PROTECT YOUR FARM AGAINST THE UNEXPECTED

Unexpected events can have a dramatic impact on the long-term stability and continuity of your farming business. What, for example, if you – or a key employee – suffer a serious illness or long-term injury? As the business owner, this could dramatically affect everything you've worked for.

What would happen if one of your co-owners in the business died and left their interest in the business to their family? You might want to be able to buy their share of the business from

their family, but what if they don't want to sell? Or what if you don't have the available cash to buy, can't agree a price, or they want to sell to a third party?

It's important to plan, with a professional financial adviser, for these sorts of eventualities.

The type of cover and plan you need will depend on your individual circumstances, those of any co-owners and the nature of your business.

For example:

- If a key employee dies or suffers a specified critical illness, key person protection provides the business with a lump sum. This money can be used to offset the loss of profits and cover the costs of recruiting a replacement.
- If there is an outstanding loan, commercial mortgage or director's loan, a plan needs to be in place

to protect the borrowing should one of the business owners die or suffer from a specified critical illness.

- If a co-owner dies or falls ill, life and critical illness insurances can provide the remaining partners with the funds to help buy their share of the business, protecting the remaining partners and the deceased or ill partner and their family.

Building a successful business requires an investment of time, effort and money. Financial advice from NFU Mutual can help you protect that success and build upon it.

NFU Mutual Financial Advisers advise on NFU Mutual products and selected products from specialist providers. They'll explain the advice services we offer and the charges. Financial advice is provided by NFU Mutual Select Investments Ltd.

Stockpersons / Grooms appearing with animals in judging rings must be of smart appearance and dressed appropriately for the section being judged. It is the Exhibitors responsibility to ensure that the correct number is worn in the relevant class and the Association accepts no responsibility for errors caused by incorrect numbers being displayed.

All Exhibitors must have the physical ability, relevant experience and be competent to handle the animal they are in charge of at all times. Handlers must be properly trained in safe work methods and be in good health. Judges / Stewards are empowered to ask an exhibitor to leave a ring or any other area on the grounds of safety if they feel that the exhibitor is incapable of safely handling / riding the exhibit in question.

Horses/Ponies should not be tied to the railings or left unattended at any time.

Suitably Mounted: All animals ridden anywhere on the showground, rings or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern.

All stock handlers, and especially children, should only handle animals where they have the necessary experience and strength to cope with that animal.

NO CHILD UNDER THE AGE OF 7 YEARS IS ALLOWED INTO THE CATTLE JUDGING RINGS. For the Main Ring Parade a child must be 10 years and over to lead a calf up to 3 months and be accompanied by an adult. For all other cattle, handlers must be 16 years and over. A sheep handler must be capable of handling the animal, at the Stewards discretion.

All Bulls over 12 months of age must be accompanied by 2 people.

It is strongly recommended that children other than those stipulated above do not enter the main ring or livestock walk at the time of the parades.

The administration of any pharmaceutical substance is prohibited except with the permission of one of the Association's Veterinary Officers.

Animal Welfare - The Royal Cornwall Agricultural Association expects all exhibitors to observe best practice at all times.

Awards

10. Only the signed awards of the Judges are accepted by the Association as evidence that a prize has been awarded and the production of a prize card or rosette by an exhibitor will not entitle them to the Prize. All Cups and Trophies must be signed for prior to their collection. A Trophy that can be won outright i.e. after being won 3 times in succession or any 4 times etc., can only be so won if the exhibitors name or combination of names on the Entry Form is the same for each relevant year of entry. Inter-Breed Awards for Cattle Championships and Special Prizes will only be judged from the Breed Winners (2nd prize winners will not be eligible).

Penalties

11. As the non-exhibition of Animals entered for the Show causes unnecessary preparation and expense and disarranges the Showground, any person entering Stock and failing to exhibit shall pay a penalty of £5.00 for each entry unless a certificate under the hand of the Exhibitor or their authorised Agent be lodged with the Secretary of the Association before the day of the Exhibition certifying that non-exhibition is caused by:

- (1) the death of the animal or animals
- (2) contagious or infectious diseases (confirmed by the explanatory certificate of a Veterinary Surgeon) or
- (3) it's becoming ineligible for the class in which it has been entered.

