Show organisers have an obligation (under the terms of the Animal Welfare Act 2006 Section 9(2)) to ensure that the best welfare practices are observed at all times, and this also assists in the prevention of the spread of animal diseases. This involves working within the regulations and guidelines set out by government organisations and developing policies and procedures that can be complied with by the Society's representatives e.g., staff and voluntary workers, exhibitors

and the public. The Welfare Plan has been drawn up with the assistance of the Society's appointed veterinary surgeons, Bodrwnsiwn Vets, and demonstrates that due consideration has been given to all aspects of animal health and welfare.
