their admission into the show is granted. The declaration will need to confirm:
 - The origin of the poultry is not from within a restricted area
 - The identified birds are healthy, and
 - They will follow the instructions of the poultry gathering licence
- Ensure their birds remain isolated from all other birds, until each has been individually inspected by a named poultry expert
- Present each carrier (and each bird therein) for a health inspection before entering the gathering
- Be prepared to surrender any bird that fails the initial health inspection into isolation for a further examination by a veterinary surgeon, or in the case of suspected Avian Influenza, an APHA veterinary inspector
- Understand that if a bird fails the initial health inspection that it and any other birds that may have travelled with it will need to be isolated in their vehicle of transport to await a veterinary surgeon's declaration as to the next step
- Understand that permission to gain admission to the gathering may be withheld if someone else's bird/s ahead of them in the inspection queue should fail the initial health inspection and that a veterinary surgeon's permission giving the all-clear will be required before any further unloading for inspection and admission to the gathering can continue
- When inside, to double check cage numbers to ensure exhibits are placed in the correct cages allocated to them
- Assist in the clean-up of any spilled bedding (from carriers) immediately by double-bagging and spraying with an [approved disinfectant](#) for use against poultry diseases – supplied by the poultry gathering organiser

At the end of the gathering participants must:

- Remove all their poultry and carriers from the gathering venue, back to the premises of origin
- Inspect each bird for signs of ill health, notifying the gathering organiser and/or poultry expert if disease is suspected
- If disease is suspected; isolate those birds for a veterinary inspection and if Avian Influenza is suspected APHA must be notified immediately (as per the organiser's Contingency Plan)
- In the case of suspected Avian Influenza, no birds should leave the premises until an APHA veterinary inspector has permitted the removal.

On return to the place of origin, gathering participants must:

- Inspect the general health of all birds before removing from the carrier
- Notify the gathering organiser if ill health or disease is suspected
- Isolate birds returning to the place of origin for a minimum of one week, observing their health throughout that time
- Dispose of waste material from the carriers, ideally through heated composting for a minimum of 42 days then applied to land as fertiliser
- Not re-enter any birds (existing or purchased) to participate in a gathering for at least 13 days after returning from another gathering.

RULES FOR ALL POULTRY EVENTS

1. Closing date for entries will be Monday 10th August 2026.
2. All exhibits or sale items to be bona-fide property of the exhibitor.
3. Only litter provided by the organisers will be admissible in pens.
4. **The provision of water & feed to birds is the responsibility of the owner.**
5. While at an event all exhibits are in the custody of the Poultry Show's Representatives, and must not be touched or handled by either the exhibitors or other persons, except with, and in the presence of a Steward who may give permission.
6. Every care will be taken of the exhibits but the organisers cannot be held responsible for any loss or damage incurred during or after an event.
7. Any exhibit, which in the opinion of a Steward or a Judge, is deemed a health risk, or is fraudulently prepared, will be disqualified.
8. Presentation of any trophies and specials, payment of prize and sales monies, less commission, will take place on the same day as the event.
9. Trophies are perpetual and are to be returned by the next Pembrokeshire County Show. Engravings to be done at the expense of the winners.
10. Matters not provided for in these rules or arising from them will be dealt with by the Poultry Show's Representatives whose decision will be final.

POULTRY SHOW SPECIFIC RULES

1. ***A CPH Number is required to enter Live Poultry at the show otherwise Entries will not be accepted!***
2. Current rules on Poultry gatherings will apply.
3. The show is to be held under the Poultry Club Rules and exhibitors making entries agree to be bound by the same.
4. Show to be judged according to Poultry Club Standards.

SPECIAL AWARDS POULTRY POPULARITY POLL

Public's Choice of Pembrokeshire's Most Popular Chicken £10.00

.....

PAIRS SHOW & POULTRY POPULARITY POLL SPECIFIC RULES

1. In accordance with APHA rules, Exhibits entered for the Pairs Show & Popularity Poll will already have been health checked into Wednesday's Poultry Show. When Wednesday's Poultry Show is over, at 4.30 p.m., the relevant exhibits may be transferred over to the Pairs Show and Popularity Section.
2. The Pairs Show and Poultry Popularity are open to exhibitors who exhibit at the Poultry Show on Wednesday 19th August 2026 only.
3. Exhibits are to be penned by 9.30 a.m. on Thursday 20th August and are not to be removed before 4.30 p.m. after that time only with the permission of the Show Manager.
4. The Pairs Show will be judged to 5th place and the Popularity to 3rd.
5. Pairs to include one Male and one Female.

The Pembrokeshire Poultry Popularity Poll

The PPP is a light-hearted event intended to inform, entertain and amuse exhibitors and the general public.

Two panels of Judges, chosen from exhibitors at the Poultry Show, use their 'skill and knowledge' to judge the PPP classes to fill Championship Row. The judges are allocated to either Fowl or Waterfowl in deliberate contrast to their main interests, therefore the Fowl judges will experience judging Waterfowl, whilst the Waterfowl judges will experience the judging of Chickens and other Fowl. When possible, the panels are each comprised of one experienced poultry exhibitor, one new to showing plus one juvenile. The PPP exhibitors and the general public vote for Pembrokeshire's Favourite Chicken and Pembrokeshire's Favourite Waterfowl from those in Championship Row.

The event is in two parts:

1. The two Panels of Judges judge all classes from first to fifth place. The winners of each class are removed to Championship Row.
2. All visiting members of the public will also be invited to vote for the Chicken and Duck or Goose they like the best. Exhibitors will also make their choice of Best Fowl and Best Waterfowl from those in Championship Row. The results of these ballots will remain secret until any presentations are made.

Exhibitors should not attempt to influence the members of the Public. Their exhibits may be disqualified as a result of suspected misbehaviour.

Public ballot boxes will be opened and counting will commence at 3.00 p.m. on Thursday 20th August 2026. Any presentations will take place at 4.00 p.m. Lifting starts at 4.30 pm on Thursday 20th August 2026.