Every exhibitor shall indemnify the Association against all actions, claims, proceedings and demands by any person, company or other representative body of whatsoever nature in respect of any matter, directly or indirectly connected with the bringing onto the Association's Showground of any animal which may have been suffering from any contagious or infectious disease or which develops such a disease whilst on the Showground and in addition the exhibitor shall pay all costs and expenses incurred by the Association in connection with any such claim. The Association's Veterinary Officers are authorised to refuse permission for any animal to be admitted to, or to have removed from, the Showground any animals affected with contagious or infectious disease or with disease which, in their opinion, was likely to prove dangerous to other animals. The owner or stockperson in charge of such animal may obtain, if desired, a certificate in writing from the Association's Veterinary Officer, stating the nature of such disease or infection. Concealment of disease will render the exhibitor liable to disqualification in accordance with regulation 9.

The Stewards, on the recommendation of the Association's Veterinary Officers shall have the power to remove from the Showground any unruly, vicious, deformed or diseased animals, and also the stock, implements or miscellaneous articles belonging to any exhibitor who refuses to comply with the instructions given to them by the Stewards without any responsibility attaching to them or to the Association in consequence of such removal.

Protests

12. All objections must be lodged, in writing, with the Secretary not later than five o'clock in the afternoon of the day on which the award affected has been made. If, however the protest applies to fraudulent entry or description, it will be accepted if made within seven days of the closing day of the Show. The Objector must state the specific grounds on which the objection is made and at the same time deposit a sum of £30 with the Secretary. Protests involving measurement certificates must be dealt with in accordance with the rules of Joint Measurements Scheme and the requisite deposit lodged at the same time.

All objections will be considered by a Committee, normally chaired by the Honorary Show Director, and consisting of not less than three other members of Council, one of whom should, if possible, be a steward of the section affected. The Committee may require and receive such evidence as they think fit and in particular may require the objector or the exhibitor of any animal in respect of which such a protest was lodged to make a statutory declaration upon any question of fact concerning the matters of such objection. The decision of the Committee who determine the objection shall be final and binding and the objector shall, by lodging the objection, be taken to agree that such decisions shall be final and binding upon them and that no appeal therefrom shall lie upon any ground whatever. If the objection is determined against the objector their deposit shall be forfeited unless in the opinion of the Committee when determining the objection, when they may then order the return of the deposit. If the objection be determined against the objector they may also be liable to the Society for the amount of costs and expenses occasioned by the objection and the determination thereof, unless in the opinion of the Committee who determine the objection there existed good and reasonable ground for objection, when they may order to the contrary.

Adjudication of Prizes

13. In awarding the Prizes to **Cattle, Sheep and Pigs**, the Judges are particularly instructed not to take into consideration the present value to the Butcher of the animal exhibited, but to decide according to their relative merit for the purpose of Breeding. They are also instructed to take into consideration the relative age of the different animals in each class.

The Judges may withhold any prize where there is evident want of merit. Where there is only one Exhibit or pen of Exhibits shown in a Class the Judges may award the first, second or third prize according to the merit of the Exhibit or Exhibits exhibited. The Judges are instructed to select a reserve exhibit in each class, provided there is sufficient merit, in case an exhibit to which a prize has been awarded shall be disqualified.

No **Exhibitor** or other person, except the Stewards will be allowed to go near the Judges while making the awards.

All Cattle, Sheep and Pigs are to remain on the Showground until after the Grand Parade in the afternoon of the last day of the Show and shall under no circumstances be taken out of their places in the interval without the special permission of the Showground Director or Secretary. Horses will be allowed to leave after 12 noon each day if not required to parade.

During the time the Show is open to the public no Rug or Cloth shall be hung so as to conceal any Animal except with the special permission of the Steward of the Department.

No person shall be allowed to fix any Card or Placard in the Showground without the written permission of the Secretary.

Stockpersons in charge of Stock at night must, if they leave the Showground, return before midnight or they will not be admitted.

All persons in charge of exhibits will be subject to the orders of the Stewards and will be required to parade or exhibit the animals in their charge at such times as may be directed by the Stewards. Stewards have the right to exclude from the Judging Rings and/or the Showground any animal which is vicious or unruly. Stockpersons must be in attendance each day during the Show at least a quarter of an hour before the time appointed for exhibiting the Animals under their charge in the Show Rings.

Stockpersons in charge of Animals must see that the Boxes or Stalls are kept clean. No cooking stove or barbecue of any description may be lighted in the Boxes or Stalls within and adjacent to the Cattle Halls. The Cattle Halls and Sheep Marquees will be **NO SMOKING Areas**, anyone offending in this respect will be dealt with in such a manner as shall be determined by the Council. Owners of the Animals exhibited will be held responsible for the behaviour of their Stockpersons and for the consequences of any misconduct of such Stockpersons.

