- All animals ridden anywhere on the Showground, rings or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern. Furthermore, the Society & officials working on behalf of the society including ring stewards have the right to ask someone to dismount their horse or pony if they feel the rider is not of an appropriate size for the horse or pony they are riding.
