

The SEIB Racehorse to Riding Horse Championship is a series for Thoroughbreds that have raced in either Point to Point, Flat or National Hunt Racing.

The competition is open to amateurs and professionals. The format of judging will be as for a riding horse class but the best of type will win.

Therefore, if you have a hunter, hack or riding horse that has raced you are eligible to compete and the best horse on the day will be the winner.

A copy of the equine identity document (passport) may have to be produced before an entry can be accepted at Horse of the Year Show.

Horses must be over 4 years old and 148cms or over, riders must be 15 years old and over. The first two horses will go forward to Horse of the Year Show; if the first two horses have already qualified, at the judges discretion, horses down the line will be eligible to compete at the HOYS Championship. Land Rover Burghley Horse Trials are kindly hosting a qualifier in the main arena. No late entries will be accepted for this venue and you need to enter early!

If you qualify for Horse of the Year Show at another venue and you have already entered for the Land Rover Burghley Horse Trials qualifier, we reserve the right to return your entry fee in full for the Burghley competition, to ensure that as many competitors as possible have the opportunity to qualify for HOYS.

Riders may only compete on one horse at each qualifying venue