Exhibitor numbers will be forwarded by the Secretary to every Horse, Sheep and Pig Exhibitor. Cattle neck Numbers should be collected from the Cattle Stewards Office as directed.

No Exhibitor or their stockperson must in any way inappropriately interfere with exhibits other than their own.

Tampering and Malpractice

15. Any artificial contrivance or device of any description found on or proved to have been used on an animal at any time whilst that animal is in the Showground, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a prize, and any prize awarded prior to discovery will be forfeited. The Instigator or The Owner of the said animal may be prohibited from again entering Stock for any of the Association's Shows, for such period as the Council may see fit. For the purpose of this Regulation, the term 'improper practice' shall be held to include setting of teats, and generally any other practice including tampering of their own or any other animal by the exhibitor or any other person which results in the animals being shown other than in a natural state, and the Association reserves the right to have all animals inspected by the Association's Veterinary Officers, either prior to, during, or after judging.

The overstocking of udders is to be strongly discouraged and exhibitors are liable to inspection by the Association's Veterinary Officers.

The Association will not tolerate the administration to show exhibits (entered either for competition or sale/demonstration) of tranquillisers or other drugs which may in any way affect the performance of the animal in question to have the effect of making it behave in the show ring in a manner which is not natural. The Association reserves the right to take any necessary samples.

Any Person or Exhibitor (or their representative) who is found to have administered or permitted the administration of any such tranquilliser or drugs to any Show exhibit will be reported to the Committee, and dealt with at their discretion. In addition the matter will be referred to the appropriate Breed Society or Organisation.

Any Exhibitor wishing to lodge an objection, having reference to Livestock exhibited at this Show, must make the same in accordance with the objection requirements (Rule 12) of the Association. If, on investigation, the objection is not sustained to the satisfaction of the Committee, the sum thus deposited shall, at the discretion of the Committee, be forfeited to the funds of the Association. All objections must be lodged on the same day as the alleged incident occurred in accordance with the objection regulations, and no objection will be SUBSEQUENTLY received, unless a reason, satisfactory to the Committee be assigned for the delay.

Regulations Applying to Certain Classes

The Organisers of this show have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the Organisers and all the Officials and Stewards.

HORSES

16. All Horses entered in Classes with conditions as to height may be measured before being judged, with their Shoes on and no subsequent alteration of Shoes will be permitted.

The decision to ride Horses in any Ridden Class is solely at the discretion of the Judge.

No horse may be exercised other than in a collecting ring or the designated exercise area within the lorry park.

No horse should be left unattended other than when securely contained within a horse vehicle or stable.

Horses/Ponies should not be tied to the railings or left unattended at any time.

Animals winning Prizes offered by the Hunters' Improvement and Sport Horse Breeding of Great Britain, must undergo veterinary examination if required.

All Horses will be allowed to leave the Showground from 12 noon onwards on the first day, unless they are required to parade or to stay on the Showground for judging on the Second Day.

Exhibitors wishing to be supplied with horse boxes must apply on or before **10 April**, paying the additional fees for each box, i.e., £44.00 per night to include straw. The proviso is that if boxes are oversubscribed the Association reserves the right to restrict the booking of stables for those exhibitors only showing on one day. Please note: **Stabling will only be available on the night before / day of showing. Please note that stables are NON-TRANSFERABLE.**

Anyone riding a horse when jumping in the Ring, practice or collecting areas, must wear protective headgear according to the current standards as listed below (see special note below for Morgan classes). All PAS 015; VG1; (BS) EN1384 2017; ASTM F1163 04a onwards, SNELL E2001; SNELL E2016; AS/NZS 3838 2003 onwards. Such headgear must be worn with the chin strap securely and correctly fastened at all times. Skull caps must have a navy blue or black cover. Any variation to this ruling is solely at the exhibitors' risk. Morgan Exhibitors are advised by their Society to wear approved hats (PAS 015 at least) but if they wish to wear straw hats during the judging of their classes it is at their own risk.

Equine Influenza - Equine Influenza vaccinations are a compulsory requirement for all equines (horses and ponies) attending the Royal Cornwall Show and random spot checks of passports are likely to be undertaken. The requirement for the first 3 vaccinations is as follows: the first 2 vaccinations 21 - 92 days apart, a third booster between 150-215 days, and an annual booster vaccination within 365 days thereafter. No horse should enter competitions within 7 days of an EI vaccination. Foals should commence vaccinations at 6 months old.

