#### **Exhibitors may only enter a maximum of three animals in any one class.**

Only Members of the Association are allowed to exhibit at Members' Rate and the Membership Subscription for the current year as well as any arrears must be paid before entries can be accepted.

Every Exhibitor or Competitor will be held responsible for the correctness of their entry. If, when called upon to prove its correctness, they fail to do so, the entry in question will not be accepted or if already accepted, may be cancelled or the exhibit may be disqualified and any Award made to it cancelled and furthermore all Awards made to such an Exhibitor or Competitor in any class may be cancelled.

Handlers must be properly trained in safe work methods and be in good health. Judges / Stewards are empowered to ask an exhibitor to leave a ring or any other area on the grounds of safety if they feel that the exhibitor is incapable of safely handling / riding the exhibit in question.

#### **Horses/Ponies should not be tied to the railings or left unattended at any time.**

All riders should be of an appropriate size and weight for the horse/pony being ridden (anywhere within the Showground or Lorry Parking exercise areas, day or night). The Association reserves the right to take further action against any competitor whose size or weight compromises the welfare of the horse/pony being ridden. **Animal Welfare** - The Royal Cornwall Agricultural Association expects all exhibitors to observe best practice at all times.

## Awards

10. Only the signed awards of the Judges are accepted by the Association as evidence that a prize has been awarded and the production of a prize card or rosette by an exhibitor will not entitle them to the Prize. All Cups and Trophies must be signed for prior to their collection. A Trophy that can be won outright i.e. after being won 3 times in succession or any 4 times etc., can only be so won if the exhibitors name or combination of names on the Entry Form is the same for each relevant year of entry.

Inter-Breed Awards for Cattle Championships and Special Prizes will only be judged from the Breed Winners (2nd prize winners will not be eligible).

## Penalties

11. As the non-exhibition of Animals entered for the Show causes unnecessary preparation and expense and disarranges the Showground, any person entering Stock and failing to exhibit shall pay a penalty of £5.00 for each entry unless a certificate under the hand of the Exhibitor or their authorised Agent be lodged with the Secretary of the Association before the day of the Exhibition certifying that non-exhibition is caused by:

- (1) the death of the animal or animals
- (2) contagious or infectious diseases (confirmed by the explanatory certificate of a Veterinary Surgeon) or
- (3) it's becoming ineligible for the class in which it has been entered.

Every exhibitor shall indemnify the Association against all actions, claims, proceedings and demands by any person, company or other representative body of whatsoever nature in respect of any matter, directly or indirectly connected with the bringing onto the Association's Showground of any animal which may have been suffering from any contagious or infectious disease or which develops such a disease whilst on the Showground and in addition the exhibitor shall pay all costs and expenses incurred by the Association in connection with any such claim. The Association's Veterinary Officers are authorised to refuse permission for any animal to be admitted to, or to have removed from, the Showground any animals affected with contagious or infectious disease or with disease which, in their opinion, was likely to prove dangerous to other animals. The owner or stockperson in charge of such animal may obtain, if desired, a certificate in writing from the Association's Veterinary Officer, stating the nature of such disease or infection. Concealment of disease will render the exhibitor liable to disqualification in accordance with regulation 9.

The Stewards, on the recommendation of the Association's Veterinary Officers shall have the power to remove from the Showground any unruly, vicious, deformed or diseased animals, and also the stock, implements or miscellaneous articles belonging to any exhibitor who refuses to comply with the instructions given to them by the Stewards without any responsibility attaching to them or to the Association in consequence of such removal.

## Protests

12. All objections must be lodged, in writing, with the Secretary not later than five o'clock in the afternoon of the day on which the award affected has been made. If, however the protest applies to fraudulent entry or description, it will be accepted if made within seven days of the closing day of the Show. The Objector must state the specific grounds on which the objection is made and at the same time deposit a sum of £30 with the Secretary. Protests involving measurement certificates must be dealt with in accordance with the rules of Joint Measurements Scheme and the requisite deposit lodged at the same time.

