Horses may compete having received the primary course and prior to the first booster but not within 7 days of receiving a vaccine dose. Horses must have been vaccinated within 12 months before the show but not less than 7 days of arriving at the show.

Regularly competing horses, those under five years of age, or any horses and ponies mixing with the aforementioned categories, are advised to continue giving boosters every six months.

Needless to say each discipline has their own idiosyncrasies, and it remains the owner's responsibility to ensure vaccinations comply with the given event site and discipline.
