The order of starting must be drawn. This competition takes place over six, eight or 10 obstacles which are progressively more difficult. No combination obstacles are allowed. Points are awarded as follows: One point for obstacle No. 1 cleared, two points for No. 2, three points for No. 3 etc. with total of 21, 36 or 55 points. No point is awarded for an obstacle knocked down. Faults other than knock-downs are penalised as for Table A and any of these faults, including time faults, are converted into points and deducted from any jumping points scored. In the event of equality of points for first place, there will be a jump-off against the clock over a shortened course, over obstacles that may be increased in height and/or spread. The obstacles in the jump-off must be jumped in the same order as in the first round and retain their respective points allotted in the first round. This competition may also take place directly against the clock. For the last obstacle of the course, an alternative obstacle may be provided, of which one part may be designated the Joker. Health & Safety Policy

Health and Safety at Work etc. Act 1974

The Management of Health and Safety at Work Regulations 1999

GENERAL STATEMENT OF POLICY

We commit to operating the Association in accordance with the Health and Safety at Work Act 1974 and all applicable legislation made under the Act 'so far as is reasonably practicable'. Our policy is to ensure that the Show is operated in a safe manner for all our employees, volunteers and the general public, and to provide such information, training and supervision as is needed for this purpose.

We also accept our responsibility for the health and safety of other people who may be affected by our activities. The Association acknowledges that the Show is likely to attract those who may be vulnerable and will consider them in their risk assessment of the event. The Association has an Event Safety Management Plan in place which covers all aspects of the operation of the Show and is available from the Show Office.

The Board of Trustees acknowledge that Health and Safety responsibilities within the Association are of equal importance as other priorities and will ensure resources are available to manage Health and Safety. Although the Board of Trustees accept responsibility for the implementation of the Plan, it relies on individual employees/volunteers to accept their own duty and responsibility to themselves, fellow workers and others who might be injured/affected by their acts or omissions. The Plan will be kept up to date, and appropriate to the Association's activities. To ensure this, the Plan will be monitored and reviewed every year or more frequently if required.

SAFETY INFORMATION AND GUIDANCE

All Exhibitors must comply with the Health and Safety at Work Act 1974 and all relevant legislation and guidance. Animal exhibitors must also comply with the Animal Welfare Act 2018 and any relevant codes of practice, guidance, etc. provided by the relevant governing body organisations. The location of the cameras may be moved in accordance with notified risks. The Association will not be responsible for the safe custody of any article brought for exhibition, nor will they be liable for any loss or damage that may occur to any article. It is the exhibitors' responsibility to ensure they have adequately insured their stock and equipment whilst on site and to report any suspicious behaviour to the Security Team.

Traders and Exhibitors are responsible for ensuring that any waste is removed from site and their area is left in a clean and tidy state.

OPENING HOURS

Trade and Craft Stand Exhibitors are required to remain open until 18:00 and **MUST NOT** attempt to leave the Showground before that time. Those found to be packing up early and attempting to leave the Showground may find that their application is refused for future Shows.

VIOLENCE AND AGGRESSION

Physical or verbal violence or aggression towards our Show Team, Contractors or Officials will not be tolerated; you will be asked to leave the Showground without any recompense. If you have a complaint, we can usually deal with any issues if approached in a civil manner but cannot guarantee to always resolve issues on the day of the Show.

MAJOR INCIDENT PLANNING (SITE EVACUATION)

In the event of a major incident where it is necessary to evacuate the site or part of the site, please follow all signs and instructions from the organisers and Emergency Services. ALL people will be requested to evacuate the site, until it is deemed safe to return. The Association accepts no responsibility for any property or livestock or any person or persons who fail to comply with the request to evacuate the Showground.

Animal Escape - Animals are unpredictable and do occasionally break free. Please get yourself and others under your control to safety in a quiet and calm manner and allow those involved in the recapture to do this unimpeded.

WEATHER

It would be extremely unusual for us to cancel the event due to adverse weather. We have, however in the past had to delay set up due to high winds. Please ensure that your contact details are up to date when applying for a trade stand or exhibitors' space. In such circumstances we will communicate with you by email and social media.

It is your responsibility to ensure that you have appropriate structures for your stand. Garden-type gazebos are not suitable for use on the Showground and we encourage you to use a purpose-built shelter available from reputable suppliers. Please ensure that you have adequate anchorage and weights for your structure.

PUBLIC LIABILITY INSURANCE

Whilst the Association has its own Public Liability cover in place it is only for its own protection. All exhibitors must have their own Public Liability insurance which covers them for attendance at the Stithians Show."
