PROTECT YOUR FARM AGAINST THE UNEXPECTED

Unexpected events can have a dramatic impact on the long-term stability and continuity of your farming business. What, for example, if you – or a key employee – suffer a serious illness or long-term injury? As the business owner, this could dramatically affect everything you've worked for.

What would happen if one of your co-owners in the business died and left their interest in the business to their family? You might want to be able to buy their share of the business from

their family, but what if they don't want to sell? Or what if you don't have the available cash to buy, can't agree a price, or they want to sell to a third party?

It's important to plan, with a professional financial adviser, for these sorts of eventualities.

The type of cover and plan you need will depend on your individual circumstances, those of any co-owners and the nature of your business.

For example:

- If a key employee dies or suffers a specified critical illness, key person protection provides the business with a lump sum. This money can be used to offset the loss of profits and cover the costs of recruiting a replacement.
- If there is an outstanding loan, commercial mortgage or director's loan, a plan needs to be in place

to protect the borrowing should one of the business owners die or suffer from a specified critical illness.

- If a co-owner dies or falls ill, life and critical illness insurances can provide the remaining partners with the funds to help buy their share of the business, protecting the remaining partners and the deceased or ill partner and their family.

Building a successful business requires an investment of time, effort and money. Financial advice from NFU Mutual can help you protect that success and build upon it.

NFU Mutual Financial Advisers advise on NFU Mutual products and selected products from specialist providers. They'll explain the advice services we offer and the charges. Financial advice is provided by NFU Mutual Select Investments Ltd.

All exhibitors must ensure they have adequate Public Liability Insurance cover.

Exhibitors bringing their caravan/tent to the Show must place it in the Livestock Caravan Park provided, at a fee of **£16.00** per night. The same exhibit may be entered in more than one class, when eligible, on payment of a separate entry fee for each class at the time of entry and only exhibits actually exhibited in their Class are eligible for any Special Prizes, if relevant.

Exhibitors may only enter a maximum of three animals in any one class.

Only Members of the Association are allowed to exhibit at Members' Rate and the Membership Subscription for the current year as well as any arrears must be paid before entries can be accepted.

Every Exhibitor or Competitor will be held responsible for the correctness of their entry. If, when called upon to prove its correctness, they fail to do so, the entry in question will not be accepted or if already accepted, may be cancelled or the exhibit may be disqualified and any Award made to it cancelled and furthermore all Awards made to such an Exhibitor or Competitor in any class may be cancelled.

All persons entering, competing or exhibiting an animal of a class covered by a Breed Society either to which the Association is affiliated or which is affiliated to the Association shall be deemed to have consented to the jurisdiction of the relevant Breed Society and be subject to its constitution and rules (including disciplinary procedures) insofar as they are applicable to any event, competition or display promoted or arranged by the Association.

The Association would deem the Breed Societies to be responsible for the enforcement of their own Breed Society rules.

The Association reserves the right to publish all names and addresses of all exhibitors in the official catalogue and share such information with breed societies and other similar bodies in connection with the staging of the equine and livestock sections.

The Association accepts no responsibility if for any reason, any event or events, for which exhibitors qualify at the Royal Cornwall Show, are not staged.

Exhibitors and Their Stockpersons / Grooms

9. All Exhibitors and Their Stockpersons / Grooms shall be subject to the Orders and Rules of the Council or Officials appointed by the Council. The Council reserves the right to ban from exhibiting, either in person or through a nominee or agent, any exhibitor (or their stockperson / groom), who, in the opinion of the Council, contravenes or has contravened any of the Association's Bye-Laws, Regulations or anyone infringing the Regulations and Conditions of the Association and who behaves noisily or offensively to the Judges or Officials is liable to be disqualified and any award cancelled and, furthermore all awards made to such an Exhibitor or Competitor in any class may be cancelled, and such person shall thereupon be excluded from exhibiting in this Association during the pleasure of the Council. Such matters will be determined by a Committee as detailed in regulation 12. The Council reserves to itself the right to inform other Agricultural Associations or Breed or other Societies of any decision it may come to with respect to any exhibitor.

Stockpersons / Grooms appearing with animals in judging rings must be of smart appearance and dressed appropriately for the section being judged. It is the Exhibitors responsibility to ensure that the correct number is worn in the relevant class and the Association accepts no responsibility for errors caused by incorrect numbers being displayed.

All Exhibitors must have the physical ability, relevant experience and be competent to handle the animal they are in charge of at all times. Handlers must be properly trained in safe work methods and be in good health. Judges / Stewards are empowered to ask an exhibitor to leave a ring or any other area on the grounds of safety if they feel that the exhibitor is incapable of safely handling / riding the exhibit in question.

Horses/Ponies should not be tied to the railings or left unattended at any time.

Suitably Mounted: All animals ridden anywhere on the showground, rings or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern.