No Exhibitor or their groom may ride one horse and lead another or if on foot lead more than one horse. The bringing of companion horses/ponies is strongly discouraged but if such animals are present their behaviour and all matters relating to safety are the sole responsibility of the exhibitor bringing such animals to the show. Anyone exhibiting a stallion must take adequate precautions to ensure the safety of other people and animals.

Suitably Mounted - All animals ridden anywhere on the showground, rings or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern.

EXHIBITORS MAY ONLY ENTER A MAXIMUM OF THREE ANIMALS IN ANY ONE CLASS.

Measuring of Horses

Entries in Classes with height conditions may be subject to measuring should a query arise, and will be measured by the Association's Veterinary Surgeons in the Measuring Box in the Stabling Area. Owners/Exhibitors of horses/ponies which have been issued with an Official Height Certificate by the Joint Measuring Scheme should have this Height Certificate at the Show either printed off or on a mobile device which can be easily accessed if needed. Half an inch to be allowed for normal shoes, no allowances for tips, plates or Charlier shoes. No subsequent alterations to shoes permitted.

SHOWJUMPING

All competitors must wear uniform or hunting costume or appropriate hats and coats. Failure to comply may involve elimination. All competitors must wear a protective helmet manufactured to the current approved BSI or European Standard. Such headgear must be worn with the chin strap correctly and securely fastened at all times. Any variation to this ruling is solely at the exhibitors' risk. The use of helmet mounted cameras at British Showjumping Events is **not allowed**.

No horse may be exercised other than in a collecting ring or the designated exercise area within the lorry park.

No horse should be left unattended other than when securely contained within a horse vehicle or stable.

No member shall allow a stallion for which they are responsible as owner, lessee, authorised agent or rider to compete or be prepared to compete, in any showjumping competition without taking adequate precautions to ensure other members of the public are not put at risk of injury.

The Association reserves the right to restrict the number of entries in any class.

During Jumping Competitions, three Competitors must always be ready to enter the Ring. If a Competitor does not respond when their 'Order Number' is called, they lose their turn and the Horse bearing the Number called may be eliminated.

There will be a time limit for all Jumping Competitions. The time limit for each competition will be announced before the competition starts.

Automatic timing apparatus will be in operation.

Exhibitors wishing to be supplied with horse boxes must apply on or before **28 April**, paying the additional fees for each box, i.e., £44.00 per night to include straw. The proviso is that if boxes are oversubscribed the Association reserves the right to restrict the booking of stables for those exhibitors only showing on one day.

Stables will not be refunded if late withdrawal of horses.

Please note: **Stabling will only be available on the night before / day of showing. Please note that stables are NON-TRANSFERABLE.**

CATTLE

17. At the date of entry cattle must be from herds which are free from restrictions imposed under (a) The Tuberculosis Order 1984; and (b) The Brucellosis Orders.

In addition the entered animals must not themselves be under individual restrictions.

An animal accepted for entry must not be consigned to the Royal Cornwall Show if, after entry, either it or the herd to which it belongs becomes subject to movement restrictions.

The Association reserves the right to take blood samples from any animal exhibited.

Any animal which shows evidence of ringworm should not be sent to the Show. Any animal found to be affected will, on the Certificate of the Association's Veterinary Officers, be disqualified from competition and must be removed from the Showground. The exhibitor of such animals will be subject to a fine not exceeding £25 per affected animal.

All cattle must be from Herds which are Officially Brucellosis Free. (NB from 1 October 1985 all herds were re-designated to

be OBF Status).

The Warble Fly (England and Wales) Order 1982, as amended.

Any Cattle which are affected with warble fly larvae are subject to movement restrictions. Such affected cattle may only be lawfully moved if accompanied by a declaration of treatment (Form C - Yellow). Affected animals, not accompanied by a declaration of treatment (Form C) detected in the Showground will be licensed home.

The Exhibitors of Bulls, Cows and Heifers shall certify as to the purity of Breeds and eligibility for the respective Herd Books.

All cows shall have had a fully developed Calf within six months of the Exhibition or shall be in-calf at the time of the Exhibition and in the case of both Cows and Heifers exhibited as being in-calf, the prizes will not be paid to the Exhibitor of any in-calf Cow or Heifer not in-milk, until such time as the animal has been certified to have produced a fully developed calf.

Animals which calve or show evidence of calving whilst at the Showground must be placed in the isolation accommodation pending their possible early removal from the Showground.

Where an animal calves at full term, and the owner arranges for a blood sample and vaginal swab to be taken and examined at an approved laboratory, and Rose Bengal Plate Test (RBPT) and a microscopical examination of a smear made from the vaginal swab are negative, the animal may return to the Show lines at the discretion of the Show Secretary.

