Equine Influenza / Microchipping

All equines MUST be accompanied by their approved DEFRA passport.

Equine Influenza Vaccination Certificates All equines (horses, ponies, donkeys) attending the Romsey Show must have been vaccinated for Equine Influenza. Equines may attend having received the primary course, and prior to the first booster, but not within 7 days of receiving a vaccine dose. The primary course is 1st vaccination and then 2nd vaccination 21 - 92 days later. This should be followed by the first booster (150 - 215 days) and all subsequent boosters. Equines must have been vaccinated within the 6 months prior to the Show. Foals - In-foal mares that have already had vaccinations of primary Equine Influenza course should be vaccinated 4-6 weeks before the foal is due to be born. Foals should be vaccinated for Equine Influenza at 6 months to commence their primary course. A valid record of vaccination must be available on request at any time during the Show. Failure to produce evidence of vaccination may result in refusal of entry or immediate removal from the Showground. Please note that neither vaccination certificates nor passports should be sent to the Show Office prior to the event. However, random checks will be carried out on the Showground.

TUBBY or TRIM

Find out how to judge a healthy body condition without scales!!

There is continuing concern about OBESE horses and ponies. Judges are continually being asked by Societies not to place over-weight animals. In conjunction with Celtic Equine Vets, the Romsey Show is offering you the opportunity to make sure you will not be penalised because your animal has stopped going to WEIGHT WATCHERS!! **You could also win a prize** if your animal is close to its ideal weight already.

SO WHY NOT TAKE THE CHANCE TO SEE IF YOUR ANIMAL IS FIT FOR THE JOB YOU WANT IT TO DO -

As Honorary Vets to the Show, the Celtic Equine Veterinary Practice will be present on show day providing veterinary cover, including the checking of Passports and Flu jabs. They will be located near the Horse Secretary's tent. If you take your animal with its showing number (back number) to the vet's tent, at any time between 9:00 and 16:00, you can have a short demonstration of where and how precisely to take weight tape measurements, and how to use the formula, so that you can work out the weight of your animal. A copy of the instructions and diagrams will be free to take away with you. The vets will decide which measured animals are closest to the correct weight for their type and size, and the winning owners will be sent their prizes by post after the Show, with the awards being recorded in the Show results.

NOTE - The availability of a vet at any time will obviously depend on any higher priority requirements for their services during the Show.

Celtic Equine Veterinary Practice is located in Minstead, near Lyndhurst, telephone: 02380 814155

Competitors will enter the ring individually and jump a course designed to produce a maximum of 15 jumping efforts against the clock. The fences will be a mixture of rustic and show jumping fences. 5 penalties will be incurred for each fence down. 10 penalties will be incurred for each refusal. If a competitor refuses twice at a fence they shall proceed to the next fence. For refusals a double is treated as one fence. There is no automatic elimination for refusals.

After the timed section there will be the Joker fence, which the competitor has the option of attempting. Successfully clearing the Joker will result in a time bonus of 5 seconds, which will be deducted from the time taken for the round. A competitor may only attempt the Joker once and there will be no penalty points incurred at the Joker. The competitor must complete the timed section BEFORE attempting the Joker.

In the event of the fall of horse/pony or rider, the rider may not remount but **MUST** leave the ring dismounted.

For the team event - fall of horse/pony or rider will incur 100 penalty points. If a competitor retires due to injury to the horse/pony then 100 penalty points will be incurred, otherwise 500 penalty points will be incurred for voluntary retirement – Judge's decision.

For the individual event – fall of horse/pony or rider, or retirement, shall result in elimination.

Placings will be decided on fewest penalties in the shortest time (including Joker bonus).

Please be ready to walk the course when called. The ring will only be open for **15 minutes** for course walking (see Ring 2 timetable). The course will not be changed between classes 16 and 17.

Entry Fee: £72 (late entries £96) per team

Class 16 EVENTERS TEAM CHALLENGE 75CM

Open to teams of 3, ideally in the same team colours. All members of a team to jump one after the other. The combined penalties and times (including Joker bonuses) to count (no discard scores). A maximum of 10 teams will be allowed to compete. Entries will be accepted on a first come first served basis. Team name and colours to be included on entry form. The drawn order will be sent out with the lorry passes/numbers and displayed on the blackboard at the entrance to the collecting area.