All stock handlers, and especially children, should only handle animals where they have the necessary experience and strength to cope with that animal.

NO CHILD UNDER THE AGE OF 7 YEARS IS ALLOWED INTO THE CATTLE JUDGING RINGS. For the Main Ring Parade a child must be 10 years and over to lead a calf up to 3 months and be accompanied by an adult. For all other cattle, handlers must be 16 years and over. A sheep handler must be capable of handling the animal, at the Stewards discretion.

All Bulls over 12 months of age must be accompanied by 2 people.

It is strongly recommended that children other than those stipulated above do not enter the main ring or livestock walk at the time of the parades.

The administration of any pharmaceutical substance is prohibited except with the permission of one of the Association's Veterinary Officers.

Animal Welfare - The Royal Cornwall Agricultural Association expects all exhibitors to observe best practice at all times.

Awards

10. Only the signed awards of the Judges are accepted by the Association as evidence that a prize has been awarded and the production of a prize card or rosette by an exhibitor will not entitle them to the Prize. All Cups and Trophies must be signed for prior to their collection. A Trophy that can be won outright i.e. after being won 3 times in succession or any 4 times etc., can only be so won if the exhibitors name or combination of names on the Entry Form is the same for each relevant year of entry. Inter-Breed Awards for Cattle Championships and Special Prizes will only be judged from the Breed Winners (2nd prize winners will not be eligible).

Penalties

11. As the non-exhibition of Animals entered for the Show causes unnecessary preparation and expense and disarranges the Showground, any person entering Stock and failing to exhibit shall pay a penalty of £5.00 for each entry unless a certificate under the hand of the Exhibitor or their authorised Agent be lodged with the Secretary of the Association before the day of the Exhibition certifying that non-exhibition is caused by:

- (1) the death of the animal or animals
- (2) contagious or infectious diseases (confirmed by the explanatory certificate of a Veterinary Surgeon) or
- (3) it's becoming ineligible for the class in which it has been entered.

Every exhibitor shall indemnify the Association against all actions, claims, proceedings and demands by any person, company or other representative body of whatsoever nature in respect of any matter, directly or indirectly connected with the bringing onto the Association's Showground of any animal which may have been suffering from any contagious or infectious disease or which develops such a disease whilst on the Showground and in addition the exhibitor shall pay all costs and expenses incurred by the Association in connection with any such claim. The Association's Veterinary Officers are authorised to refuse permission for any animal to be admitted to, or to have removed from, the Showground any animals affected with contagious or infectious disease or with disease which, in their opinion, was likely to prove dangerous to other animals. The owner or stockperson in charge of such animal may obtain, if desired, a certificate in writing from the Association's Veterinary Officer, stating the nature of such disease or infection. Concealment of disease will render the exhibitor liable to disqualification in accordance with regulation 9.

The Stewards, on the recommendation of the Association's Veterinary Officers shall have the power to remove from the Showground any unruly, vicious, deformed or diseased animals, and also the stock, implements or miscellaneous articles belonging to any exhibitor who refuses to comply with the instructions given to them by the Stewards without any responsibility attaching to them or to the Association in consequence of such removal.

Protests

12. All objections must be lodged, in writing, with the Secretary not later than five o'clock in the afternoon of the day on which the award affected has been made. If, however the protest applies to fraudulent entry or description, it will be accepted if made within seven days of the closing day of the Show. The Objector must state the specific grounds on which the objection is made and at the same time deposit a sum of £30 with the Secretary. Protests involving measurement certificates must be dealt with in accordance with the rules of Joint Measurements Scheme and the requisite deposit lodged at the same time.

All objections will be considered by a Committee, normally chaired by the Honorary Show Director, and consisting of not less than three other members of Council, one of whom should, if possible, be a steward of the section affected. The Committee may require and receive such evidence as they think fit and in particular may require the objector or the exhibitor of any animal in respect of which such a protest was lodged to make a statutory declaration upon any question of fact concerning the matters of such objection. The decision of the Committee who determine the objection shall be final and binding and the objector shall, by lodging the objection, be taken to agree that such decisions shall be final and binding upon them and that no appeal therefrom shall lie upon any ground whatever. If the objection is determined against the objector their deposit shall be forfeited unless in the opinion of the Committee when determining the objection, when they may then order the return of the deposit. If the objection be determined against the objector they may also be liable to the Society for the amount of costs and expenses occasioned by the objection and the determination thereof, unless in the opinion of the Committee who determine the objection there existed good and reasonable ground for objection, when they may order to the contrary.

Adjudication of Prizes

13. In awarding the Prizes to **Cattle, Sheep and Pigs**, the Judges are particularly instructed not to take into consideration the present value to the Butcher of the animal exhibited, but to decide according to their relative merit for the purpose of Breeding. They are also instructed to take into consideration the relative age of the different animals in each class.