Where an animal calves prematurely or aborts, the DVO must be informed immediately. The animal must be returned home TOGETHER WITH ALL OTHER SHOW ANIMALS FROM THE SAME REGISTERED PREMISES after a full range of samples has been taken. The suspect animal must be isolated during transit.

If, whilst in the Showground a cow calves either at full term or prematurely or aborts or show signs of aborting and the Exhibitor or their Stockpersons fails to inform the Association's Veterinary Surgeons, that Exhibitor, if proved to have infringed this regulation will be liable, at the discretion of the Council of the Association to a LIFE-TIME BAN from exhibiting at any future shows held by the Royal Cornwall Agricultural Association.

All Cattle must be properly secured to the satisfaction of the Officials of the Association on being brought to the entrance of the Showground or they may not be admitted. Whilst stalled at the show it is suggested that all cattle are double tied.

Livestock must be under the control of a competent handler at all times and they must use approved restraints which are safe and fit for purpose. Movements on the showground include areas used by the public and also when going from the Exhibition Halls to the judging rings and handlers must ensure adequate safeguards are in place to prevent an animal from escaping.

All Bulls over 10 months old must have a permanent ring attached to the nose and must be provided with a strong chain or rope and to be led. Use of the bulldog can be used for younger cattle, if felt appropriate.

The Dams of All Bulls (Dairy Breeds) entered for the Inspection Classes must be qualified in accordance with the requirements of the respective Breed Society.

Tampering and Malpractice - see Rule 15.

The exercising of cattle within the cattle judging rings prior to the start of judging on the first day is prohibited.

Pressure Hoses: Only low pressure hoses can be used for washing of cattle. Pressure above 30psi will not be permitted. The use of power hoses producing water above 30psi is banned.

Electrical safety: The correct maintenance and safe use of any electrical equipment brought to the show is the sole responsibility of the exhibitor, both for their own safety and of any third party. It is highly recommended that electrical equipment is regularly PAT tested.

EXHIBITORS MAY ONLY ENTER A MAXIMUM OF THREE ANIMALS IN ANY ONE CLASS.

NO EXHIBITOR MAY BE PERMITTED TO EXHIBIT MORE THAN TWO ANIMALS PER CLASS WHICH WERE THE RESULT OF AN EMBRYO TRANSFER FROM THE SAME PARENTAGE.

Within the 'Any Other Pure Breed' Sections, if over 12 entries are received for any one breed and from at least 3 different Exhibitors, Breed Classes will be formed and a Specialist Judge appointed for the 2024 Show. If 10 or more entries are forward at the Show, Breed Classes will automatically be staged for 2025. If less than 10 entries are forward, the Breed will revert back to the Any Other Pure Breed Section for 2025.

Within the Breed Sections, if less than 10 entries are forward, the Association is likely to discontinue the classes for the following year and entries would only then be eligible for the 'Any Other Pure Breed' Section.

All sheep being shown must be on halters, if applicable, but must be on halters to be paraded.

All sheep brought into the Showground must have been dipped and moved in accordance with any Ministry Regulations in force at that time.

Exhibitors are specially cautioned not to send to the Show animals which are suffering from Orf in any stage. Any animal found to be affected, will, on the advice of the Show Veterinary Officers, be disqualified from competition and removed from the Show. Current legislation (the Mutilation (Permitted Procedures) (England) Regulations 2007 Schedule 5.5) requires that sheep must have sufficient tail retained to cover the vulva of the female sheep and the anus of the male sheep. Sheep entered for the 2024 Royal Cornwall Show are liable to be inspected in the lines by the Association's Veterinary Officers or other appropriate official bodies. Any sheep which do not comply with the aforementioned regulation will not be eligible to be shown.

The spraying of sheep with any substances is forbidden within the Sheep Marquee.

If 20 or more entries are forward at the Show, Breed Classes will automatically be staged for 2025. If less than 20 entries are forward, the Breed will revert back to the Any Other Pure Breed Section for 2025.

Within the Breed Sections, if less than 20 entries are forward, the Association is likely to discontinue the classes for the following year and entries would only then be eligible for the 'Any Other Pure Breed' Section.

The Association and Council reserves to itself the sole and absolute right to interpret these or any other prescribed Regulations, Conditions or Prize Lists, and arbitrarily to settle and determine all or any matters, questions or differences, in regard thereto, or otherwise arising out of or connected with or incidental to the Show. Also to substitute Judges for those announced in the prize lists, or make additional appointments as may be deemed necessary.