As the collecting area adjacent to the ring has limited space, the number of teams in the collecting area at any one time will be limited to 3. **Only ONE person on foot will be allowed in the collecting area with each team** (groom, parent, or chef d'équipe) - there is plenty of viewing room around Ring 2 for others. As soon as a team has finished jumping, they should leave the collecting area **together** immediately to allow another team to come in. Listen out for your team call up and go to the collecting area **as a team. Please do not miss your slot.**

The scores/results will be posted on the board in the collecting area as soon as possible after all members of a team have jumped. The first 6 placed teams will be called to return to the arena mounted for the prize-giving **immediately** after the competition completes.

REGULATIONS for Equine Exhibitors

The Romsey Agricultural & Horse Show Society (hereafter referred to as “The Society”) shall not be responsible for any error which may appear in the catalogue, or for any entry being made in the wrong class. It is the responsibility of each exhibitor to read these rules and abide by them.

The Society takes the health and welfare of animals seriously and has signed up to the ASAO Animal Welfare Plan. This Plan relates to all animals exhibited. The Society will take whatever appropriate measures it deems necessary to ensure the best welfare conditions exist for all animals. All exhibitors are required to ensure that their animals are fit and healthy upon arrival and throughout their time on the Showground. More details relating to health and welfare matters can be found elsewhere in these Regulations.

A. General rules

A.1. The term “Authorised official” shall include any person, whether employed by the Society or not, appointed by the Society to act in an official capacity at the Show.

A.2. The term “Showground” shall include all areas under the control of the Society on Show Day, including car parks, horse lines, horse walks, warm-up rings, collecting and horse rings (not just the area to which paid admission is required).

A.3. The term “Exhibitor” shall include all persons taking part in any competition or display arranged by the Society and the owner of any animal, plant, machinery, or other thing involved in such competition or display otherwise exhibited in the Showground. Save for death or personal injury caused by negligence of the Society or its authorised officials, the Society shall not be responsible for death, injury, disease, damage or any loss caused to an exhibit or to their assistant or to any animal, article, plant, machinery, or thing of whatever nature brought to the Showground by said exhibitor from whatever cause such as death, injury, disease damage or loss arises.

A.4. The Society **requires** all Exhibitors to insure themselves, their assistants and their animals against all liabilities both to the Society and its authorised officials and to all other persons using the Society Showground unless the Secretary has given written dispensation. The Society reserves the right to require an appropriate certificate of insurance to be produced for inspection by the Society at the Show Office or upon the Showground.

A.5. All Exhibitors shall indemnify and hold harmless the Society and its authorised officials from and against all actions, suits, expenses and claims made against the Society on account of or in respect of the negligence or breach of contract of the exhibitor.

A.6. Every animal shall be considered and treated as being in the sole custody of the Exhibitor during the whole period of the Show, and, whilst on the Showground, every Exhibitor shall have at least one person in charge of each animal exhibited/brought by him/her at all times, and the Society shall not be responsible in respect of any loss, damage or injury arising from accident or any other cause whatsoever.

A.7. The use of mobile phones and similar personal electronic devices shall NOT be permitted by any person who is directly responsible for an animal (i.e. holding, leading, or riding) in the horse walks, exercise area, warm up areas, and collecting rings. Any use of such devices in the judging rings is forbidden, including taking photographs or videos. Any person found using such a device when handling an animal or supervising a young person handling an animal shall be excluded from the ring.

A.8. No person shall behave in an offensive, abusive or unpleasant manner to any person or any horse/pony at this event. Exhibitors shall be held responsible for the actions of any persons who are Family Members or who are employed by them or who are assisting, supporting, representing or otherwise acting on their behalf and any action or conduct of such person which would be a breach of the Rules shall constitute a breach of the Rules by the Exhibitor concerned. Family Members in this context shall include any person who is, in the reasonable opinion of the Society, a member of the Member's family in the widest sense.

A.9. No person shall ill-treat animals at any time whether misuse/excessive use of a whip, bit, spurs or any item of saddlery or in any other way whatsoever.

