4. Animals entering the Showground area, in all respects, are at the risk of the owner. The Society will not be responsible for any accident which may occur through any animal exhibited, and it shall be a condition of entry that each Exhibitor shall hold the Society harmless, and indemnify it against any legal proceedings arising from such accident. You are strongly advised to check your insurance cover on this point. Bulls must be led and ringed at the nose.
5. All Prizewinners in the Cattle Classes must take part in the Parade of Prize Animals or the Prizes will be withheld.
6. In order to discourage frivolous protests, every protest must be made in writing and sent to the Secretary within seven clear days after the date of the Show, and to be accompanied by a deposit of £50 to be returned, or retained, by the vote of the Committee, on consideration as to whether there was reasonable ground or not for the protest.
7. The Conditions attached to any Premium are applicable to all animals gaining a prize of whatever denomination.
8. If only one entry is received in any section, this section may be withdrawn. The entrant will be notified and the entry fee returned.
9. The winners of Cups, Trophies and/or Plaques must return them to the Society's office at Lane Farm on or before 1st July within the year following the Show, or in default of this requirement a penalty of £50 will be imposed.

These cups, etc, shall be the responsibility of the winner until they are in the hands of the Society or its appointed Jeweller. Proof of posting will be required if an article is lost or alleged to be lost in the post.
10. All cups should be considered to be 'perpetual' unless stated otherwise.
11. All exhibitors will be subject to the orders of the Society's officials. Abuse, physical or verbal, towards stewards and staff will not be tolerated and exhibitors or their assistants not obeying the directions of the Society's officers will render themselves liable to expulsion from the Showground.

14. All persons entering an animal in a class covered by a Breed Society shall be deemed to have consented to the jurisdiction of the relevant Breed Society and be subject to it's Rules and disciplinary procedures including exclusion from exhibiting.

Extract from Rules of Society

1. This Society, established in 1799, for the purpose of improving the breed of stock and the management and cultivation of farms has for its objects the promotion of the interests of Agriculture in general and to combine and foster the interests of town and country.
- 5.1 Applicants for membership, having paid the current membership subscription, shall on Show Day have the rights and privileges of a member (save voting rights until voting membership is confirmed) and shall otherwise be bound by the rules bylaws and regulations of the Society for the time being. Membership runs from 1 April to 31 March.
7. Every subscriber of £45.00 a year and upwards may apply to be a Member of the Society. Subscriptions shall become due 1 April and paid by Show Day in each year, and any person whose application has not been approved shall not be entitled to vote at any meeting. No member shall be allowed to withdraw his name without giving notice in writing to the Chief Executive of his intention to do so previous to the 1 December in each year.
13. All conditions of competition framed by the Committee shall be as binding as these Rules, providing the same be in no way at variance therewith.
23. When a Premium or Prize is offered for any animal without expressing that it be in the hands of the Breeder such animal shall have been the bona fide property of the Exhibitor and located upon their premises for a period of not less than three calendar months immediately preceding the Show Day. Horses, sheep and pigs excepted.
24. No person (except in the case of a son succeeding his father, a widow her husband) shall be admitted to claim for the best managed farm until he has been in bona-fide occupation of such farm for three years at least. The Inspectors in making their awards shall have special regard to the improvements made by the Tenant as distinguished from those made by the Landlord.
25. If a person shall obtain a First Prize in any of the Farms and Stocks classes (classes 1–14) for two consecutive years, he shall not be entitled to compete again for the same Prize in the year immediately succeeding the date of the second award; and whenever such person shall again become a competitor, the inspectors shall direct their attention particularly to the improvements made on the farm during the last two years.
26. The word 'Farm' shall mean the entire holding or holdings of the competitor, being either proprietary occupier or tenant, when lying together or farmed from the same homestead, exclusive of woods, roads, rivers and high-lying grounds not adapted for ploughing, and whether or not farmed under different landlords or held under different agreements.

N.B. Inasmuch as it is impossible to frame this Rule so as to meet every case, the Committee shall have power, in the event of dispute to decide each case on its own merits, but in accordance as far as possible with the true intent and spirit of this Rule, and their decisions shall be final.
30. Any member knowingly making any false entry, or otherwise attempting to impose on the Society, shall not be allowed to continue as a member.
