SHOWING CLASS AFFILIATION RULES

This show is affiliated to the British Show Horse Association (BSHA)

Exhibitors wishing to enter **Class 11** who are not registered with The British Show Horse Association can purchase a day ticket – details from www.britishshowhorse.org. Horses registered with the Association must be owned, exhibited and ridden by current BSHA members. **Registration numbers must be quoted on entry form.** Day Tickets. Non-members may purchase up to a maximum of 2 Day tickets per Exhibitor, per Horse, per Rider, per season. A Day Ticket will allow entry into Working Show Horse Class 15. Horses registered on a Day Ticket do not require a JMB height certificate. Competitors can apply for a Day Ticket by downloading an application form from the BSHA website.

Classes 1-4 are qualifiers for the BSHA Rising Star 2022 – Open to members and non-members.

Rising Star Hacks & Riding Horses: Mare or gelding, 4 years old or over, height must exceed 148cm but must not exceed 160cm for hack type. **Rising Star Ridden Cobs:** Mare or gelding, 4 years old or over, height must exceed 148cm with a recommended height limit of 160cm for cob type. **Rising Star Ridden Hunter:** Mare or gelding, 4 years old or over, exceeding 148cm. The two highest placed Horses, not already qualified in the Rising Star classes, will qualify for the Rising Star Finals, to be held at The BSHA National Championship Show in September 2022. The Judges will not ride the exhibits in qualifiers but the judge will ride at the finals. There will be regional clinic days offering training from BSHA accredited trainers.

RULES Rules for BSHA Rising Star Classes which must be entered into the spirit in which they are intended: 1. Open to Non-Members and those with no more than three years BSHA Membership. Owners, Riders and Horses, are not required to be Members of the British Show Horse Association in order to compete in the BSHA Rising Star qualifying classes, the Rising Star Finals will require a day ticket. 2. These classes are specifically aimed at those Horses and Riders who are not regularly qualifying for the major Championship Shows and wish to improve. 3. Riders must not have competed at The Royal International Horse Show or The Horse of the Year Show, with the exception of the BSHA RIHS Amateur classes pre-2022 or SEIB Search for a Star. 4. Open to Horses which are stabled at home or in a DIY or non-show yard. 5. Horses to be ridden by an Amateur, please see the current BSHA Rule Book; this does not exclude receiving lessons from a Professional showing person. 6. No Professional is allowed to ride, to work-in (in any form), compete, or enter the Ring to groom/strip the Horse. 7. Failure to abide by the Rules may result in ineligibility to compete at the BSHA National Championship Show in any class. 8. The Judge will ride ALL the exhibits in the final. 9. To register for the Supreme Final at the BSHA National

Championships Show on the 10th September you must upload your details on our website using the details on the back of the qualifying rosette. The classes will be made available through grass root level shows, riding clubs and our already listed shows. They will be able to be amalgamated into one class or two classes until the series gains momentum. This could then end up with shows splitting classes and having a Rising Star championship. The firsts 2 placing will qualify for the final from all shows holding Rising Star classes. Those qualifying at a clinic may be asked to attend a regional clinic in preparation for the BSHA National Championship Show. The Supreme Final will be held at the BSHA National Championship Show, with a prelim judging and final championship. A bursary of £200 kindly donated by the Talbot Family will be presented to the winner to be used with a BSHA Accredited Trainer of their choice. The Rising Star Series will be supported and promoted using the 'selected' accredited trainers to the BSHA.

MEMBERSHIP The classes will be open to non-members and members who have never qualified for RIHS or HOYS before (not including SFAS). A qualification for a regional final would need a day ticket and also to attend the supreme final they would need another day ticket. The regional and supreme champions are then no longer able to compete within these classes for the following season. Hopefully this will be the transition to becoming full members and progressing into the existing classes. This enable people to follow this series for more than one season. In season 2 they have to be members.

The order of starting must be drawn. This competition takes place over six, eight or 10 obstacles which are progressively more difficult. No combination obstacles are allowed. The progressive difficulty is not solely due to the height and spread of the obstacles, but also to the difficulty of the track.

Points are awarded as follows:

One point for obstacle No. 1 cleared, two points for No. 2, three points for No. 3 etc. with total of 21, 36 or 55 points.

No point is awarded for an obstacle knocked down. Faults other than knock-downs are penalised as for Table A and any of these faults, including time faults, are converted into points and deducted from any jumping points scored.

In the event of equality of points for first place, there will be a jump-off against the clock over a shortened course, over obstacles that may be increased in height and/or spread. The obstacles in the jump-off must be jumped in the same order as in the first round and retain their respective points allotted in the first round.

This competition may also take place directly against the clock.

For the last obstacle of the course, an alternative obstacle may be provided, of which one part may be designated the Joker. The Joker must be more difficult than the alternative obstacle and carry double points. If the Joker is knocked down, the points must be deducted from the total.

Health and Safety Policy

Health and Safety at Work etc. Act 1974

The Management of Health and Safety at Work Regulations 1999

GENERAL STATEMENT OF POLICY

We commit to operating the Association in accordance with the Health and Safety at Work Act 1974 and all applicable legislation made under the Act 'So far as is reasonably practicable'. Our policy is to ensure that the Show is operated in a safe manner for all our employees, volunteers and the general public, and to provide such information, training and supervision as is needed for this purpose.

We also accept our responsibility for the health and safety of other people who may be affected by our activities. The Association acknowledges that the Show is likely to attract those who may be vulnerable and will consider them in their risk assessment of the event.

The Board of Trustees acknowledge that Health and Safety responsibilities within the Association are of equal importance as other priorities and will ensure resources are available to manage health and safety. Although the Board of Trustees accept responsibility for the implementation of the policy, it relies on individual employees/volunteers to accept their own duty and responsibility to themselves, fellow workers and others who might be injured/affected by their acts or omissions.

The Board of Trustees have nominated the Chairman and a representative from the Showyard Directors as signatories of the Health and Safety Policy.

A signed copy of the full Health and Safety Policy Statement and a copy of the Show's organisational chart is available from the Show Office.

The policy will be kept up to date, and appropriate to the Association's activities. To ensure this, the policy will be monitored and reviewed every year or more frequently if required.