A.10. Any Exhibitor or his/her assistant who shall refuse to obey an order from the Authorised officials or who shall be guilty of improper behaviour shall not be allowed to compete, and the Society shall have the power to order the offender to leave the Show and to refuse that person's entry for future Shows. The Society reserve the right to reject or cancel the entry or entries made by any person, if they deem it fit to do so

A.11. No person shall be allowed to fix any placard on the Showground without the written permission of the Secretary, and no exhibitor shall be allowed to distribute handbills on the Showground.

A.12. POSTPONEMENT/CANCELLATION OR ABANDONMENT. Exhibitors shall not have any claim against the Society or any member of the Society in respect of any loss or damage whatsoever consequent upon the show or any part of it failing to be held or having to be abandoned (for whatever reason e.g. extreme weather, security alerts, etc). No entry monies shall be repaid and the Society shall have no liability for expenses, consequential loss or damage suffered by exhibitors or their representatives as a result of this action.

A.13. The Society has taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the Organisers and all the Authorised officials.

A.14. The Society reserves the right to prevent access to the Showground for any Exhibitor, irrespective of the fact they may have entered Horses or Ponies in any class. Under these circumstances any entry fees or other fees would normally be refunded.

A.15. Any incident, accident or injury pertaining to property, animal, Exhibitor or their assistants, members of the public or show officials must be reported to an Authorised Official immediately. The Authorised Official will then report the matter to the Show Secretary immediately.

B. Entries

B.1. The on-line data and any printed entry forms filled in by exhibitors shall be kept by the Secretary. Every person intending to exhibit shall either enter on-line or obtain the forms as appropriate and send them duly filled in to the Secretary. The Secretary must receive the entry data/form, together with the appropriate entry fee, by the date advertised in the schedule. No prize shall be awarded unless the exhibitor shall have first complied with this rule. Any entry received after the date above referred to shall be accepted only at the discretion of the Secretary and any such late entry that may be so accepted shall be liable to an entry double the normal entry fee [no exceptions].

B.2. A free admission wristband/badge will be sent to each Exhibitor, together with the appropriate number of wristbands/badges for use of bona fide assistants in charge of animals. In the case of the transfer or the improper use of a wristband/badge, it will immediately be cancelled and the full price of admission charged.

B.3. Unless otherwise stated, Exhibitors may enter an unlimited number of animals in each class, subject to the special conditions of the respective classes.

B.4. Horses/ponies MUST be entered in the name and ownership under which they are currently registered and MUST be shown under their registered name (See also rule B.8).

B.5. Any Exhibitor or other person deceiving or attempting to deceive the Society by entering animals in the wrong classes, ownership or name contrary to these Rules, Classes and Regulations shall forfeit the whole of the entrance fee, and any other prizes won by him/her at the Show except prizes won by exhibits correctly entered by him/her and shall not be allowed in future to exhibit at the Society's exhibitions. The responsibility for correctness of all entries shall rest with the owner or his/her agent and not with the Secretary of the Society for accepting such entry.

B.6. Entries may be substituted provided the Secretary is notified in writing, such notification to reach her **three clear days** before the Show.

B.7. Entrance fees for exhibits which have to be withdrawn before the Show due to illness or accident will be refunded provided a Veterinary Officer's Certificate is produced within one month of the show.

B.8. Every exhibit must be the bona fide property or leasee of the Exhibitor at the time of entry except in the case of the Heavy Horse Turnout where the owner of the vehicle shall be considered as the Exhibitor. If the animal is sold after the date of entry the change of ownership must be notified to the Show Secretary. Stallions leased for the season will be considered the property of the lessor.

B.9. The Society reserves the right to print Exhibitor details in the Show Catalogue and the results. Completion of the entry form (online or otherwise) indicates that the Exhibitor has agreed to these arrangements.

B.10. Numbers will be supplied by the Secretary. Exhibit numbers will be the same as those in the catalogue, and must be properly displayed on each exhibit by the Exhibitor before being admitted to the Show ring. Competitors must wear the correct number for each entry or they may be disqualified by default. No exhibit will be allowed to wear rosettes or ribbons other than those issued or authorised by the Society.

C. Prizes

C.1. Prize money cards MUST be completed by the winner and returned to the Horse Secretary's tent ON THE DAY OF THE SHOW. The money will be paid by BACS to the winner's bank account after the show. This may take up to 2 weeks.