The Judges may withhold any prize where there is evident want of merit. Where there is only one Exhibit or pen of Exhibits shown in a Class the Judges may award the first, second or third prize according to the merit of the Exhibit or Exhibits exhibited. The Judges are instructed to select a reserve exhibit in each class, provided there is sufficient merit, in case an exhibit to which a prize has been awarded shall be disqualified.

No **Exhibitor** or other person, except the Stewards will be allowed to go near the Judges while making the awards.

Tampering and Malpractice

15. Any artificial contrivance or device of any description found on or proved to have been used on an animal at any time whilst that animal is in the Showground, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a prize, and any prize awarded prior to discovery will be forfeited. The Instigator or The Owner of the said animal may be prohibited from again entering Stock for any of the Association's Shows, for such period as the Council may see fit. For the purpose of this Regulation, the term 'improper practice' shall be held to include setting of teats, and generally any other practice including tampering of their own or any other animal by the exhibitor or any other person which results in the animals being shown other than in a natural state, and the Association reserves the right to have all animals inspected by the Association's Veterinary Officers, either prior to, during, or after judging.

The overstocking of udders is to be strongly discouraged and exhibitors are liable to inspection by the Association's Veterinary Officers.

The Association will not tolerate the administration to show exhibits (entered either for competition or sale/demonstration) of tranquillisers or other drugs which may in any way affect the performance of the animal in question to have the effect of making it behave in the show ring in a manner which is not natural. The Association reserves the right to take any necessary samples. Any Person or Exhibitor (or their representative) who is found to have administered or permitted the administration of any such tranquilliser or drugs to any Show exhibit will be reported to the Committee, and dealt with at their discretion. In addition the matter will be referred to the appropriate Breed Society or Organisation.

Any Exhibitor wishing to lodge an objection, having reference to Livestock exhibited at this Show, must make the same in accordance with the objection requirements (Rule 12) of the Association. If, on investigation, the objection is not sustained to the satisfaction of the Committee, the sum thus deposited shall, at the discretion of the Committee, be forfeited to the funds of the Association. All objections must be lodged on the same day as the alleged incident occurred in accordance with the objection regulations, and no objection will be SUBSEQUENTLY received, unless a reason, satisfactory to the Committee be assigned for the delay.

The farrowing date must be stated on the entry form.

At all Shows in 2024 female pigs born on or after 1st January and before 1st July in the year before the show must within 18 months of their date of birth have farrowed, suckled and reared to four weeks of age a birth notified litter of pigs.

Boars of two years of age and over (all breeds) are to be certified as having sired at least three live litters within the twelve months preceding the first day of the Show. The pigs comprising such litters are to have been litter notified in the British Pig Association's Herd Book or proof of their birth must have been given to the Association.

Boars aged twelve months or more at the time of the exhibition, must have their tusks cut prior to the Show.

All boars must be shown by two competent adult handlers who are equipped with protective boards.

The use of artificial colouring, whitening and/or powder on pigs as well as the removal or addition of spots by artificial means is prohibited (white woodflour is permitted).

EXHIBITORS MAY ONLY ENTER A MAXIMUM OF THREE ANIMALS IN ANY ONE CLASS.

The Association will provide pens and straw for all exhibits. The provision of feeding stuffs, drinking utensils etc., will be the responsibility of the exhibitor.

General

Fodder

20. Straw and, if possible, green food will be served out in suitable quantities to the Stockpersons of Exhibitors of Animals free of expense. In view of the possible scarcity of green fodder exhibitors are advised to bring as much green fodder as possible.

Herd / Flock Advertising

21. Exhibitors are permitted to erect signs advertising their herd or flock. For the cattle these must not exceed the height of the headboard rail and also not interfere with the Royal Cornwall Agricultural Association Headboards. In the case of flock signs no sign may be erected to stand higher than 61 cm (2') above the pen hurdle height. Separate regulations apply for breed society promotion pens within the sheep section.

The Association reserves the right to remove any sign, should it be deemed to be inappropriate.

Livestock Exhibitor Cubicles

22. A maximum of one livestock exhibitor cubicle can be booked per Exhibitor unless after the closing date of entries spares exist. Cubicles are limited and only available on a first come, first served basis.

Dogs

23. Well behaved dogs are allowed but must be kept on a non-retractable lead at all times.

Interpretation of Regulations

The Association and Council reserves to itself the sole and absolute right to interpret these or any other prescribed Regulations, Conditions or Prize Lists, and arbitrarily to settle and determine all or any matters, questions or differences, in regard thereto, or otherwise arising out of or connected with or incidental to the Show. Also to substitute Judges for those announced in the prize lists, or make additional appointments as may be deemed necessary.

All Exhibitors and other persons admitted to the Show Yard shall be subject to the Rules, Orders, Conditions and Regulations of the Council of the Royal Cornwall Agricultural Association.
