Extra passes for your supporters to watch your competition and enjoy the show can be brought, further information is below.

Arrival

Upon arrival at the show please make your way through the NAEC Main Gate (CV8 2LH) and follow the signs for **SEIB Search 4 A Star**, which will lead you down to your SEIB stable yard.

If arriving on Thursday 8th November and you have booked a stable, please arrive between 15.00 - 19.00 where you will be greeted by a member of the SEIB team. Early arrivals may

be granted with prior consent but there is no guarantee the stables will be ready. If you think you will be arriving later please make us aware by calling **Nicky MacKenzie 07973 791168**.

Please ensure that you have all relevant documentation including horse passports, vaccination forms and passes needed. **You cannot unload your horse until the vaccinations have been checked by the duty vet on site.**

If you are coming for the day on Friday, you must arrive between 06.30 - 08.00. Please allow enough time to arrive, unload and get you and your horse down to the SEIB arena. Traffic can be very busy on the Friday, and it is a seven-minute walk for you and your horse to get to our SEIB Arena. You will need to be at the arena 10 minutes before your class starts and the classes can't be put on hold or delayed.

Hook-up

If you have booked a stable overnight, please use the stable with your name pinned to the door. Along with your £20 deposit in cash which will be returned when you leave if the stable has been signed off as clear.

Bedding will be provided free of charge within your stable by our official bedding supplier, Heavenly Bedding. Please note that this supply is limited and should this not be suitable for any reason you will need to bring your own. You are required to supply your own feed, hay and water buckets; we advise bringing a wheelbarrow too. **There is no electricity inside the stables, so we recommend that you bring a lighting source.**

If you have pre-booked a hook-up, then please refer to the plan on arrival to the stable yard where a space will be allocated for you (please use the one allocated to you). We recommend bringing a long hook up cable.

Stable blocks should be cleaned out into the temporary midden provided and stables left completely clear of droppings and all bedding. Please ensure you bring your own mucking out equipment as none will be available onsite. Please be aware that should you leave without clearing out the stable, your £20 cleaning deposit will be forfeited.

Entry Wristbands & Vehicle Passes

It is your responsibility to ensure wristbands are given to all personnel within your party as Security will not have spare passes at the entry gate.

Should you need to order extra visitor tickets for family or friends, use this link www.yourhorse.co.uk/yourhorselive and this discount code SEIBSFAS24. These will be sent by email in e-tickets form and will allow them entry into the show. These people will NOT need a vehicle pass as they will be required to park in the public car parks. Only the rider, owner and groom (3 named wristband wearers) will be allowed through to the back of the arena and stables.

Those that qualify for the Supreme on Saturday will be able to purchase extra services and passes onsite at the Organisers Office to accommodate the extra day should they wish. The rider, owner and groom will be given another wristband FOC for the Saturday.