C.2. All cups and trophies must be returned to the Secretary clean and undamaged, by hand or registered post, by the 1st August of the following year. Exhibitors who fail to do this may have their entries refused.

D. Animal Welfare

D.1. All equines MUST be accompanied by their approved DEFRA passport in the name of the legal owner.

D.2. Every equine Exhibitor who shall send for exhibition any animal which, to his/her knowledge is not safe to handle, or is suffering from, or has been in contact with any animal suffering from any contagious or infectious disease, shall forfeit and pay to the Secretary the sum of £1000 as and for liquidated damages for each and every animal sent, and in the event of the Society's Veterinary Inspector certifying that any animal sent for exhibition is, in his/her opinion, a source of danger, such animal shall be removed with due speed by the Exhibitor from the Showground, or be otherwise dealt with as the Veterinary Inspector may direct with a view to averting danger or the spread of contagion.

D.3. The Society vet shall have the right to treat an animal if urgent attention is required and the owner cannot be found. It is the Exhibitor's responsibility to ensure that horses and ponies are not left unattended whilst tied to the sides of trailers/lorries.

E. Complaints/disputes

E.1. Any Exhibitor lodging any objection must deposit £50, which shall be forfeited if the objection is disallowed. All objections must be delivered in writing to the Horse Secretary's office on the Showground within 30 minutes of the incident which has caused the objection to be raised. The Society, whose decision shall be final, will decide upon the objection

E.2. All disputes respecting the Rules and Regulations of the Society together with all questions, the consideration of which is not otherwise provided for, shall be referred to the Society, whose decision shall be final.

F. Drugs/Drug testing

F.1. The Society does not tolerate the administration to show exhibits (entered either for competition or sale/demonstration) of tranquillisers or other drugs which may in any way affect the performance of the animal in question to have the effect of making it behave in the show ring in a manner which is not natural.

F.2. The Society reserves the right to take any samples necessary to test exhibits for the presence of such hormones or other illegal substances. Refusal to submit a sample shall be dealt with by the Society at their discretion.

F.3. Any Person or Exhibitor (or his/her representative) who is found to have administered or permitted the administration of any such tranquilliser or drugs to any Show exhibit shall:

- a) forfeit their entrance fees and any prizes won,
- b) not be allowed to exhibit at RAHSS shows in the future,
- c) be reported to the Organising Committee, and dealt with at their discretion.

In addition, the matter will be referred to the appropriate Breed Society or Organisation.

G. Impartiality

G.1. The Owner, Rider, Handler, and Exhibitor shall be responsible for ensuring the Rules on Impartiality are followed. They are advised to thoroughly investigate past connections of their exhibits to avoid any conflicts of interest. For the benefit of these rules, where a horse/pony is leased, it shall be treated as the property of the Lessee/Borrower, who shall be defined as the Owner for showing purposes

G.2. The Society seeks to ensure that all its competitions are judged fairly and that there is no bias or favouritism. This is only achievable if owners, producers, riders, handlers and judges observe the rules in the spirit in which they are intended.

G.3. The definition of a Professional Producer/Trainer is – "a person who undertakes the preparation and /or production of ponies/horses belonging to other exhibitors for the show ring including at a show." A producer is someone who has a horse/pony on their yard to show for the client and therefore has a financial interest.

G.4. A horse/pony may not be exhibited in a class or final where the horse/pony or its owner/producer/rider/handler has one of the following, or similar, connections with the judge:

The horse/pony has been owned or produced by any person for whom or from whom the judge, his/her partner or business partner has provided or obtained livery or had any other connection (business or otherwise) since 1st January of the preceding year. Stud fees are exempt as per Society guidelines.

The horse/pony is or has been owned, bred, produced, trained or exhibited by the judge or, a relative, business partner or partner of the judge. (Group teach-ins and demos are exempt; a Group is considered to be 3 or more people)

The rider has shown a horse/pony owned, produced or trained by the judge since the 1st January of the preceding year. (Group teach-ins and demos are exempt)

The horse/pony is owned or produced by a person from whom the judge has purchased horses/ponies or to whom he/she sold horses/ponies since 1st January of the preceding year in which he/she is judging.