All objections will be considered by a Committee, normally chaired by the Honorary Show Director, and consisting of not less than three other members of Council, one of whom should, if possible, be a steward of the section affected. The Committee may require and receive such evidence as they think fit and in particular may require the objector or the exhibitor of any animal in respect of which such a protest was lodged to make a statutory declaration upon any question of fact concerning the matters of such objection. The decision of the Committee who determine the objection shall be final and binding and the objector shall, by lodging the objection, be taken to agree that such decisions shall be final and binding upon them and that no appeal therefrom shall lie upon any ground whatever. If the objection is determined against the objector their deposit shall be forfeited unless in the opinion of the Committee when determining the objection, when they may then order the return of the deposit. If the objection be determined against the objector they may also be liable to the Society for the amount of costs and expenses occasioned by the objection and the determination thereof, unless in the opinion of the Committee who determine the objection there existed good and reasonable ground for objection, when they may order to the contrary.

## Adjudication of Prizes

13. In awarding the Prizes to **Cattle, Sheep and Pigs**, the Judges are particularly instructed not to take into consideration the present value to the **Butcher** of the animal exhibited, but to decide according to their relative merit for the purpose of **Breeding**. They are also instructed to take into consideration the relative age of the different animals in each class.

The Judges may withhold any prize where there is evident want of merit. Where there is only one Exhibit or pen of Exhibits shown in a Class the Judges may award the first, second or third prize according to the merit of the Exhibit or Exhibits exhibited.

**No Second Prizes** will be awarded if there are not four entries in a class, unless the Judges shall recommend such Second or Third Prizes on the ground of **Special Merit**.

The Judges are instructed to select a reserve exhibit in each class, provided there is sufficient merit, in case an exhibit to which a prize has been awarded shall be disqualified.

No **Exhibitor** or other person, except the Stewards will be allowed to go near the Judges while making the awards.

The Instigator or The Owner of the said animal may be prohibited from again entering Stock for any of the Association's Shows, for such period as the Council may see fit. For the purpose of this Regulation, the term 'improper practice' shall be held to include setting of teats, and generally any other practice including tampering of their own or any other animal by the exhibitor or any other person which results in the animals being shown other than in a natural state, and the Association reserves the right to have all animals inspected by the Association's Veterinary Officers, either prior to, during, or after judging.

The overstocking of udders is to be strongly discouraged and exhibitors are liable to inspection by the Association's Veterinary Officers.

The Association reserves the right to take any necessary samples. Any Person or Exhibitor (or their representative) who is found to have administered or permitted the administration of any such tranquilliser or drugs to any Show exhibit will be reported to the Committee, and dealt with at their discretion. In addition the matter will be referred to the appropriate Breed Society or Organisation.

Automatic timing apparatus will be in operation.

Exhibitors wishing to be supplied with horse boxes must apply on or before **30 April**, paying the additional fees for each box, i.e., £44.00 per night to include straw. Any animal which shows evidence of ringworm should not be sent to the Show. Any animal found to be affected will, on the Certificate of the Association's Veterinary Officers, be disqualified from competition and must be removed from the Showground. If, whilst in the Showground a cow calves either at full term or prematurely or aborts or show signs of aborting and the Exhibitor or their Stockpersons fails to inform the Association's Veterinary Surgeons, that Exhibitor, if proved to have infringed this regulation will be liable, at the discretion of the Council of the Association to a LIFE-TIME BAN from exhibiting at any future shows held by the Royal Cornwall Agricultural Association.

All Cattle must be properly secured to the satisfaction of the Officials of the Association on being brought to the entrance of the Showground or they may not be admitted. Whilst stalled at the show it is suggested that all cattle are double tied.

Livestock must be under the control of a competent handler at all times and they must use approved restraints which are safe and fit for purpose.
