### **INFORMATION FOR EXHIBITORS**

#### **Equine Influenza Update:**

Equine Influenza and Tetanus vaccinations are a compulsory requirement for all horses attending Stithians Show. The requirement for the first 3 vaccinations is as follows: the first 2 vaccinations 21 – 92 days apart, a third booster between 150-215 days, and an annual booster vaccination within 365 days thereafter. No horse should enter competitions within 7 days of an EI vaccination. Foals should commence vaccinations at 6 months old. This Rule may be subject to change from guidance from the FEI/BEF and any changes will be notified via the Showing Council and ASAO websites. The current FEI ruling is for a six monthly booster as opposed to annual; therefore it is recommended that you check with shows that fall under FEI regulation before entering e.g. Windsor, Hickstead, HOYS etc.

We urge all owners to adhere to strict biosecurity protocols at all times. Vaccinations are subject to local risk assessments by the attending veterinarians. Please note that neither vaccination certificates nor passports should be sent to the show office prior to the event. However, random checks will be carried out on the showground during the show.

Additional information can be found here: <https://bef.co.uk/News-Detail.aspx?news=latest-bef-advice-to-shows>

**This show is affiliated to Sports Horse Breeding of Great Britain (SHB(GB)) and classes 11-14 & 16** are held under their rules. **Class 11** must have a valid JMB certificate.
